Throughout an individual's school career, he encounters many experiences which enable him to grow, to develop his particular talents, to mature. This publication is an attempt to record the experiences of one particular year. This record will be presented in the form of a stage play, assigning those roles to those individuals as they apply.

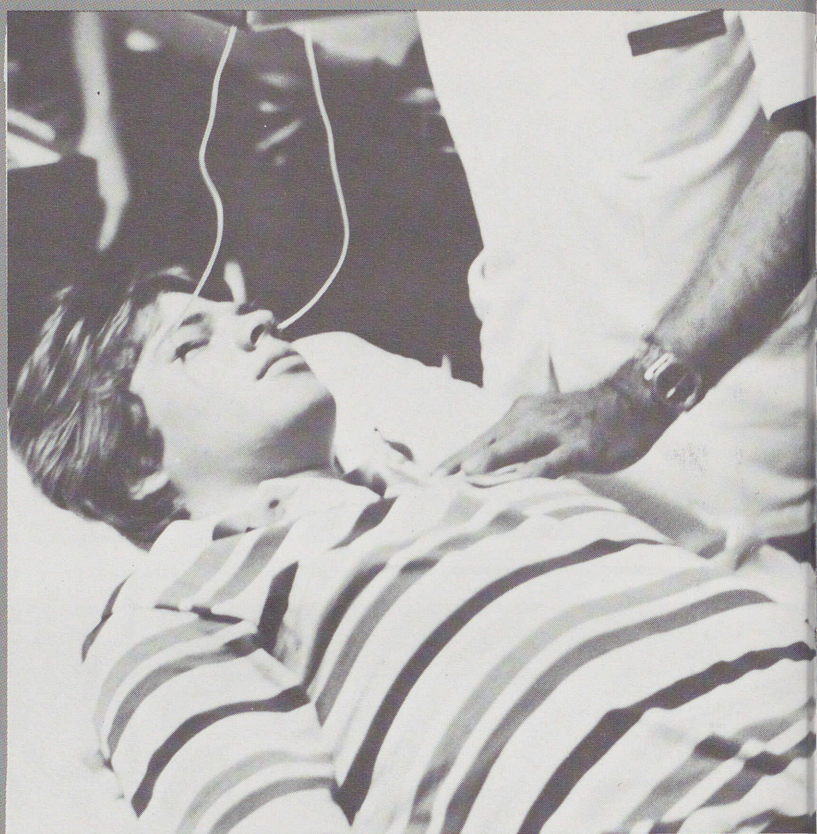

LEFT: The Seventh Grade shows why they were chosen "Most Spirited". BELOW: The Varsity Squad express their pre-game enthusiasm. MIDDLE: Whether on the field or off, the players maintain their spirit. BOTTOM: The Alumni return each year to show their support. OPPOSITE TOP: The cheerleaders prepare for a Rock-a-Chaw entrance. OPPOSITE BOTTOM: Drum Majorette Virginia McMillian directs the Marching Band. BOTTOM: Coach Engels surveys the gym during the homecoming pep rally.

RIGHT: Bill Berry gets his eyes checked on a field trip to the Gulfport Community Hospital. BELOW: Joe Saia and Burton Brown head to the locker room before a basketball game. BOTTOM: Vincent Schott stands at attention before a number during band practice. OPPOSITE TOP: Tony Herquez, John Loupe, David Zoller, Lance Landeche, Justin Jones, Mike McKeough, Joe Saia, and Marco St. John pose after a game of Mud Football. OPPOSITE BOTTOM: Brother Albert Guarino celebrates a special mass for members of the Acolyte Fraternity.

The students are assigned the role of actors, not because they are playing roles, but because they represent the main component of the play. The faculty represent the directors of the educational career, the administration, the producers.

The play will be narrated by an esteemed colleague, known to each and every one of the St. Stanislaus family, R. Rockford Chaw.

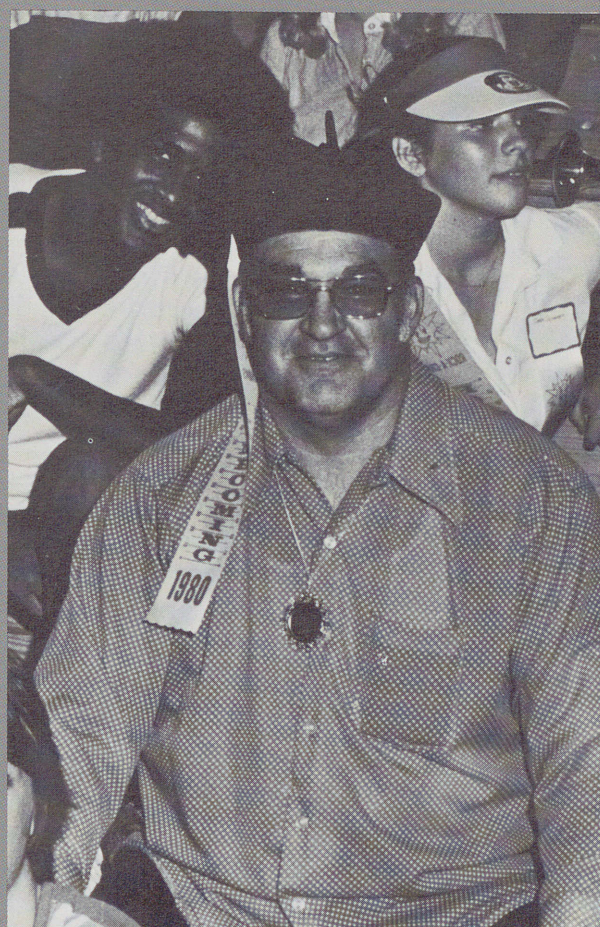

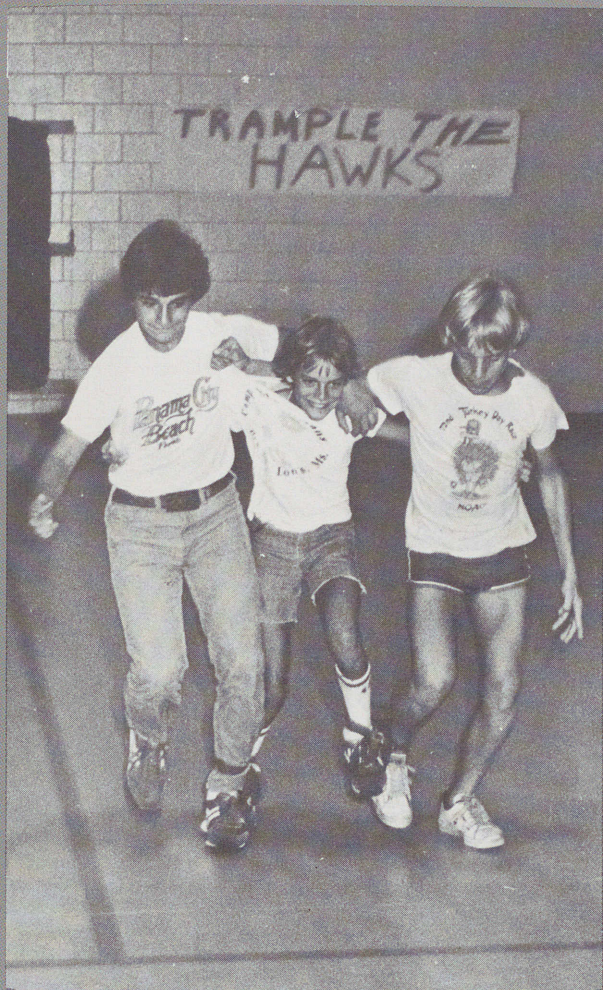

BELOW: The cheerleaders doing their thing at the Homecoming Parade. BOTTOM: Lee Klein and Mark Lichenstein line up before the game as Captains. MIDDLE: The seniors represent the school in the Veteran's Day Parade. LEFT: The band parades along Union Street. OPPOSITE BOTTOM: Linne Cabell poses for the photographer. OPPOSITE MIDDLE: Virginia McMillian rolls out trumpet soloist James McIntyre in the Senior band presentation. OPPOSITE LEFT: Earl Rabe takes a much deserved rest during one of the Rock-a-Chaw's many victories on the gridiron.

BELOW: Coach Engels and the advanced Biology students are fascinated with a demonstration at the Hospital. RIGHT: Mike Hourin expresses interest in a Senior lecture. OPPOSITE TOP LEFT: Bobby Leech, Joey Wink, and Pat Nolan compete in the three legged race. OPPOSITE TOP RIGHT: Father Francis Theriot is surrounded at the Pep Rally. OPPOSITE BOTTOM: Nock Lemunier expresses his interest in class.

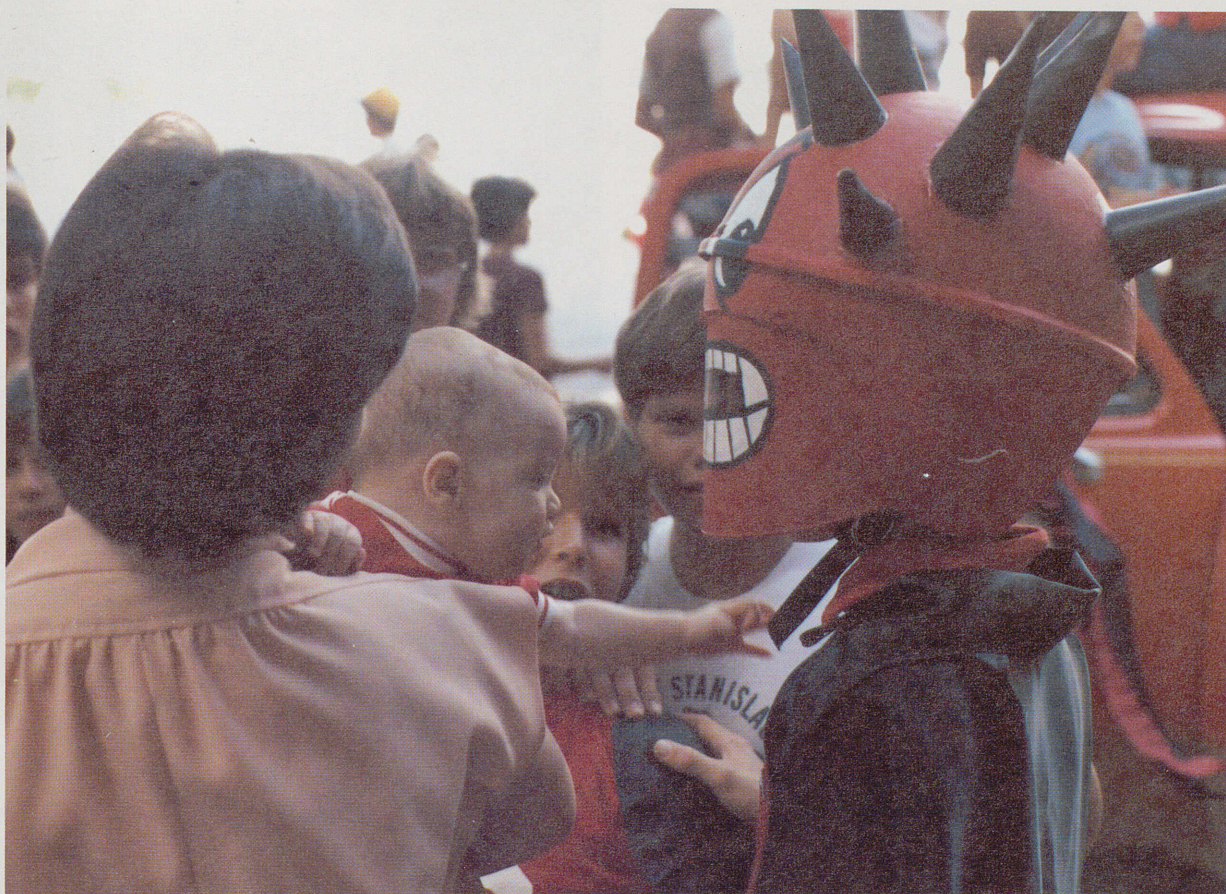

The play is divided into three acts;

ACT I..... Features
 ACT II..... Academics
 ACT III..... Activities

ACT I The Prologue
 ACT II The cast, the directors
 the producers; The plot is revealed.
 ACT III The play continues
 building to the dramatic climax of
 graduation and end of year.

RIGHT: The Sophomores obviously enjoying the parade in their impromptu float. BELOW: Johnny Labruzzo clowns around at the Homecoming Pep Rally. BOTTOM: Ann Moran cheers on while he tries to win the pie eating contest. OPPOSITE TOP: Mrs. Ryan and baby Brandt meet R. Rockford Chaw. OPPOSITE BOTTOM: Joby Labruzzo and a real fox!! OPPOSITE BOTTOM RIGHT: Bro. Loyola shows off the new tractor for the Homecoming Parade.

Homecoming Success

ROCKY: Brother, How are the maids and queen chosen for the Homecoming Court?

BROTHER AQUIN: Well, Rocky, the senior football players nominate the girls for the court, and then the entire football team votes to select the Queen.

ROCKY: Approximately how many ole grads come back for the event, Brother?

BROTHER: We usually have about 250 to 300 returning each year.

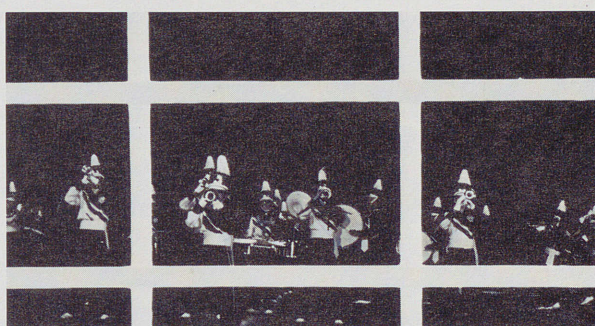

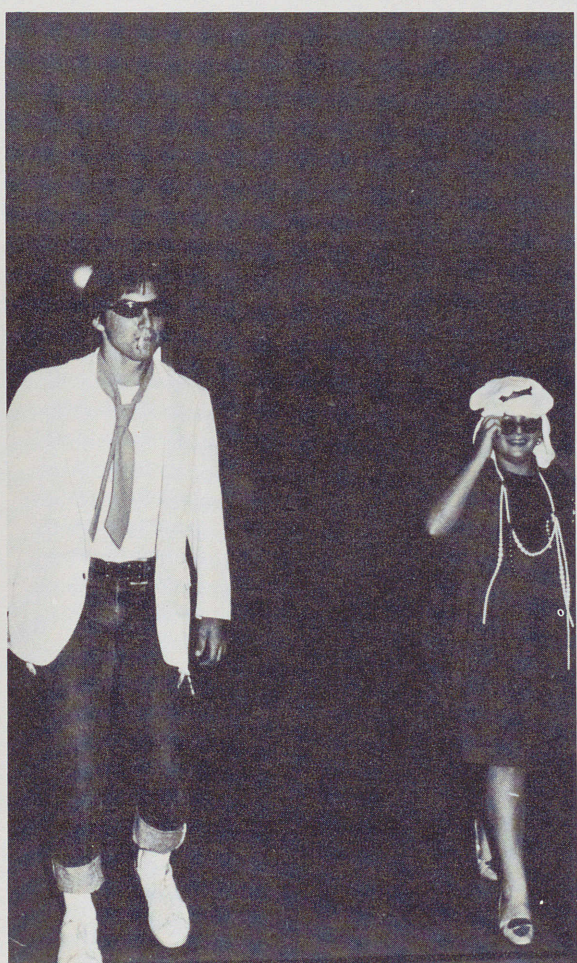

ROCKY: What Homecoming activities do you feel have been most successful?

BROTHER: I think the students really enjoy the Parade and Pep Rally, while the alumni tend to lean more toward the pre-game activities.

ROCKY: Well, Brother, I'll have to say y'all certainly do a great job. This year's Homecoming was the best ever.

RIGHT: Stacey Glindmeyer and her date Jack Kent at the Homecoming Dance. BELOW: The Eighth graders get their float ready to roll. BOTTOM LEFT: Stanley Womack and Frank Wittmann assist the other Seventh graders in the Tug-of-War. BOTTOM RIGHT: Bret Naylor seems to enjoy the shaving cream crown which Joe Saia is building on his head.

TOP: "Big Daddy" gets a big welcome from "The Family."
LEFT: Brett Boudreaux and Mark Williams "punk out" for the Annual Homecoming Fashion Parade. ABOVE: The Marching Band is captured in a window effect shot.

Spanish Honor Society

ROCKY: Mrs. Currie, what must a student do to become a member of the Spanish Honor Society?

MRS. CURRIE: Requirements for membership include an A or B in Spanish for the previous three quarters and Honor Roll for the previous three quarters.

ROCKY: How long has the Society been in existence?

MRS. CURRIE: Since 1971, this chapter, the Gayoso Chapter is of the National Spanish Honor Society.

ROCKY: What activities does the SHS conduct?

MRS. CURRIE: Soccer games with French and Spanish students, Mexican suppers, and Foreign Language Day with Bay High and with Riverdale High School from New Orleans.

ROCKY: What can we expect from the SHS in years to come?

MRS. CURRIE: We plan to take a trip to Costa Rica next Easter.

ABOVE: Brennan Collins, Justin Jones, Warren Keating and other members of the Spanish Honor Society perform a Spanish skit. RIGHT: Pat Kergosien, president of SHS, formally inducts Eddie Werner.

National Honor Society

ROCKY: Brother William, What is National Honor Society?

BROTHER WILLIAM: National Honor Society is an organization created for academically oriented students. Its purpose is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all students of the St. Stanislaus College.

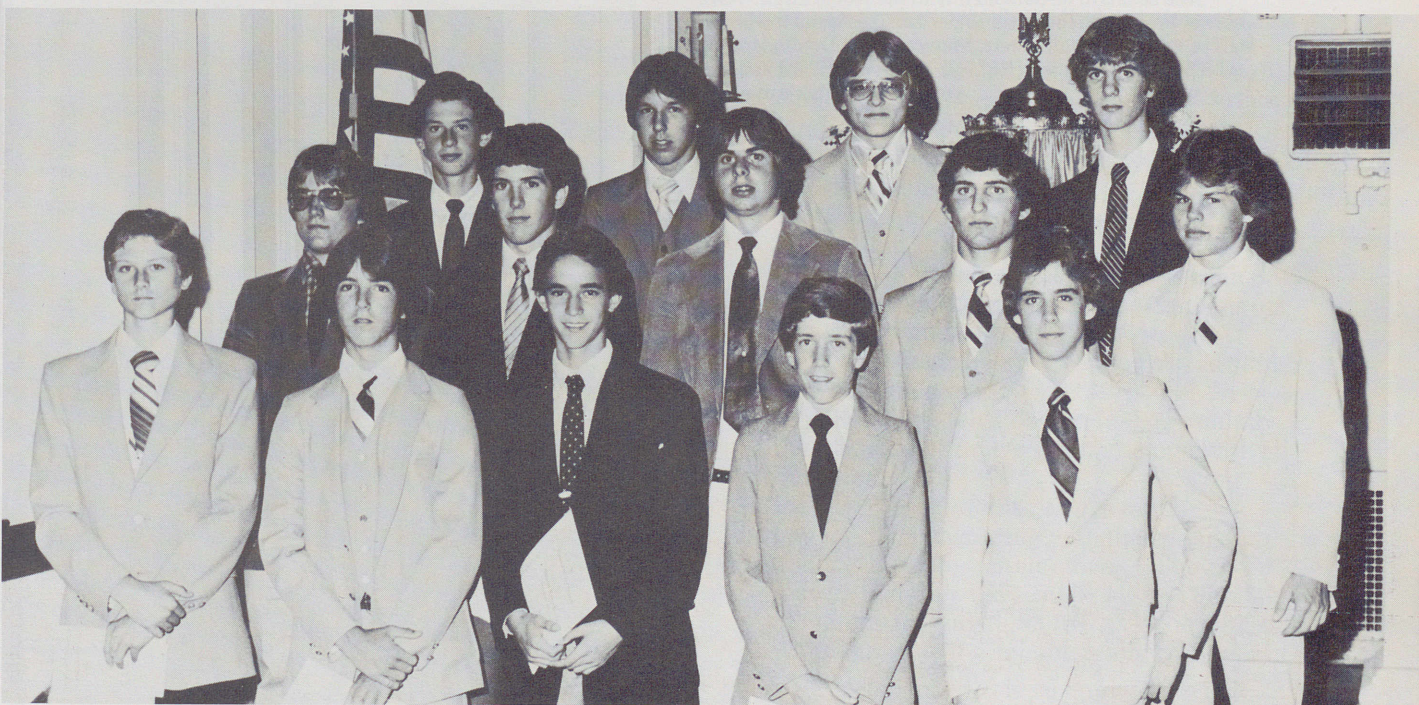

ROCKY: Wow! All that and more! Brother, this year the NHS formed a Quiz Bowl Team. How well did we do for the first year?

BROTHER: Well, Rocky, the team did a great job, especially since it was the first year. We lost a very close match to Holy Cross. According to Mel Leavitt, the TV Moderator, it was one of the finest efforts the program has ever seen for a first year team.

ROCKY: Would you like NHS to branch out into more areas in the future?

BROTHER: Yes! It would be nice if we could start a tutor service for members to help students who need extra study especially in showing them how to study and in hearing lessons or what ever it takes. The Club also hopes to make some tapes for the Resource Center. There is quite a list of material that needs to be read on tapes since the actual scripts are not loaned out.

LEFT: Former Lt. Governor James Fitzmorris of Louisiana speaks to the Honors and Leadership Convocation. BELOW: National Honor Society inductees for the school year 1980-81.

OPPOSITE TOP: Marc Meyer is engrossed with paper airplanes being made for his young charge. OPPOSITE BOTTOM: James Comeaux lends a helping hand to a youngster who seems to be delighted with the whole affair. TOP: Members of Project Do for Seventh period. This is not the entire staff of Project Do volunteers. Many other individuals assist with the service project. RIGHT: Brother Canisius assists a young man with his reading.

Project Do

ROCKY: Pete, what is the purpose of Project Do?

PETER GARGULIO: Project Do reaches out and helps young and old people alike by showing affection and care.

ROCKY: In what way is this accomplished, Pete?

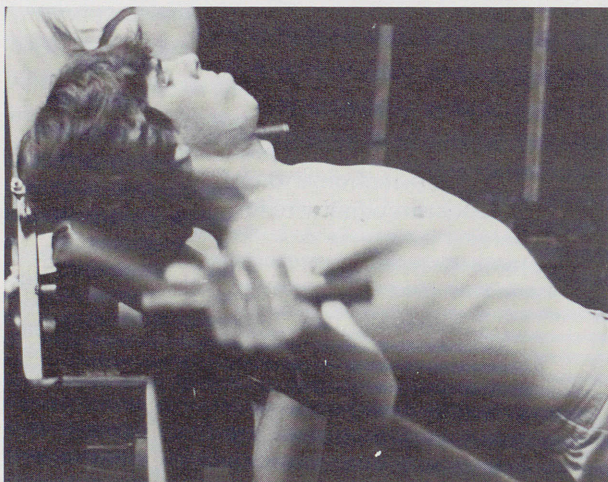

PETER: By helping the individuals from the County Home and the young pre-kindergarten children from the child daycare center. Project Do also assists with the Special Education children.

ROCKY: About how many students are involved in Project Do?

PETER: There are about 35 seniors from SSC currently working with Brother Canisius on Project Do activities. Only seniors are allowed to become involved in this particular extracurricular activity.

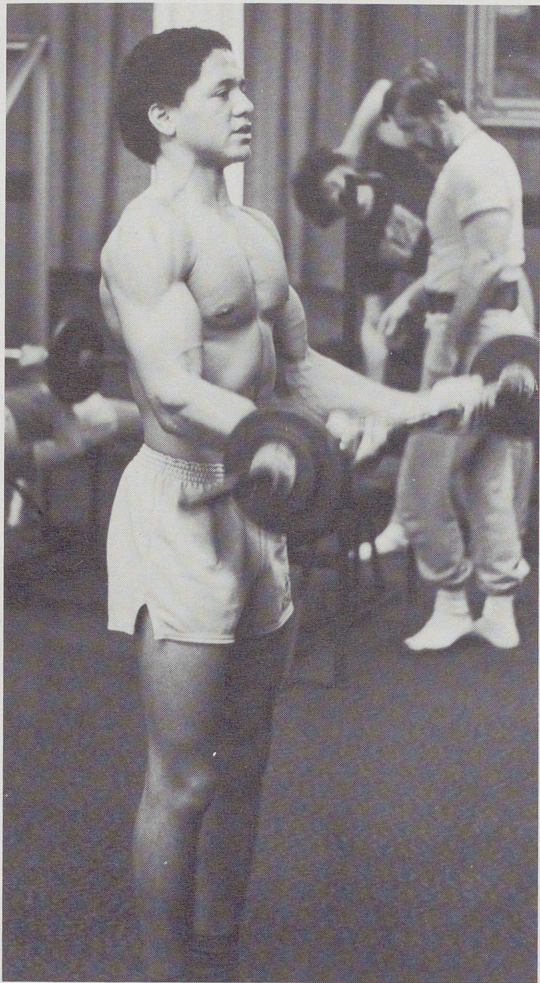

ROCKY: Pete, what do you feel, personally, that the students derive from being involved in Project Do?

PETER: The students receive much experience by working with the young children and the senior citizens. They get a feeling that they have really helped another person by making them feel as if they are still wanted and as if someone really cares about them.

TOP: Geoff Kergosien strains to lift 170 kilos. ABOVE: Doug Trepanier works out on the spider. RIGHT: Harold Heine works out on the military press. OPPOSITE TOP LEFT: Sterling Gallien does his curls. OPPOSITE BOTTOM: Andy Melvin and David Corso observe the State Powerlift Meet. OPPOSITE PAGE INSET: Steve Kidd strains on his leg lifts.

SSCWLC — Power

ROCKY: Brother Bennet, what to you is the most important aspect of weightlifting?

BROTHER BENNET: Rocky, outside the physical gains, muscle gains in size and strength the psychological benefits are noteworthy. Usually, the lifter develops a better self-image.

ROCKY: Do you feel that powerlifting will someday be included as an olympic sport?

BROTHER: Definitely! As soon as the communist countries feel they can outlift the free world countries, powerlifting will be voted into the olympics.

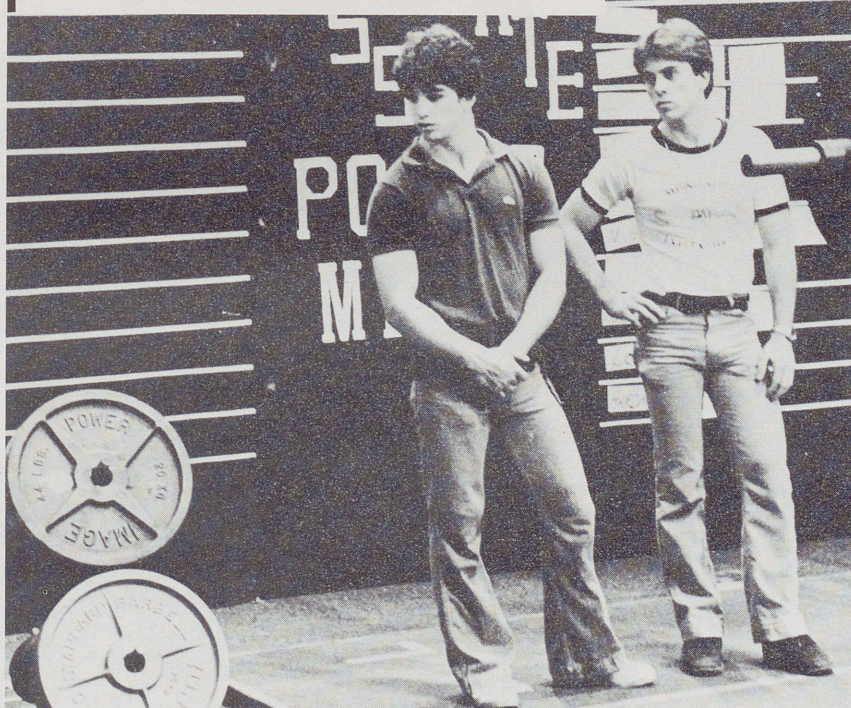

ROCKY: What areas of the SSCWLC would you like to see improved?

BROTHER: The physical equipment in our gym is undoubtedly among the best in the country. What is needed is greater desire and determination to improve (on the part of the individual).

ROCKY: When would you advise someone wanting to lift to start?

BROTHER: A serious lifter should begin around 14 or 15 years of age. With adult supervision one could begin at an earlier age but only to stimulate growth, not to compete.

SQUAT BENCH DEADLIFT

Sidelines Club Fair . . . Success

(ROCKY attends the St. Stanislaus Sidelines Fair, happening upon Brother Phillip.)

ROCKY: Brother Phillip, how old is the SSC Sidelines Fair?

BROTHER PHILLIP: Well, Rocky, it was started back in the mid 50's, so I would say it was at least 30 years or even older.

ROCKY: Why do the Sidelines Club have the Fair?

BROTHER: The main purpose of the Fair is to raise funds for the maintenance and improvement of the Rockachaw Stadium, but it involves so many members with the St. Stanislaus family, that it has evolved into a family get-together.

ROCKY: Are there any plans in the future to expand the fair, perhaps add some rides?

BROTHER: No, not really. If you expand too fast then you can't control it. Why add something new to the Fair each year and test it out. If it works, we keep it. If it doesn't, we drop it. This way we know everything we have at the Fair it enjoyed by the majority of the people attending.

ROCKY: Approximately how many people attend the Fair annually, Brother?

BROTHER: We estimate in the vicinity of between two and three thousand.

ROCKY: Well, Brother, Good Luck with next year's Fair. I think I'll go and try my hand at High-Low.

OPPOSITE TOP: The contestants for Miss Popularity, from left: Shelly Kiehm, escorted by Mark Schultz; Hope Chiniche (Miss Popularity for 1981), escorted by Pat Kergosien; Andrea Loicano, escorted by Mauricio Lozano; Courtney Eagen, escorted by Emeterio Ruiz; Jeannie Boudreaux, escorted by Rony Stefanai. OPPOSITE CENTER: Mike Kearney, Jimmy Klingman, Doug Landry, and Stanley Womack prepare to lose their shirts at HI-LO. OPPOSITE BOTTOM RIGHT: Brother Phillip, S.C., discusses the Fair's progress with one of the Sideline Club members.

BOTTOM THIS PAGE ACROSS: John Tighe, one of those 'Bama boys, decides to try his hand at crawfish. Scott Smith will assist. 1. "Are those things cooked?" 2. "This looks like a bug!" 3. "I can't believe I'm eating a bug!"

OPPOSITE BOTTOM: 1980-81 Senior High cheerleaders pose at a Saints game. From Left to Right: Ben Benvenuti, Ann Moran, Andrew Scafidi, Linné Cabell, Jeff Kergosien, Cynthia Morse, Ricky Hessler, Hope Chiniche, Peter Gargulio, Carrie Comeaux. OPPOSITE TOP: The Jr. High cheerleaders were Donna Palmisano, Connaly Compretta, Laurie Martinolich, Melissa Kersanac, Kristy Gleber, Nancy Gex, Jeane Boudreaux, Bobbie Alberes. TOP: The "Pick-me-up" pick up. BOTTOM RIGHT: "Midnight Madness." BOTTOM LEFT: Brother Aquin and the cheerleaders take a break from practice to discuss the upcoming trip to the Superdome.

Cheer-Leaders

ROCKY, on his sojourn around campus, happens upon Peter Gargulio, Senior Cheerleader:
 ROCKY: Pete, what do you enjoy most about being a cheerleader?

PETE: I enjoyed going to the football and basketball games, seeing and having a good time with all of my friends, as well as having a lot of fun with the other cheerleaders and cheering the team on to a victory or even to a loss.

ROCKY: How important do you feel your contribution is in sports?

PETE: I feel a cheerleader's part in sports is very important. The cheerleaders play an important role in starting cheers with the fans in order to give the Rocks team the full support it deserves. A cheerleader's job is to make a crowd of 500 sound like a crowd of 1000.

ROCKY: If you could sum up your experience as a cheerleader in one sentence, what would you say?

PETE: Cheerleading is a very challenging and exacting sport which allows the cheerleaders to meet all of his friends at games and a chance to meet a lot of people he hasn't already met.

Boy Scouts

(ROCKY visits with the Boy Scout Troop #86)

ROCKY: Brother Dwight, (Scoutmaster), there would appear to be more boys here than last year.

BROTHER DWIGHT: Yes, Rocky, we've doubled in size since we were chartered in 1979. We now have 40 young men in our Troop.

ROCKY: You must have a lot of activities to have so many involved.

BROTHER: Well, yes, we do. This year alone we've been on several hikes, and then there was the Fall Camporee, where, by the way, we received high honors.

ROCKY: What about camping trips, Brother?

BROTHER: All of our hikes were weekend camping trips and at Easter Break we were in the Smokey Mountains for a week camping.

ROCKY: Wow! Sounds great! Brother, I know the Scouts have numerous awards for service projects: Any of our troops receive any this year?

BROTHER: Yes, several. Ed Friloux conducted a Walk-a-Thon for Muscular Dystrophy as his Eagle Project, earning over \$500; Joey Rieth, Mike Kearney, Nathan Champagne and Brother Timothy were selected as candidates for membership in the Order of the Arrow, which is an award for outstanding scouts.

ROCKY: Brother, any future plans?

BROTHER: Right now we're looking forward to our week at Salmen Scout Reservation this summer. It should be a great week for advancement and a lot of fun!

ROCKY: That sounds great, also. Well, good luck and good scouting.

Rockachaw Band . . . Good Sound

ROCKY: Mr. Williams, what would you say was the highlight of the band year?

MR. WILLIAMS: I would say the Picayune Band Festival. The Band showed very promising results. The color guard and Drum Section received Superior ratings.

ROCKY: What other goals has the band accomplished this year?

MR. WILLIAMS: Well, we held two concerts, obtained many Superior ratings at the State Solo and Ensemble contest.

ROCKY: To what do you attribute the success of this band year?

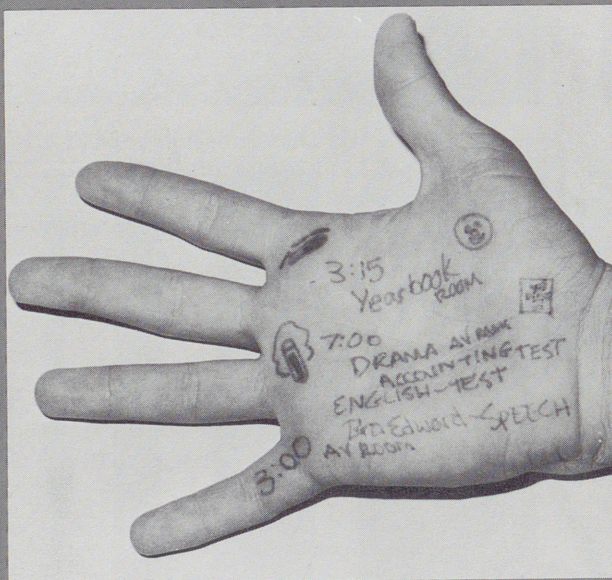

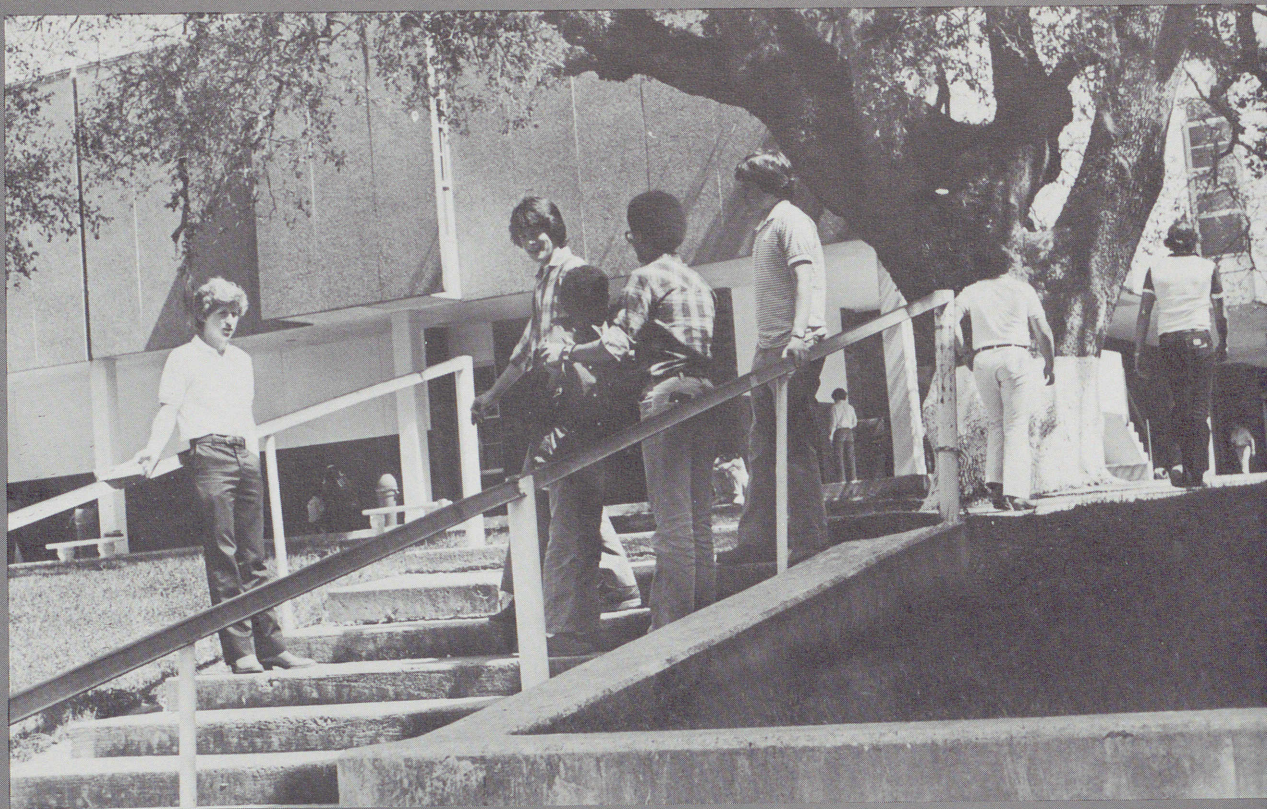

MR. WILLIAMS: The excellent jobs done by our Drum Major Virginia McMillian, our Flag Captain Stacie Hille, and Rifle Captain Daphnee Glendmeyer, and Fred Ulmer, the Drum Section Leader. Oh, and Flute Section Leader and Student Conductor Ken France. The job performed by the percussion ensemble and the percussion duet at the State Solo and Ensemble was great also.

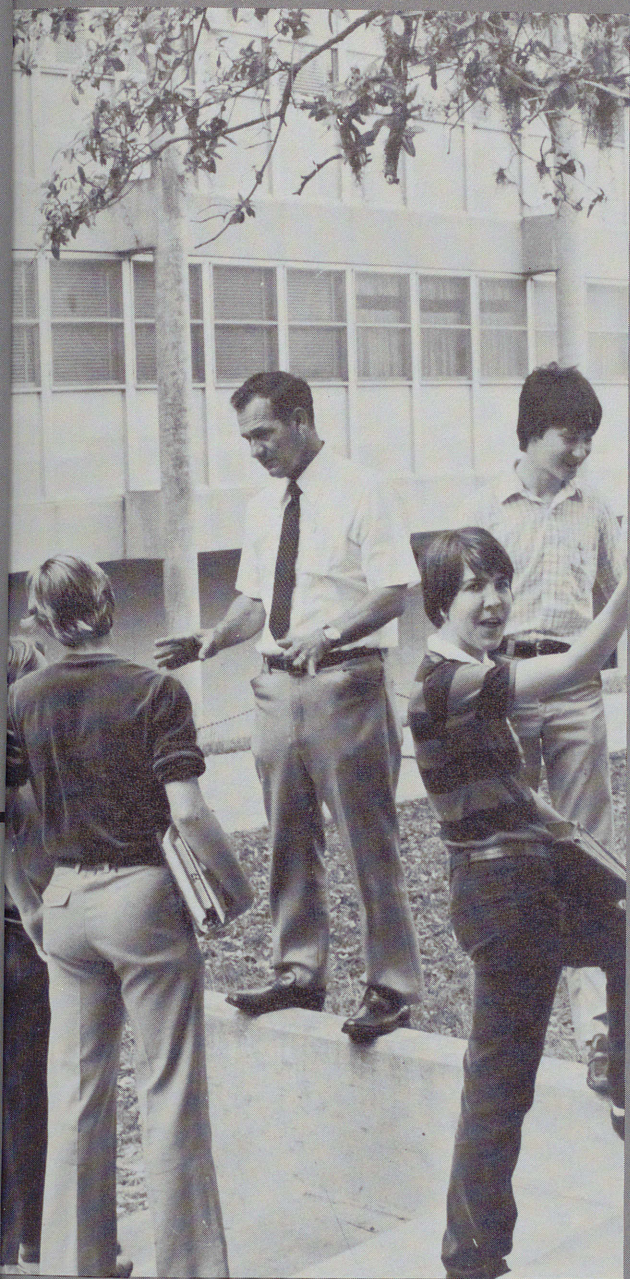

ROCKY: What can we expect in the future, Mr. Williams?

MR. WILLIAMS: Next year we all hope for Superior ratings at the State Band fest and Picayune Band Fest. And a good job from our new Seniors!

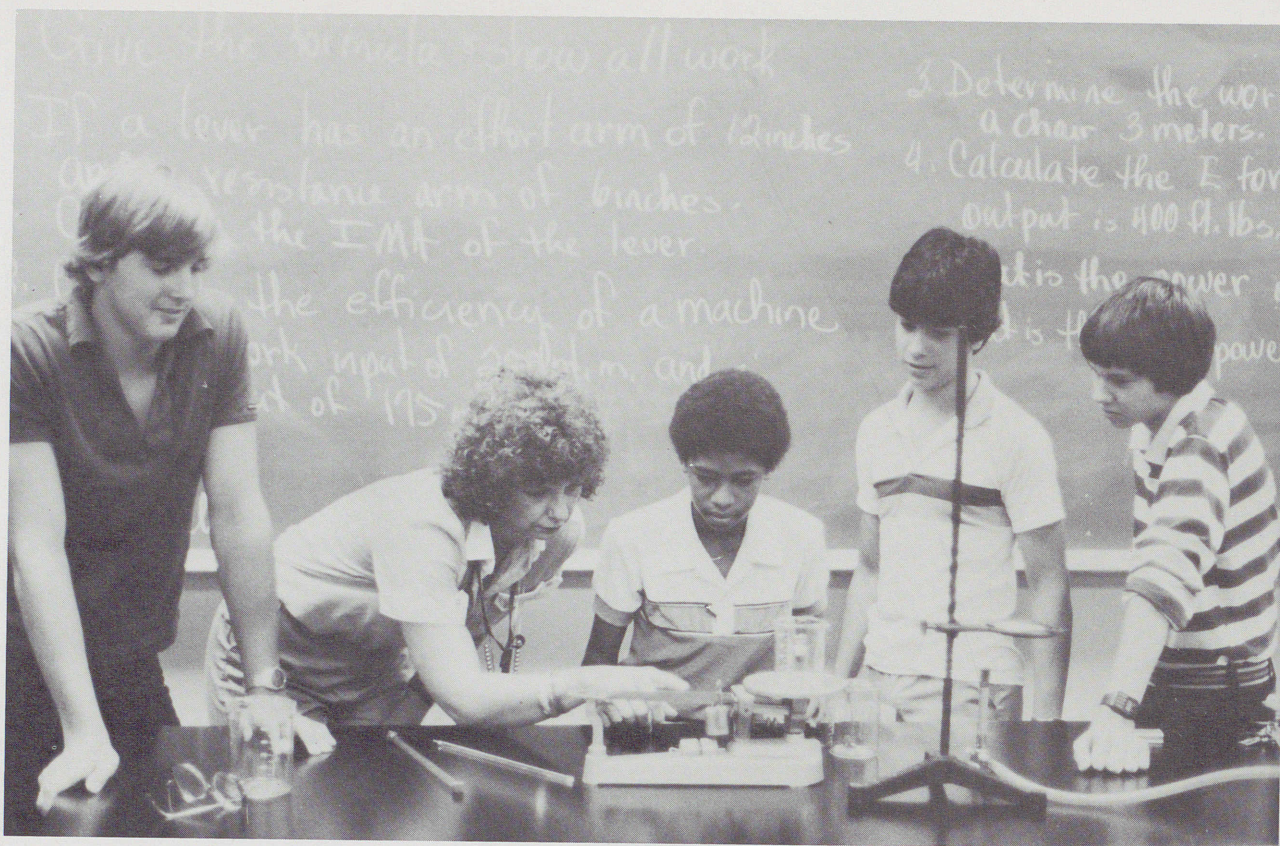

OPPOSITE TOP: Jacob White, Val Doucet, Tony Bowman, Emeterio Ruiz, and Steve Miller relax after lunch. OPPOSITE BOTTOM LEFT: "Notebook" of the 80's. OPPOSITE BOTTOM RIGHT: Reading is necessary to achievement, as shown here by Kris Kiefer. LEFT: Coach Pitalo lists the finer points in a discussion with Mark Rehak, John Ziegeler, and friends. BELOW LEFT: Charlie Richards would appear to be very interested in Pat Kergosien's book. BELOW RIGHT: Brother Eduardo discusses computer terms with Joe Cini.

ACADEMICS

SCIENCE

ROCKY: Coach Engel, what do you feel is the most important aspect of Science?

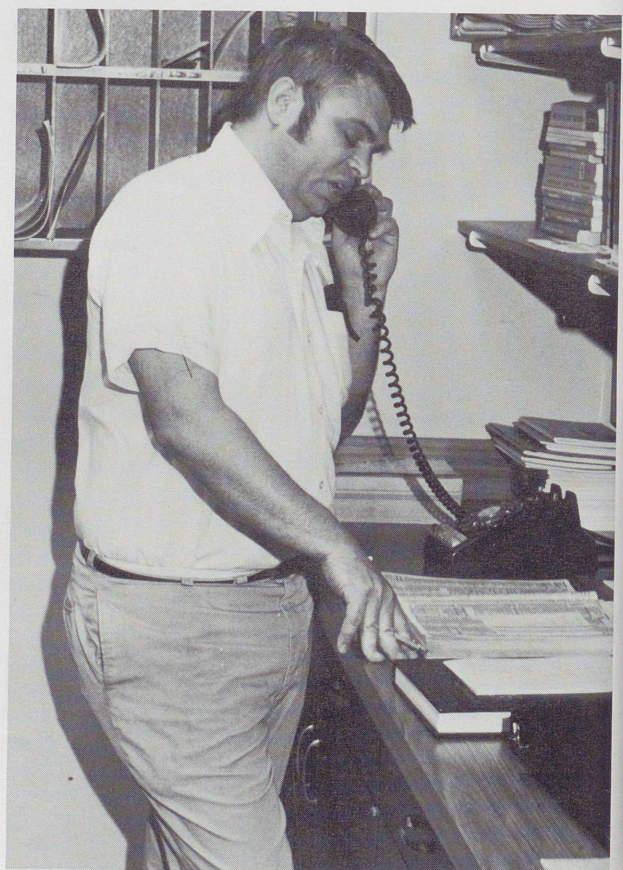

COACH RON ENGEL: I feel the most important aspect of my area of teaching is giving the students some knowledge of the dynamics of the living world about them and a structure or guide on how to get the most of their Biological Studies.

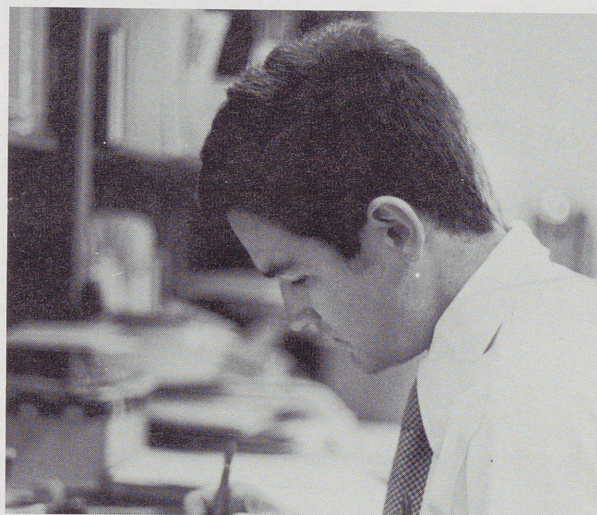

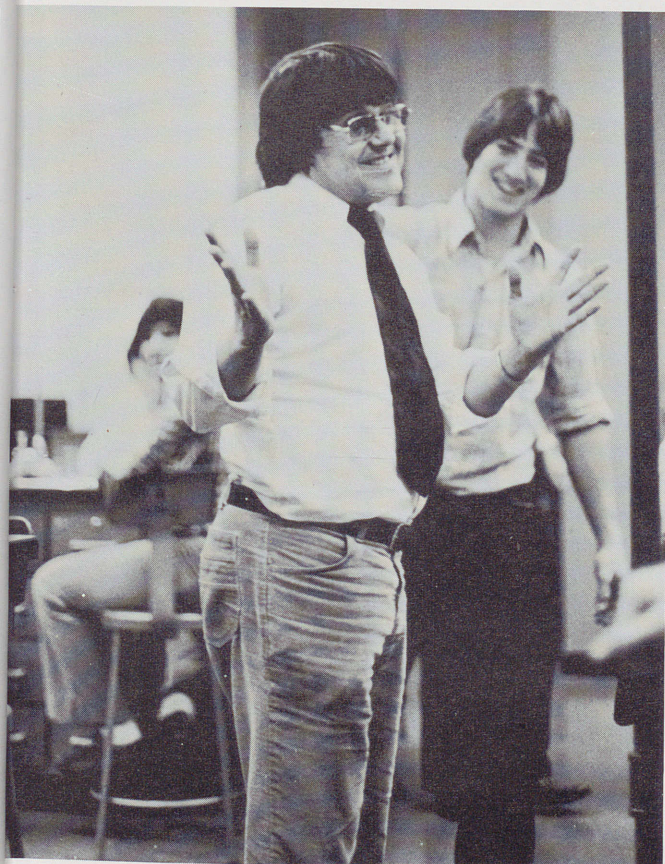

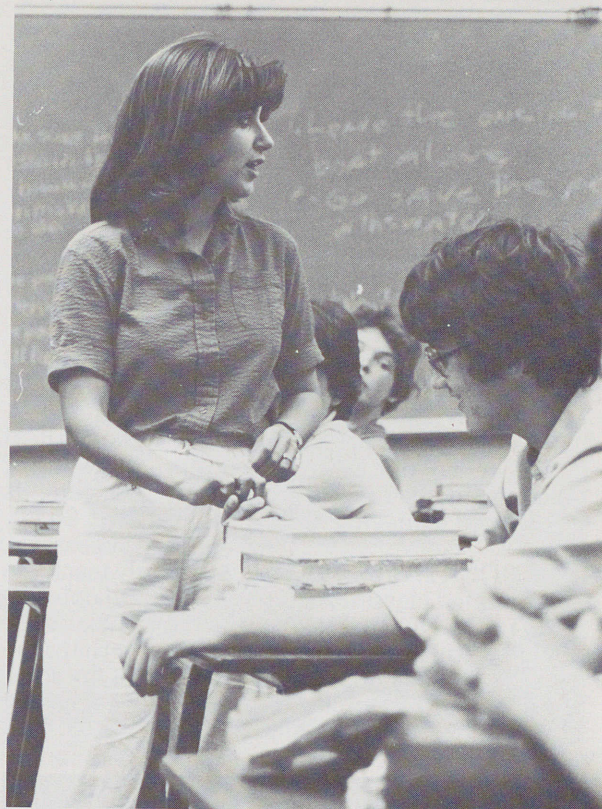

ROCKY: Do you feel that we are meeting the needs of the majority of our students?

COACH ENGEL: I cannot answer for all teachers, however, in general, the education at SSC is probably one of the best in the South because of the individualized instruction each student receives.

ROCKY: What do you, Coach Engel, think could be done to improve your particular department of study?

COACH ENGEL: In order to improve Biology, I feel we could make the classes smaller. Thirty-five students in a lab situation is too many. Ideally, I would like to have no more than 25 in a lab situation.

OPPOSITE TOP: Mrs. Kathy Pair (Science, English), demonstrates the use of a balance scale to Milton Bryant, Steve Miller, Emilio Marino, and Breezy Letellier. OPPOSITE BOTTOM: Brother Malcolm Melcher, S.C., (Religion, Chemistry, Math, Oceanography) discusses his upcoming transfer to McGill-Toolen in Mobile over the phone. TOP LEFT: Mr. James Thriffiley (Religion, Physics, Math, Guidance). TOP RIGHT: Ms. Julie Martinolich, Student Teacher. LEFT: Coach Ron Engel (Religion, Biology, Soccer, Student Council Advisor) replays in his usual manner. ABOVE: Brother Ed Sauter, S.C., (Earth Science, Math).

MATH

ROCKY: Mr. Jennings, Mathematics here at SSC receives a lot of attention, Why?

MR. WILLIAM JENNINGS: Well, Rocky, St. Stanislaus is primarily a college preparatory school and we feel that a strong basic understanding of mathematics is necessary to prepare our students toward achieving the goals they desire. So far, we've been successful.

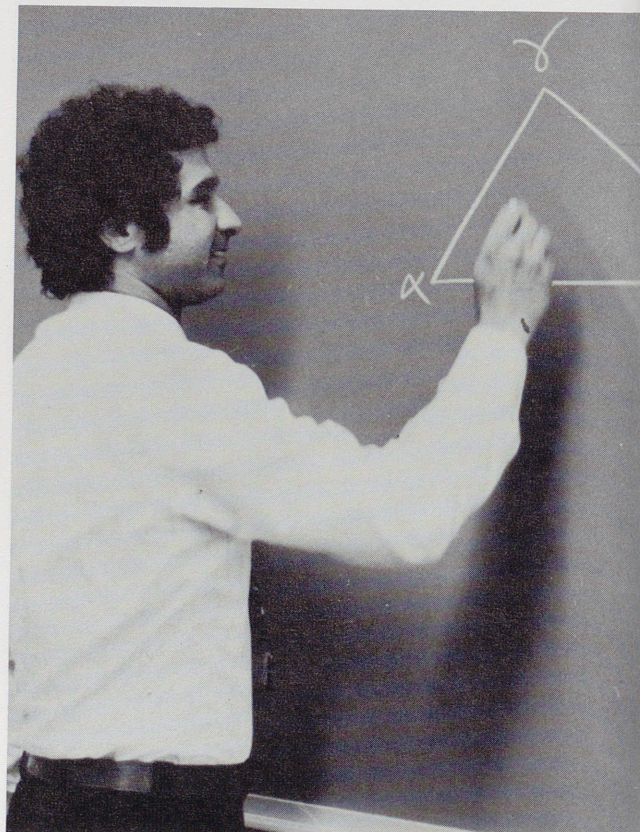

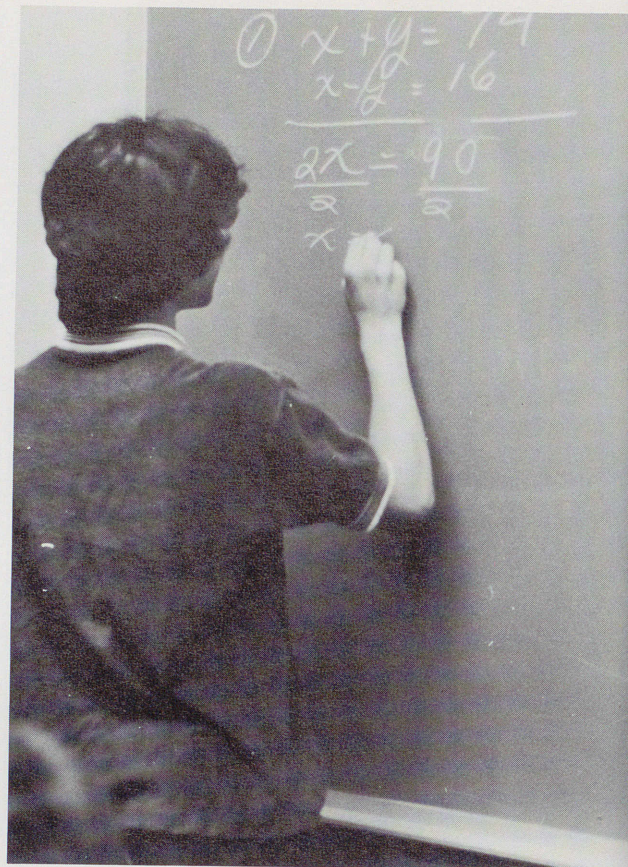

ROCKY: Brother Noel, you mainly teach the accelerated classes. Are you of the same opinion.

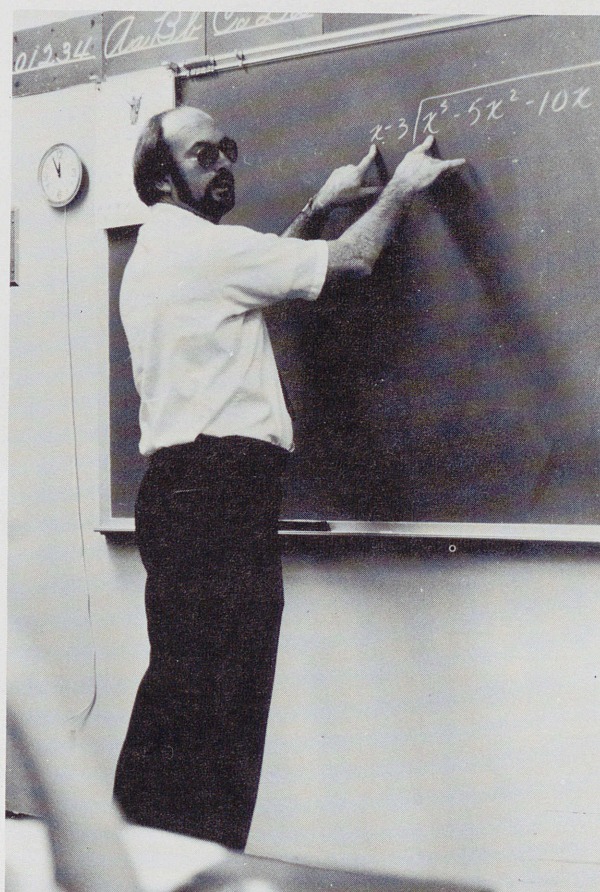

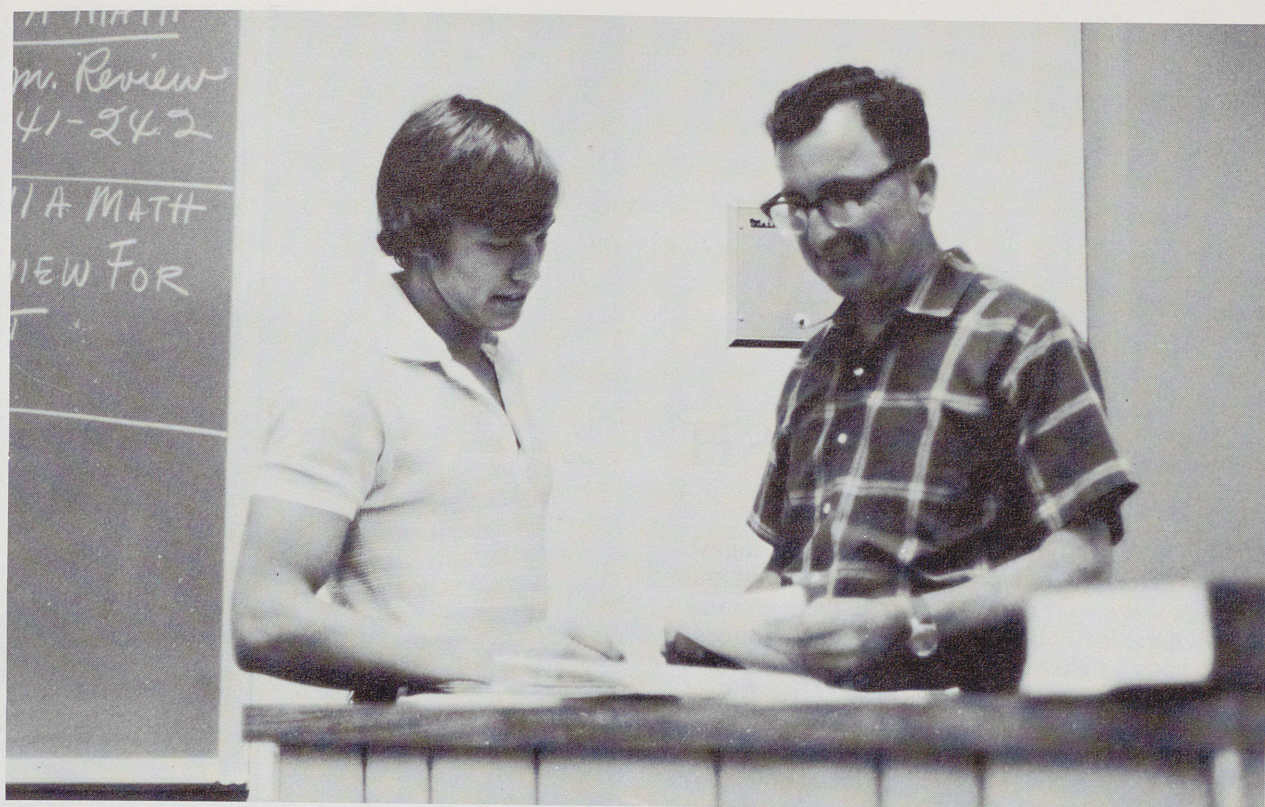

BROTHER NOEL: For the most part, Rocky, but I would like to add that our students are perhaps the best math students, overall, in the state.

ROCKY: It would certainly appear so.

OPPOSITE TOP: Brother Noel, S.C., (Religion, Math, Aviation) shows Pat Kergosien insight into a math problem. OPPOSITE BOTTOM LEFT: Brother Anton, S.C., (Religion, Math, History) discusses the complexity of Algebra II. OPPOSITE BOTTOM RIGHT: Mr. William Jennings (Math, Yearbook Advisor, LWAS) explains an Algebra problem to the Freshman class. TOP: Arthur George Kleinschmidt, the Third, attempts to unravel the mysteries of Algebra I. ABOVE: Brother Leon, S.C., (Math, Science, History, Religion) discusses basic math with the Sixth Grade. RIGHT: Coach Mike Gemelli (Math, Football, P. E.) covers a geometric problem.

ENGLISH

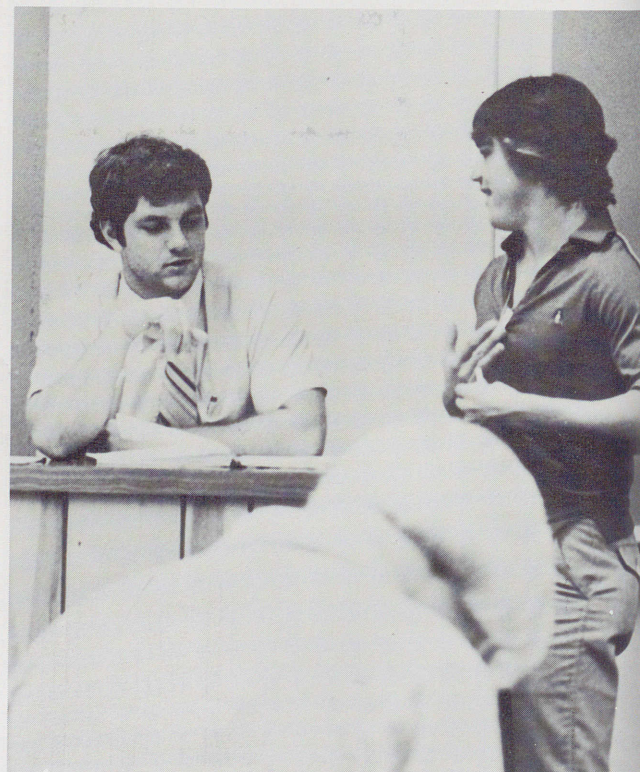

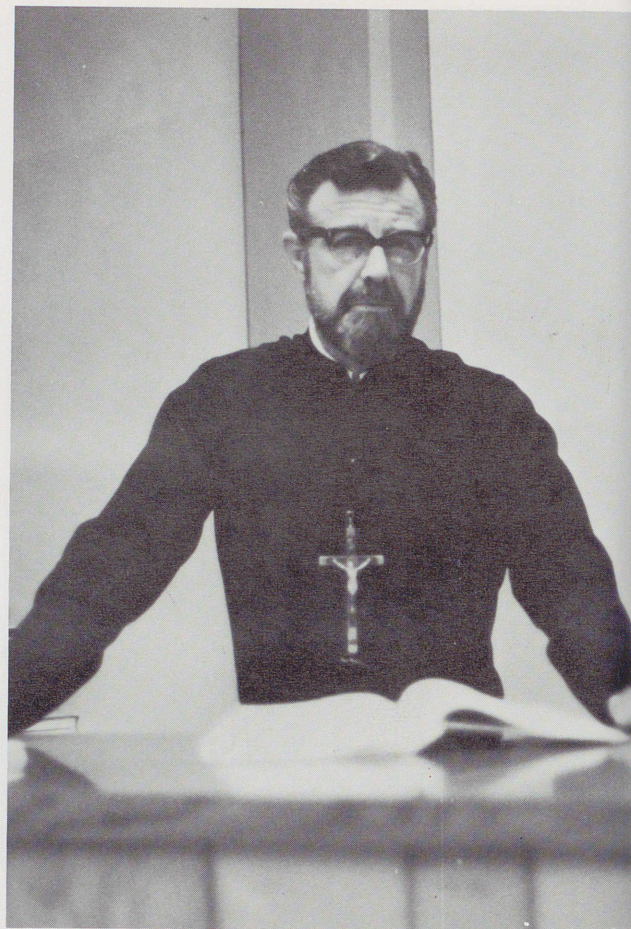

ROCKY: Brother Bennet, as the Senior English instructor, what do you feel is the strongest and weakest points of our English program?

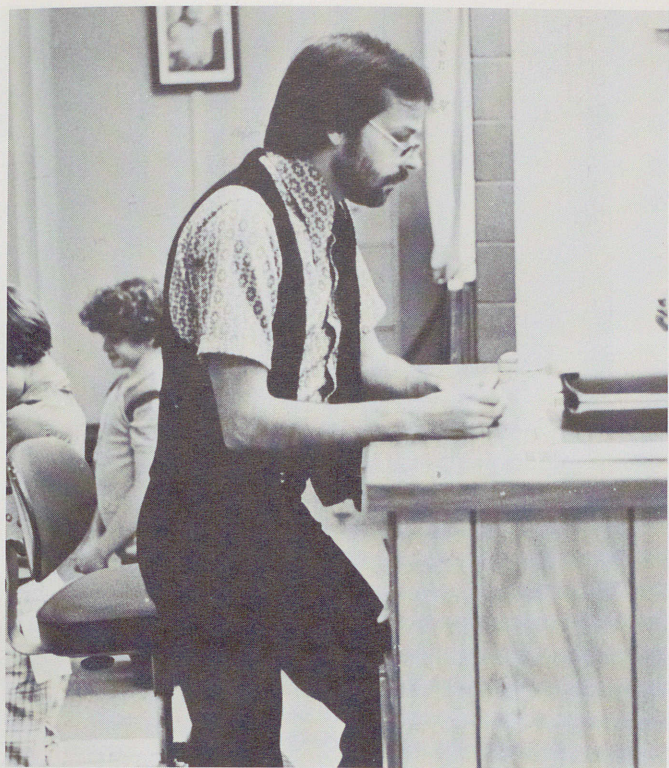

BROTHER BENNET: A good understanding of basic English usage, sentence structure, and analysis are our strong points as well as a good literature program. Our weakest area seems to be in composition.

ROCKY: Mr. Griffon, how about you?

MR. DAN GRIFFON: Well, I agree with Brother Bennet. However, I think some improvement is needed in our spelling program.

ROCKY: Well, from what I can see, even without improvement, we're still ahead of the crowd.

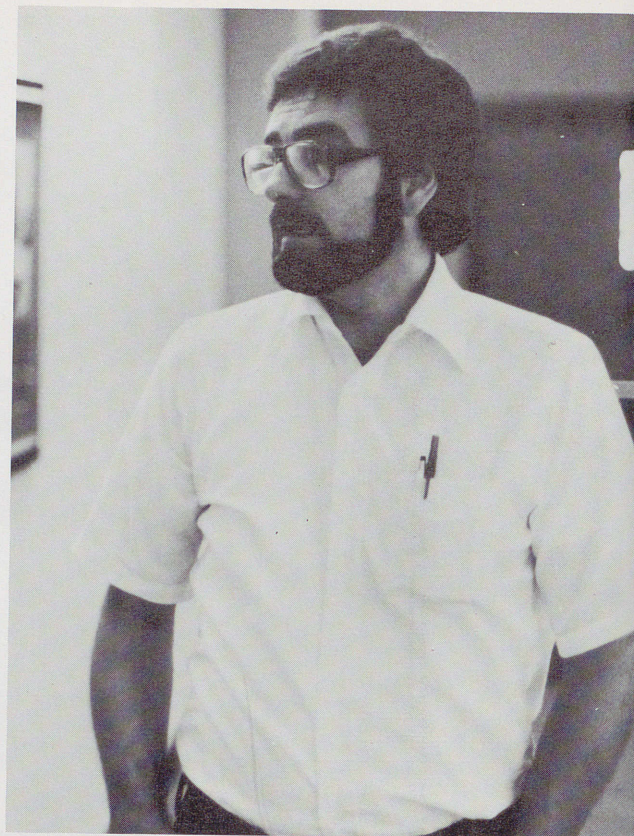

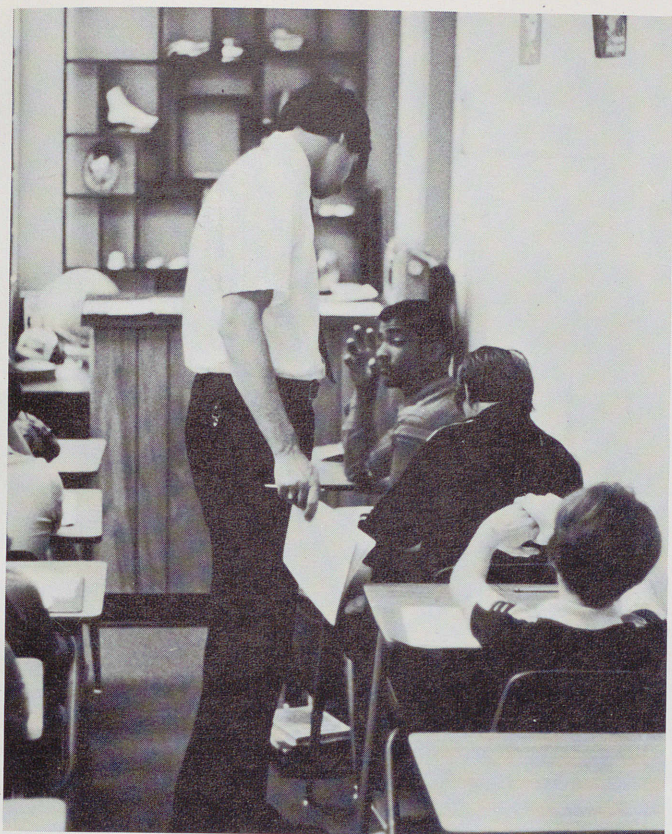

OPPOSITE TOP: Brother Bennet Bishop, S.C., (Religion, Senior English, SSCWLC Advisor). OPPOSITE BOTTOM LEFT: Mr. Dan Griffon (Religion and English, Drama Coach). OPPOSITE BOTTOM RIGHT: Coach Steve North (English, Head Basketball Coach). LEFT: Brother Walt Peklo, SVD, (English). BELOW: Mrs. Linda Reed (English, Foreign Languages).

OPPOSITE TOP: Brother Dwight, S.C., (Religion, History).
 OPPOSITE BOTTOM LEFT: Brother Albert Ledet, S.C.,
 (Religion, English). RIGHT: Brother Ray Kuhn, S.C., (Religion
 Department Chairman, Sophomore Prefect). BOTTOM LEFT:
 Brother Doug, SVD, (Religion). BOTTOM RIGHT: Mr. Buddy
 Pitalo (Religion, Driver's Education, Mechanical Drawing).

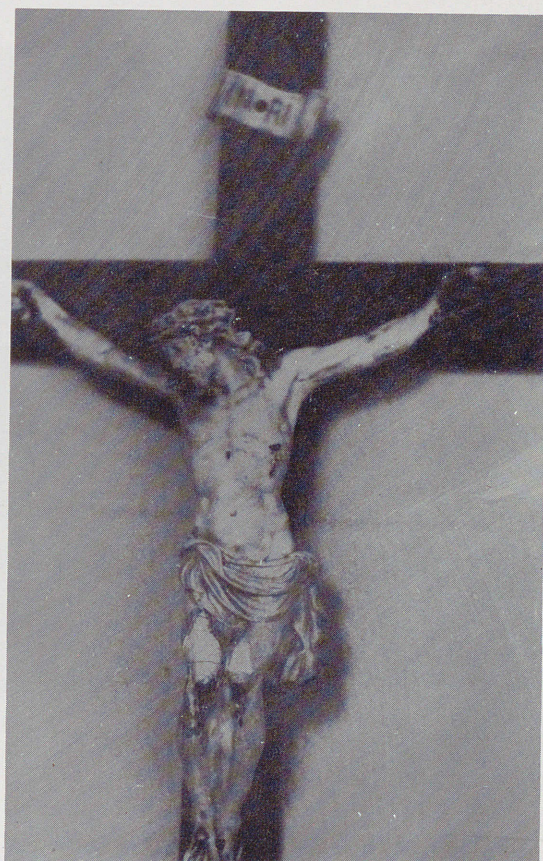

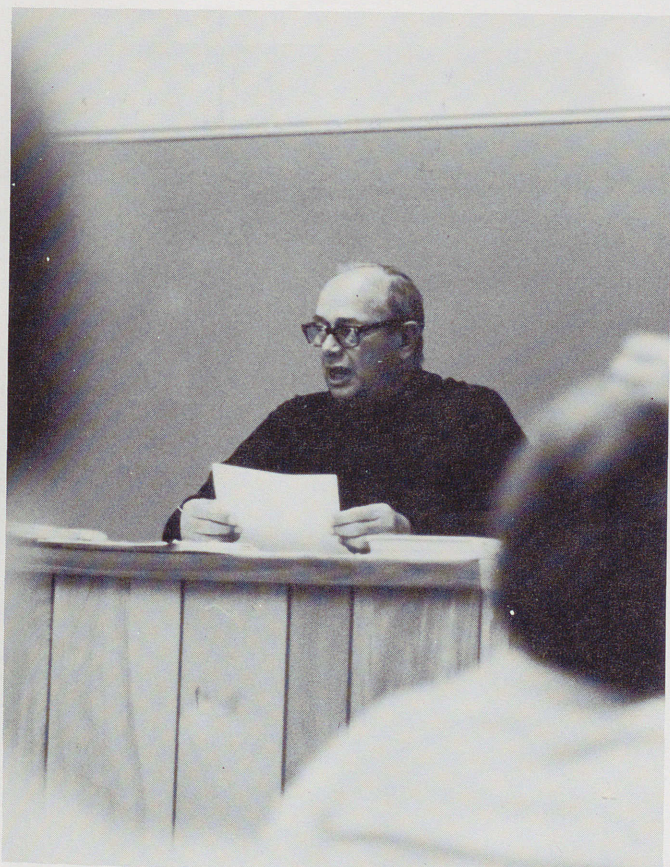

RELIGION

ROCKY, ASIDE: Religion at St. Stanislaus is not a taught subject, but a subject which is lived, day in and day out. Though the students attend Religion class, their lessons are derived through the examples set by the Brothers of the Sacred Heart. Through their guidance and example, the Brothers lead the students here at SSC through a life course in the Humanities. It is refreshing indeed, in today's world, to find such men of dedication. Brother Ray, I realize that many new concepts have been included in the Religion curriculum recently. Can we expect any new changes?

BROTHER RAY: We've begun with teacher and student evaluation/testing to locate areas of improvement. A comprehensive syllabus is being reworked. Academically, we are on good ground. Next year we should be able to incorporate a more developed liturgy — sacramental — and apostolic/prayer facet of the religious program at SSC.

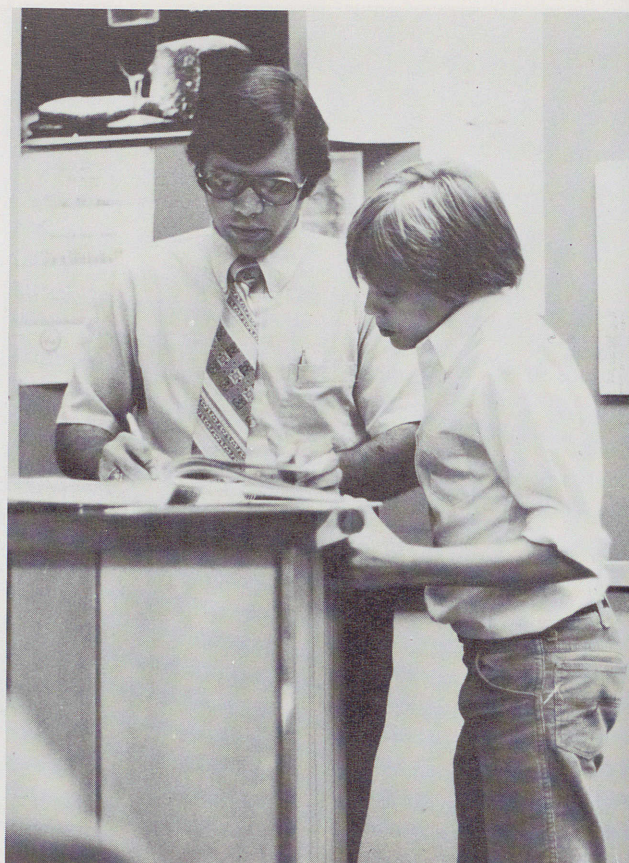

HISTORY

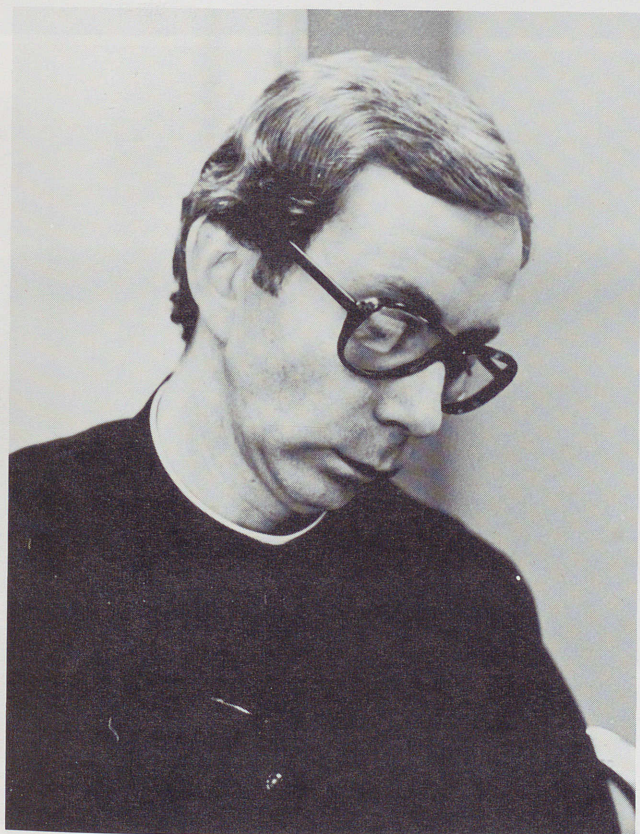

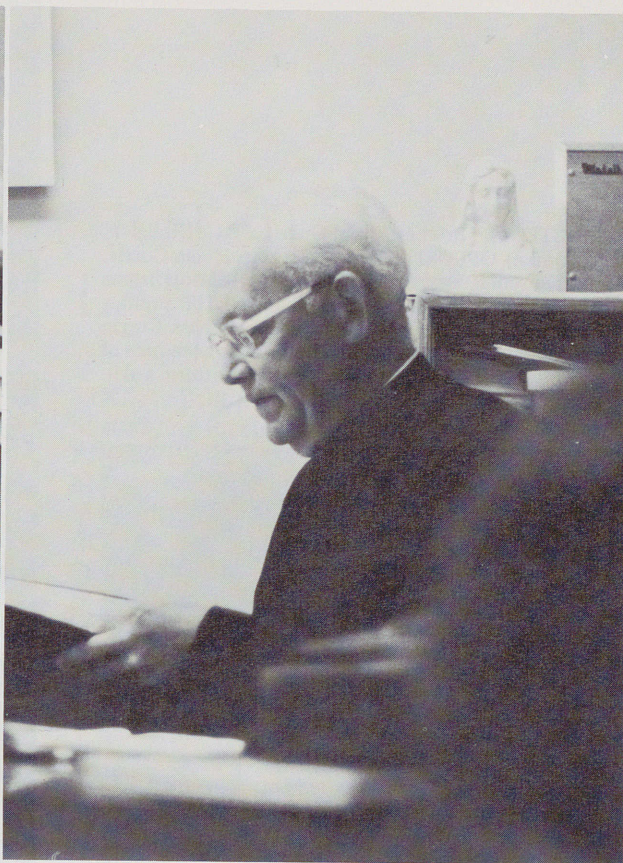

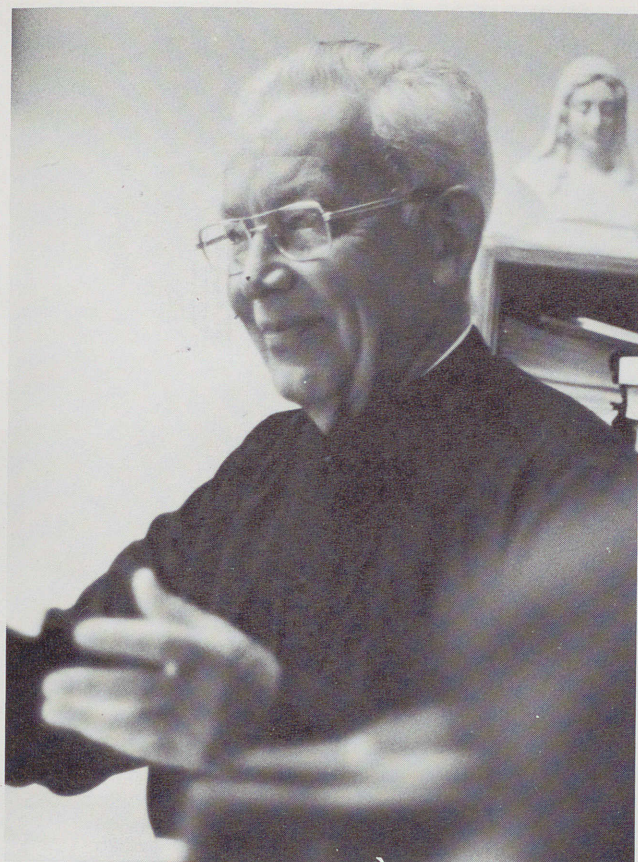

ROCKY: Brother Michael, why is History a required subject?

BROTHER MICHAEL: A wise man once said, "the man who doesn't study history, is doomed to repeat same." This, to me, is the most important aspect of History. We learn from our mistakes, in any area, even Math. By studying History, we learn what mistakes were made in the past, in hope that we will not make them again.

ROCKY: Brother Mitchell, why is it necessary to study Mississippi History and Civics?

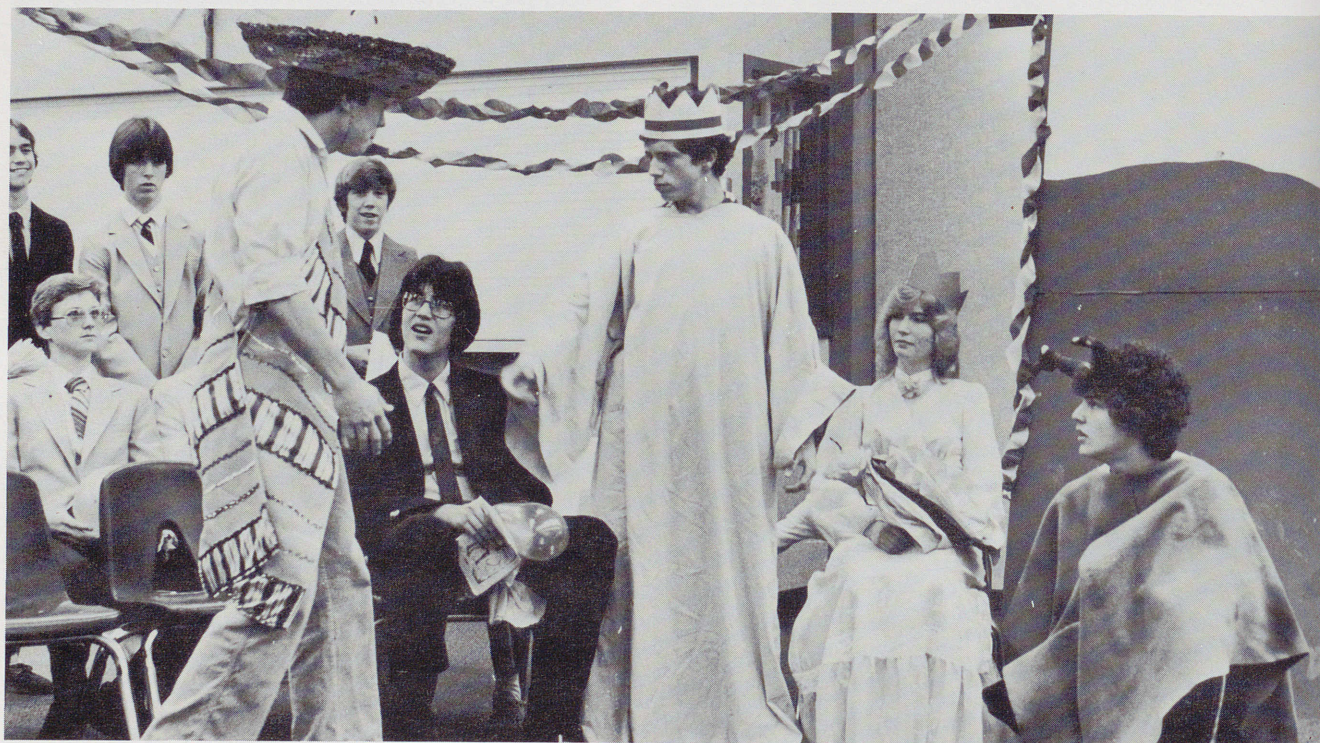

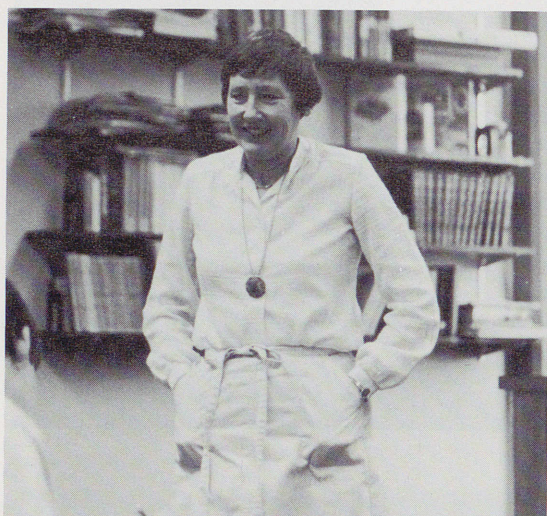

BROTHER MITCH: Well, Civics is quite obviously studied in order to keep abreast of the current events occurring in our lives. Mississippi History is required by State law. Each state requires that the State's History be studied. Even though a large portion of our student population is from Louisiana, they are required by Mississippi Law to study Mississippi History.

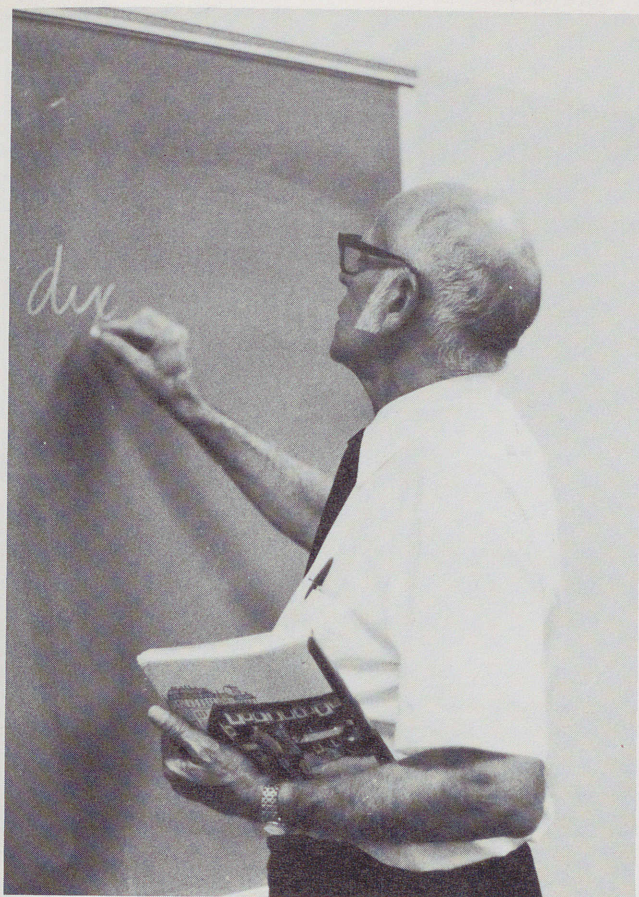

OPPOSITE TOP: Brother Mitchell Israel, S.C., (Religion, Social Studies) assists Steve Harrison with a historical problem. OPPOSITE BOTTOM LEFT: Coach Truman Schultz (P.E., Social Studies) works on one of his many study sheets. OPPOSITE BOTTOM RIGHT: Brother William Liembach, S.C., (Religion, Social Studies) enjoys the challenge of teaching Senior Government. TOP: Brother Loyola, S.C., (Religion, Social Studies) is a study himself. LEFT: Brother Michael Vidrine, S.C., (Religion, English, Social Studies), "the Eighth Grade" teacher.

OPPOSITE TOP: Brother Albert Guarino, S.C., (Religion, French). OPPOSITE BOTTOM: Mrs. Helen Currie, (Spanish, French, Spanish Honor Society Advisor) listens to a language tape in the Language Lab. RIGHT: Brother Eduardo, S.C., (Spanish, Prefect) BELOW: Mrs. Currie expresses her delight in teaching. BOTTOM: Members of the Spanish Honor Society perform a skit.

LANGUAGES . . .

ROCKY: Brother Eduardo, what is the purpose of studying foreign languages?

BROTHER EDUARDO: To expand the students' horizon by teaching them basic communication in another language.

ROCKY: How does this benefit the students at St. Stanislaus?

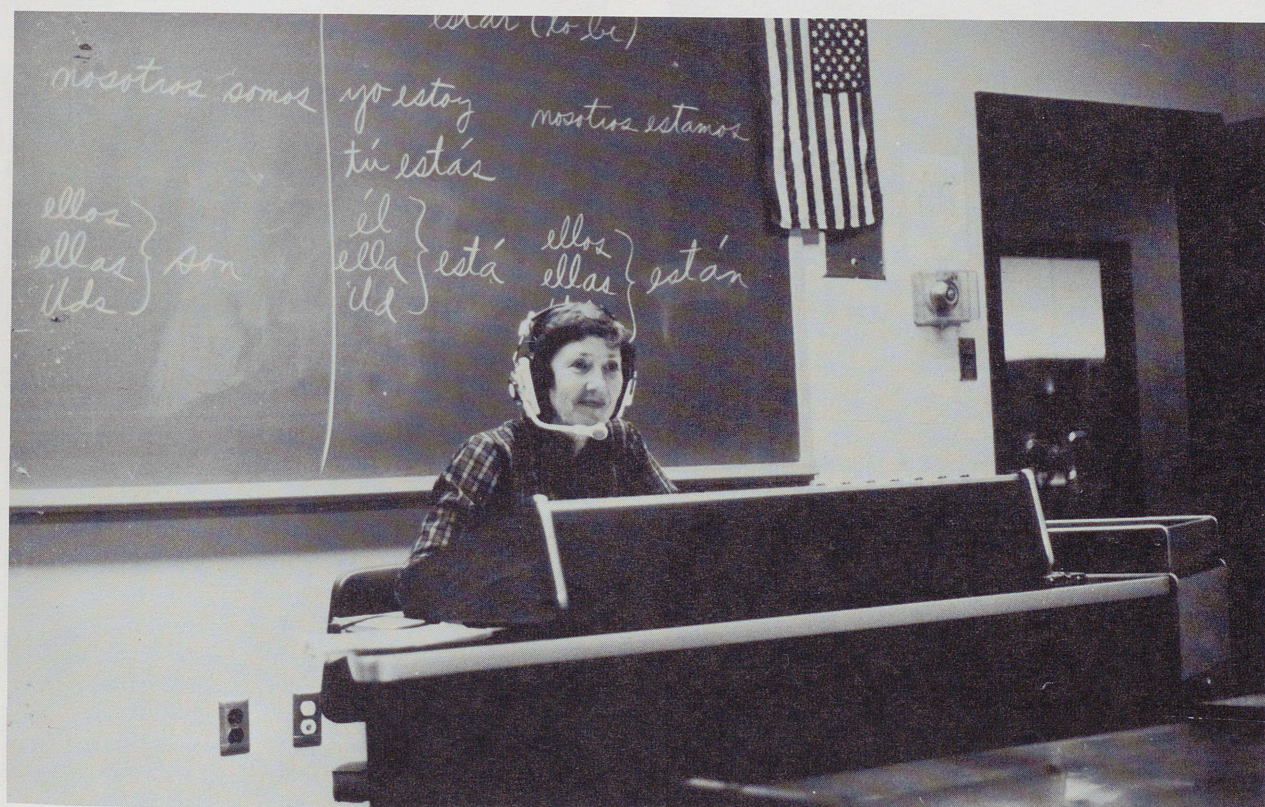

BROTHER: The benefits are two-fold: first, laying a foundation for future study in the language; second, to broaden the students' understanding of the world.

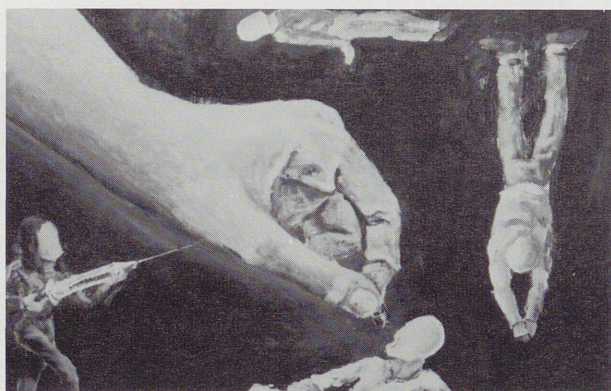

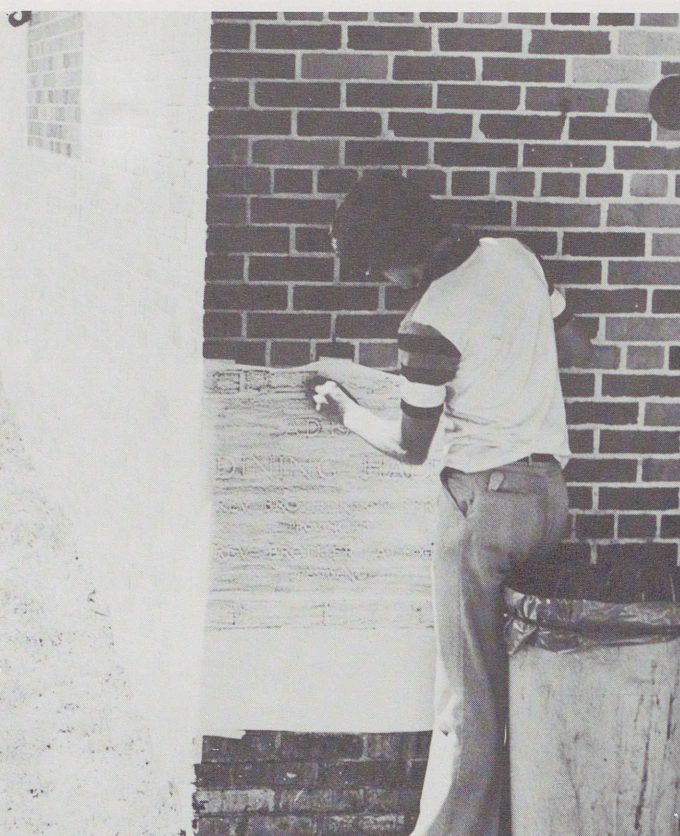

ROCKY: Does this benefit in their understanding of other cultures also?

BROTHER: Yes, I would say so.

ROCKY: So you think that the achievements obtained here at SSC in the Language Department are worthwhile the efforts?

BROTHER: Yes, definitely.

ART

ROCKY: Brother Timothy, what are the different activities covered by the Art class?

BROTHER TIMOTHY: Rocky, we have several. We, of course, have basic photography, metal etched prints, stencil prints, batik dye prints, pencil rubbings and naturally drawing and design.

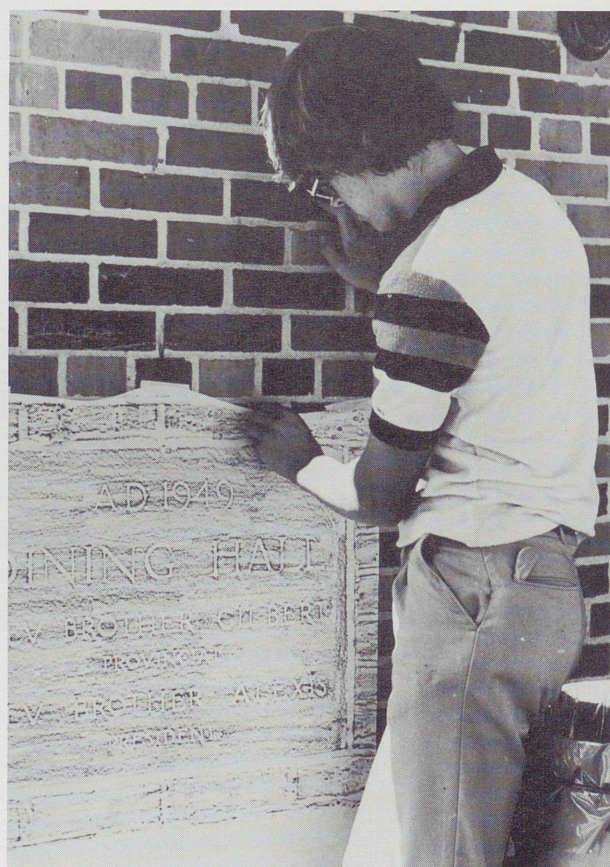

ROCKY: Whew! That sounds like enough to keep you busy all year. What about field trips?

BROTHER: We've taken several in the past years. One to Houston for an exhibit and to Sarasota, Florida. Next year, we hope to include several more.

ROCKY: Any other plans for next year?

BROTHER: Yes, I'd really like to attempt a lost-wax process for sculpture.

ROCKY: Sounds great.

BUSINESS

(ROCKY, making the rounds through the classrooms, comes across the Business Room)

ROCKY: Hello, Mrs. Kersanac, how's business?

MRS. KERSANAC: Just fine, Rocky.

ROCKY: Mrs. Kersanac, why do we have a business department here at St. Stanislaus? I mean, most of our graduates go on to college anyway. How does this department assist them with their goals?

MRS. KERSANAC: Well, let's just take one particular area, typing. This one course prepares students for typing reports, job applications, letters, all of which they will use in college. If any student plans to major in Business Admin. in college then they will certainly make use of our Accounting course. And even if they don't major in Business, it comes in handy for personal accounting.

ROCKY: Do you feel that we meet the needs of the majority of the students here at SSC in your department?

MRS. KERSANAC: Yes!

ROCKY: What improvements are you planning?

MRS. KERSANAC: We are in the process of updating the typewriters, which is the area which needed improvement.

ROCKY: Well, it sounds as if you have your accounts in balance, so we'll be seeing you.

OPPOSITE TOP: Brother Timothy records a rubbing process for posterity. OPPOSITE BOTTOM LEFT: An original painting by student Warren Keating. OPPOSITE BOTTOM RIGHT: Paul Thiboudeaux demonstrates his technique. TOP: Mrs. Kersanac with Senior Ben Benvenuti. BOTTOM LEFT: Nock Lemeunier is the recipient of the "Kersanac Look."  ABOVE: Brother Cyr, S.C., watches intently during a concert
 practice session. RIGHT: Mr. Davis Williams, Band Director.

MUSIC

ROCKY: Virginia, what was it like to direct the band for the first time?

VIRGINIA McMILLIAN: The first time I conducted the band was during a parade. I was slightly petrified. I just knew I was going to do something dumb like fall or start the wrong song. As it ended up my braid got caught in the whistle and I couldn't loosen it. The band thought it was quite funny.

ROCKY: What was the highlight of your career as SSC Drum Major?

VIRGINIA: The biggest moment I had was the last senior show. Not only had we written and designed it, but we all knew that after five years it would be the last halftime show we'd do at SSC. We had a lot of fun, but it hit us hard.

ROCKY: What are your future plans? Do they include music?

VIRGINIA: I plan to go to the University of Mississippi. I'm accepting a band scholarship, but will be studying pre-med. But wherever I go I will always keep in touch with my music.

READING

ROCKY: Mrs. Estrade, how does the Reading Department benefit the students here at SSC?

MRS. SUSAN ESTRADE: By taking classes in the Reading Lab, students have an opportunity to: one, develop their skills in six areas of reading; two, enjoy selecting, reading and reporting on a wide variety of paperbacks sold in the Lab; and third, be introduced to topics new and interesting to them by means of filmstrips and read-along stories.

ROCKY: Whew! What improvements have been initiated in the Reading Department?

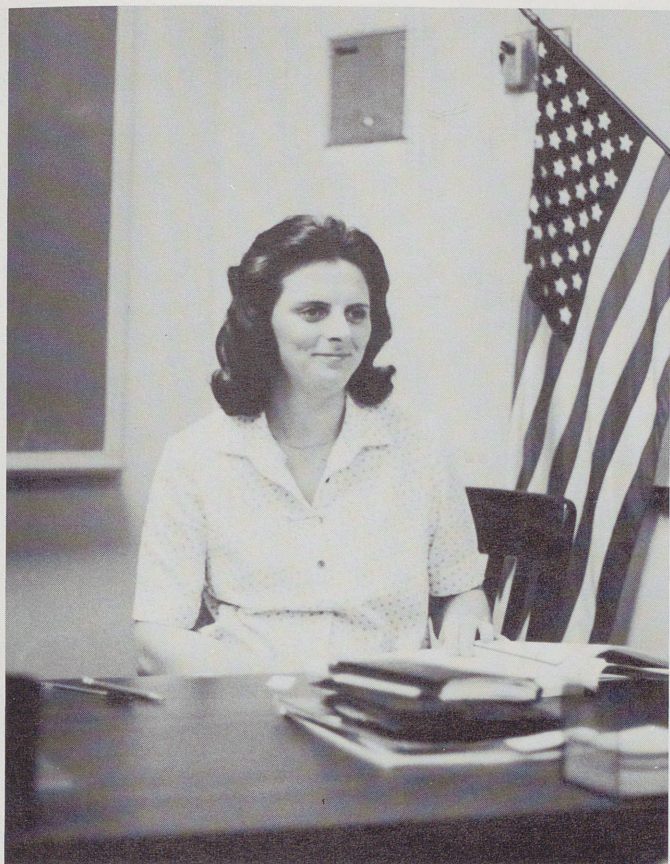

MRS. ESTRADE: The Reading Department improves each year by adding new materials to the Reading Lab classes, getting ideas from the reading students concerning the types of reading materials and paperbacks they enjoy reading, and by having the Reading teachers keep up to date on the latest reading techniques and materials.

ROCKY: Do you think that our students are progressing faster than students in other schools?

MRS. ESTRADE: We don't compare our Reading Lab students with reading students at other schools. Instead, we encourage each reading student at St.

Stanislaus to compare his personal reading improvement on a daily basis and from the beginning to the end of each school year.

OPPOSITE TOP LEFT: Mrs. Beth Benvenuti (Reading).
OPPOSITE TOP RIGHT: Mrs. Jeannie Ryan (Religion,

Estrade appears to be very composed prior to her
departure.

Parting is such sweet sorrow . . .

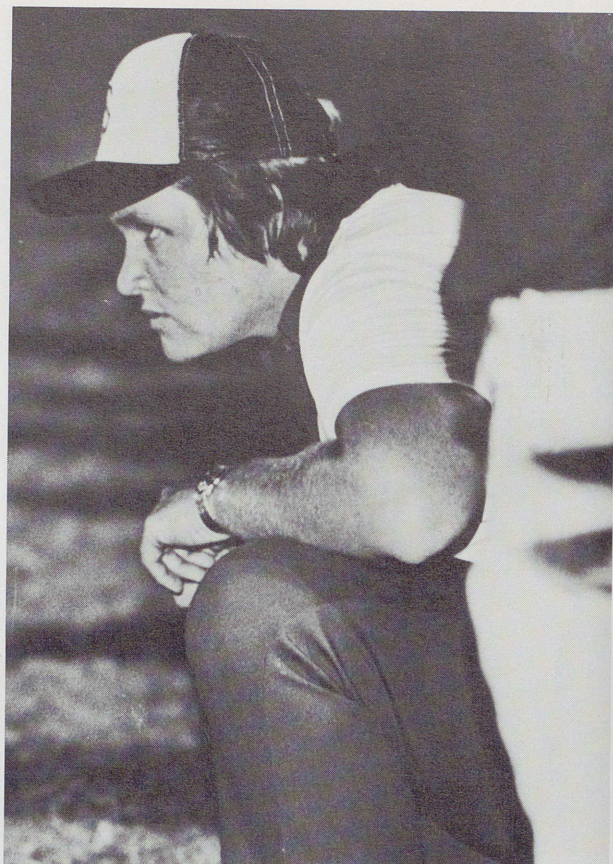

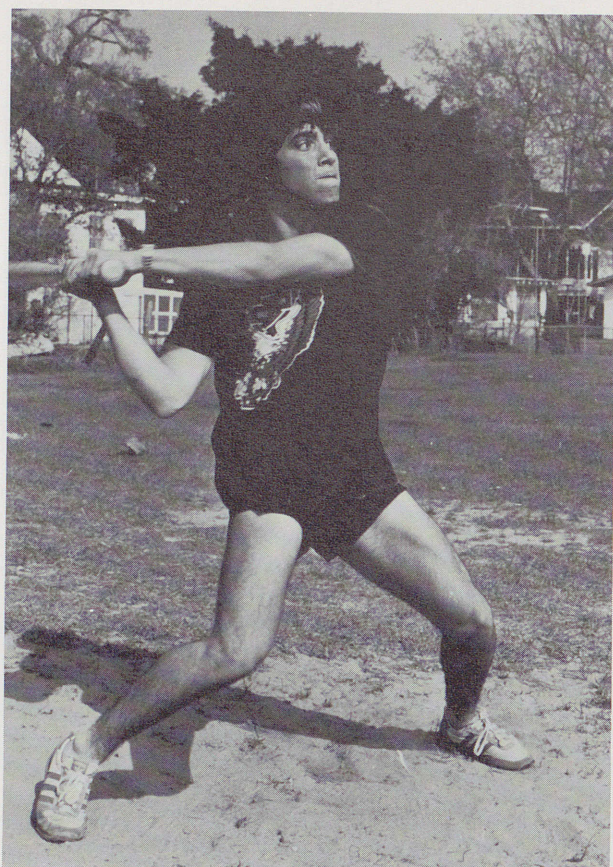

It was difficult to decide to leave St. Stanislaus after having taught here for so many years (nine years), but I wanted to enjoy caring for our children now while they are young and most need me. I hope to return to SSC to resume my teaching career when our children are a little older.

My thoughts on St. Stanislaus are many and all good! As a matter of fact, I have always felt close to the Brothers and SSC. My father and uncles graduated from Stanislaus, as did my four brothers. My mother was a cheerleader here and my husband taught here. SSC has always been a big part of my life — even when as children, Brother Joseph used to send us off campus for playing in the yard and making too much noise while the boarders studied! My husband and I also hope that our sons will enjoy the benefits of a Christian education here at SSC in the future.

I'll miss all my friends on the faculty and staff here at Stanislaus but will be back to visit often, especially after our new baby is born in August.

My "special" thanks go out to all the Brothers of the Sacred Heart who gave me the opportunity to begin and continue my teaching career at such a reputable institution as St. Stanislaus and who have made my years here so pleasant.

Susan Estrade

PHYSICAL EDUCATION

ROCKY: Coach Powell, why is the P.E. program here at SSC different from other schools?

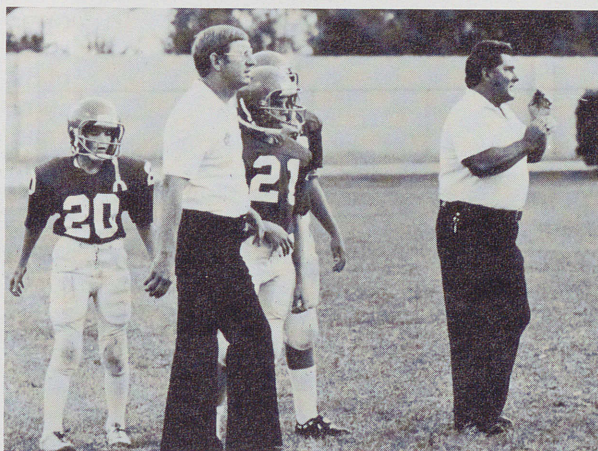

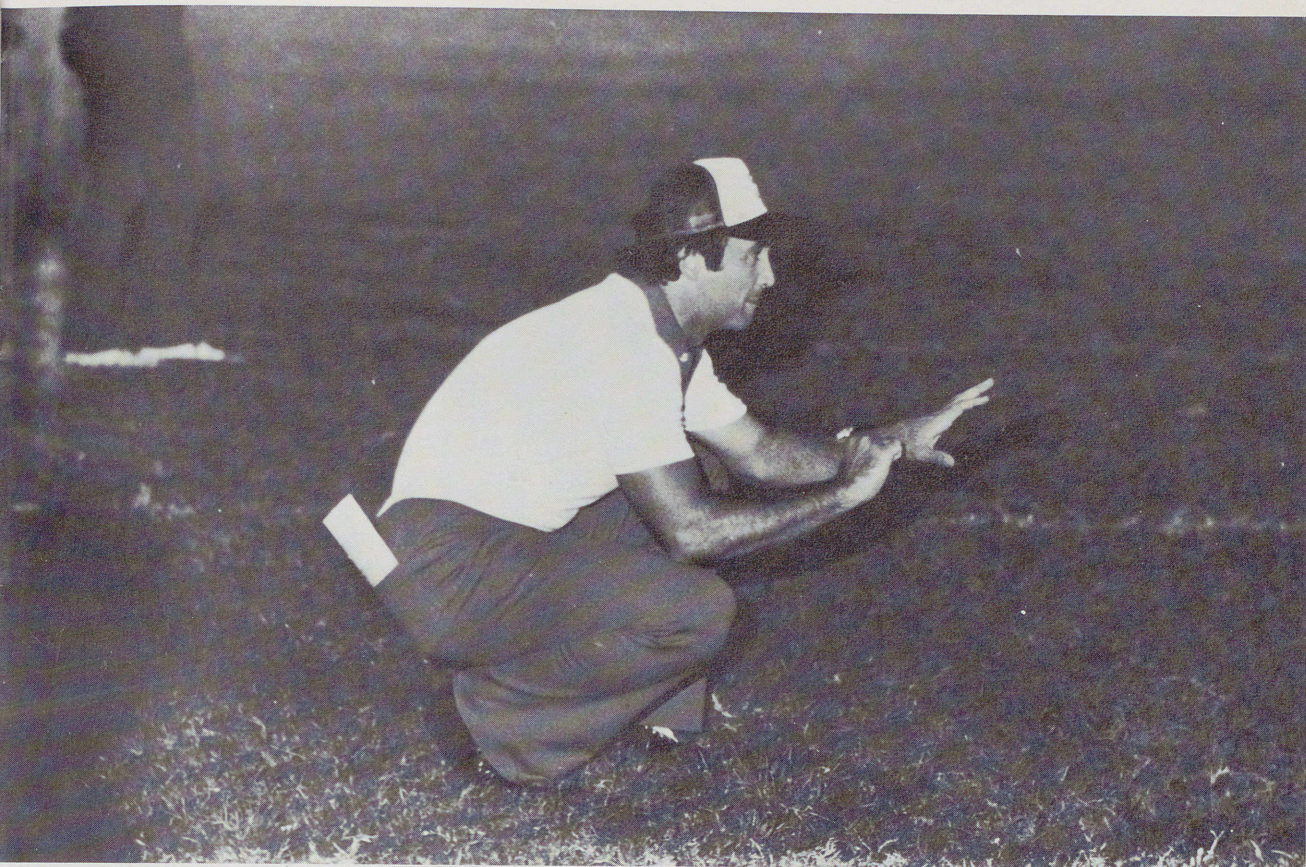

COACH POWELL: Rocky, other schools don't have the on-campus facilities we enjoy. We have the advantage of two gyms, three tennis courts, six handball courts, six outdoor basketball courts, playground area and a full-sized olympic swimming pool.

ROCKY: Wow! No wonder we have one of the best P.E. departments on the Coast. Anything else, Coach?

COACH POWELL: Well, let me see, oh yeah, weightlifting. We have one of the best organized weightlifting programs in the State.

ROCKY: I see now that I'll have to shape up.

OPPOSITE TOP LEFT: Mark "Stump" Tubre draws back to stick the ball in a softball game. OPPOSITE TOP RIGHT: Coach Vernon Powell (P.E., Science, Math) concentrates intently on the football game. OPPOSITE BOTTOM: Coach Fred Weems (P.E., Head Baseball Coach) watches carefully as the students enjoy themselves in the pool. TOP: Coach Howard McNeil (P.E., English) gives signals during the game. LIBRARY

(ROCKY very quietly enters the Library to talk to Brother Quintin)

ROCKY, IN A WHISPER: Brother, approximately how many volumes are contained in the SSC Library?

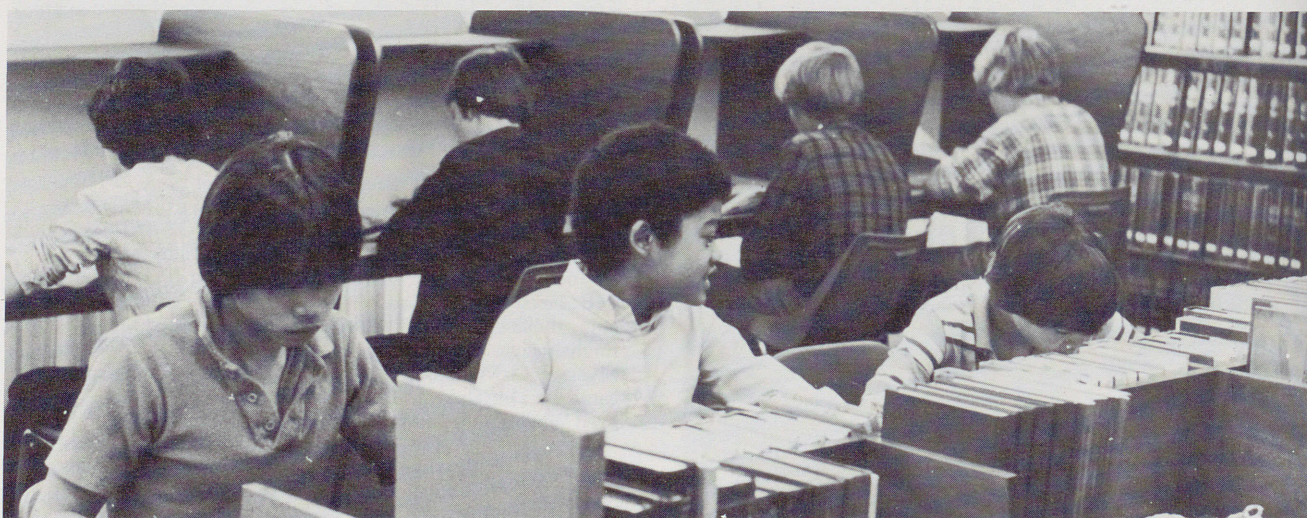

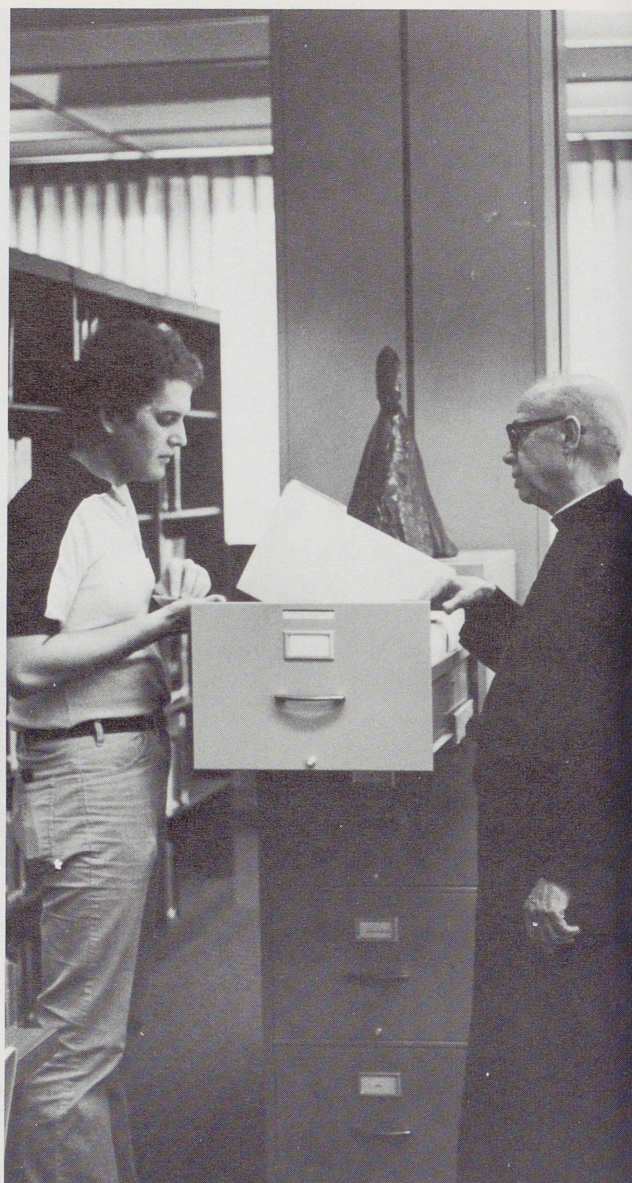

BROTHER QUINTIN; Rocky, we have 9,000 volumes with some 800 volumes in the Brothers' Professional Library, which are accessible to Faculty and students.

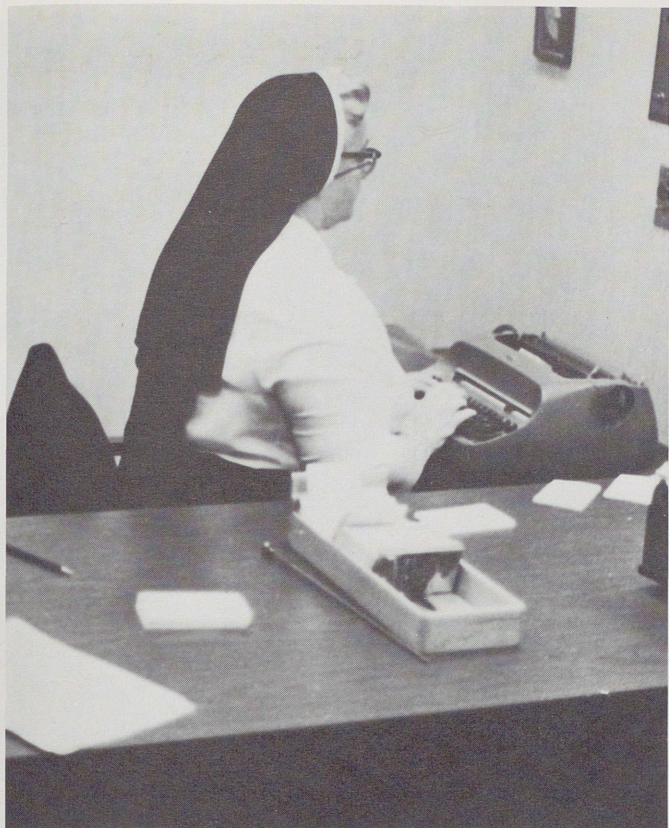

ROCKY: Brother, do the students have very many opportunities to study in the Library?

BROTHER: Students may do individual study before and after school, during the noon break, and during their independent study periods.

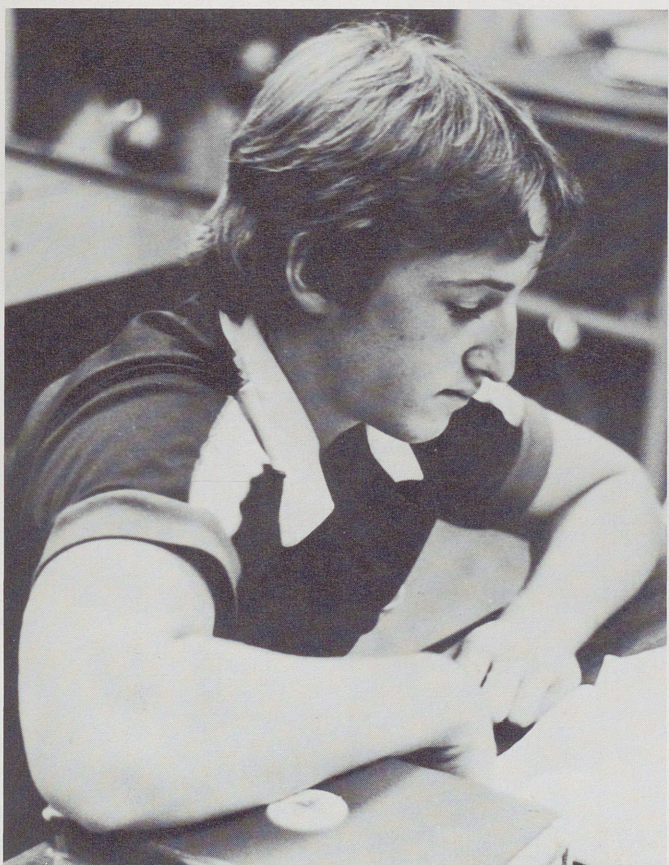

ROCKY: Are there any future plans for expansion of the library?

BROTHER: The Library and AV Resource Center are not only adequate for a school, the size of St. Stanislaus, but far superior to the requirements of the Southern Association of Colleges and Secondary Schools. However, we have an on-going plan for updating and increasing the book collection and AV material each year, so as to provide as well-rounded a collection as possible.

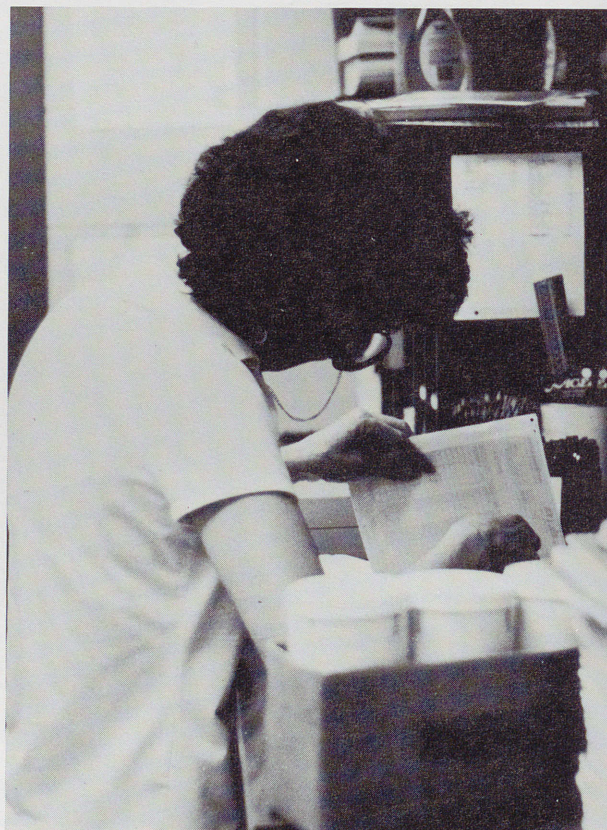

OPPOSITE TOP: Brother Quintin, S.C., assists Wade Ladner in finding a book. OPPOSITE BOTTOM: Noel De Los Santos and friends take advantage of the Library reference books. Secretaries, the Production Staff

ROCKY: The ladies shown on these two pages are referred to as the Production Staff for good reason. It is their task to produce the organization of school life. Without them it would be chaos.

This year we lost a member of the staff, Mrs. Yvonne Sallinger. Mrs. Sallinger has moved to the commercial world of bridal shoppes. We hope she does as well in this endeavor as she did as a member of the SSC family. Good Luck, Yvonne!

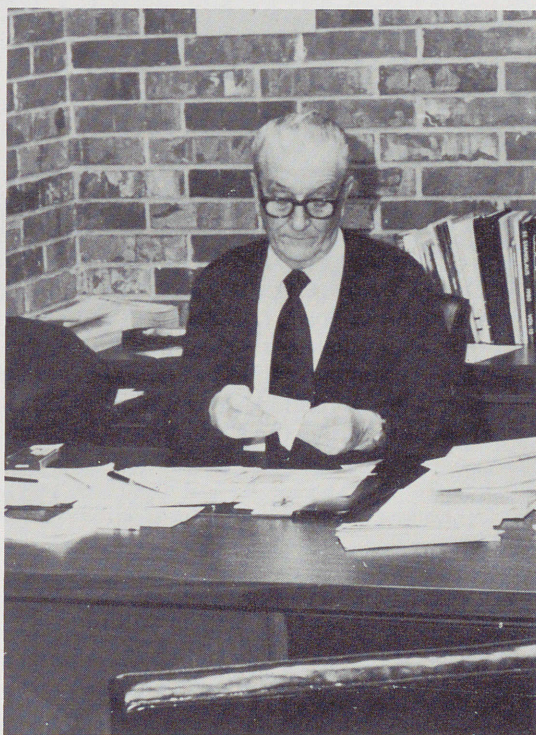

Administration, the Producers

ROCKY: Just a few minutes of your time for a narrative on our principal, Brother Paul Mulligan, S.C. Brother Paul, prior to assuming the reins of the school, was a prefect in the Sophomore dorm for 12 years. He holds a Masters Degree in Mathematics from Notre Dame University and taught Senior Pre-Calculus here at SSC for 12 years. This year as principal at SSC, Brother Paul has afforded the school his experience and expertise.

OPPOSITE TOP: Brother Paul Mulligan, S.C., Principal.

BOTTOM LEFT: Brother Louis Joseph, S.C., Director of Admissions and Athletic Director. BOTTOM RIGHT: Brother Mark Thornton, S.C., President, is shown in his natural habitat, his office.

RETURN ENGAGEMENTS

ROCKY: Without a doubt, the finest compliment any school can be paid is the return of their alumni for a visit. Each year, members of the Alumni Association pay us a visit to speak to our students. The effect is tremendous. Our students are able to immediately relate to the alumni for they share a common bond, both being members of the St. Stanislaus family. In addition, the students receive firsthand knowledge about such things as college, careers, etc. What a great way to involve the students and alumni.

MATH & SCIENCE TEAM/PREP QUIZ BOWL TEAM

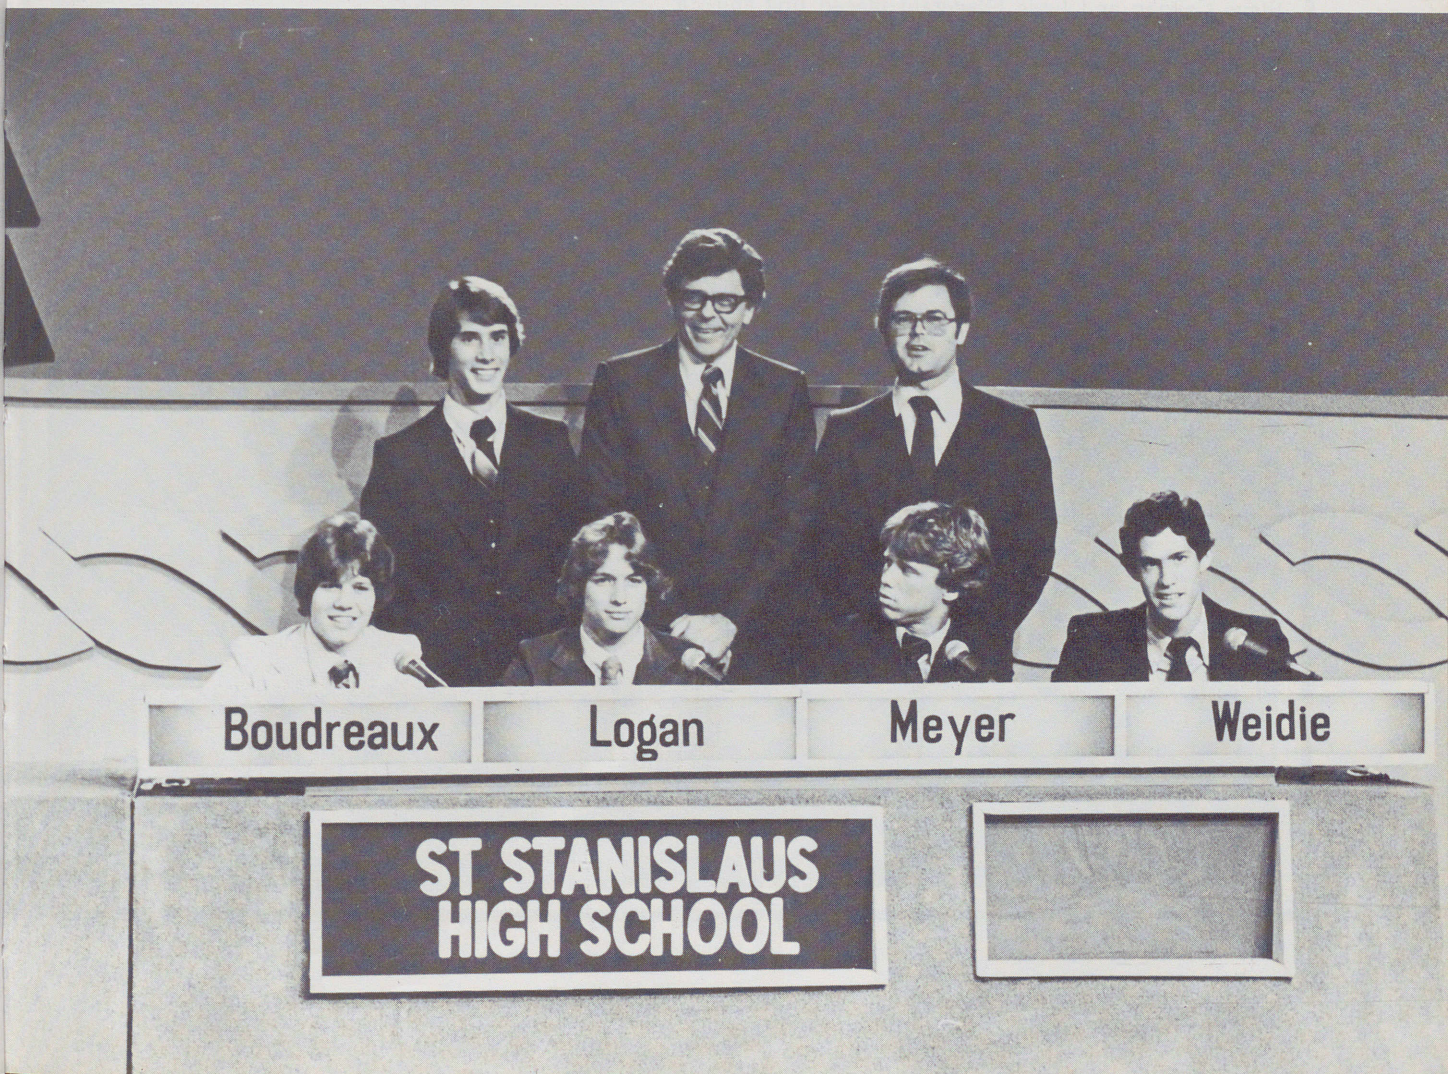

ROCKY: The 1980-81 Math and Science Team traveled to Jackson, MS, to compete in the State Tourney and as usual walked away with top honors. Pictured above they are:

First Row: Steve Boulet, Dennis Scardino, Geoff Kergosien, Skip Horne, Mr. James Thriffiley, Advisor. Second Row: Brian Logan, Hunter Vegas, David McDonnell, Scott Weidie, Brad DeGeorge, and John Gallahger.

St. Stanislaus this year also began a Prep Quiz Bowl Team which competed in New Orleans on Channel 12, WYES (OPPOSITE TOP RIGHT AND RIGHT). This, of course, required many hours of practice (BELOW RIGHT) with Brother William Leimbach, S.C.

The Team is pictured on the opposite page. Their driver shown resting up for the journey (OPPOSITE TOP LEFT) was Chip Labruzzo.

Superior General

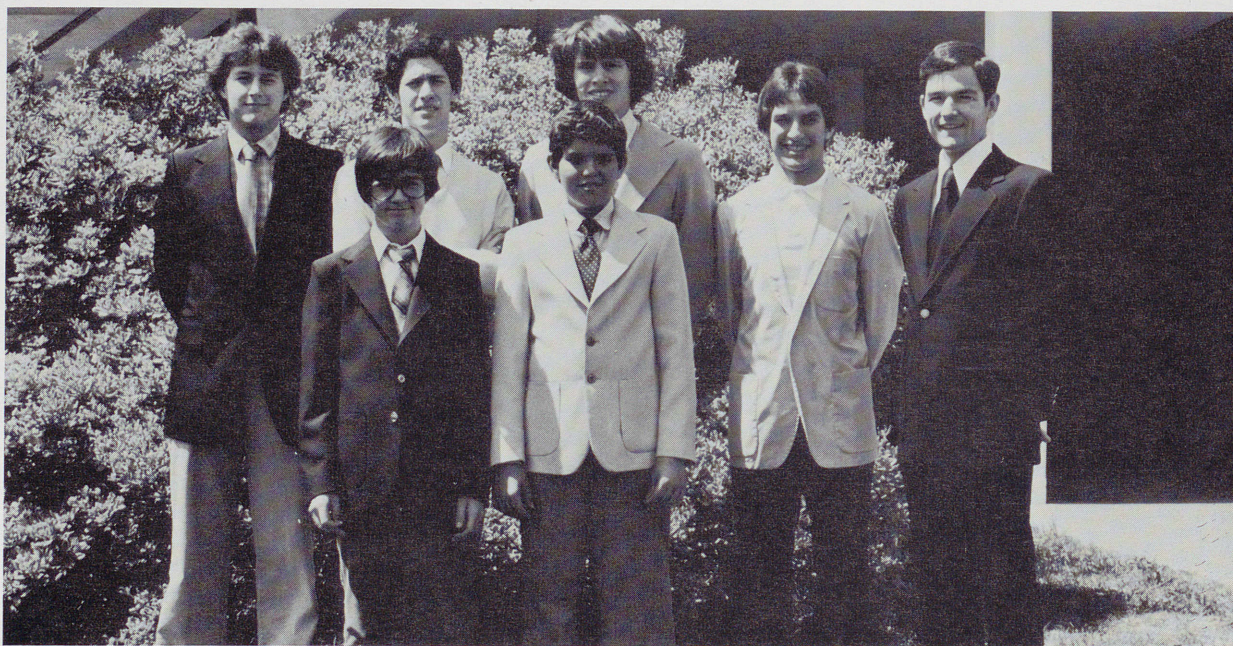

Brother Maurice Ratte, who was selected Superior General in 1970 and re-elected for a second six-year term in 1976, assembled with the Brothers of the Province at Bay St. Louis to celebrate the Holy Week liturgies and to honor the Jubilarians among the Brothers at Easter.

Brother Maurice served as assistant to the Superior General (1964-1970) and prior to that appointment, Brother was Provincial Superior in Arthabaska in Canada (1958-1964). Born on June 18, 1919 at St. Norbert, Arthabaska, Canada, he entered the Brothers of the Sacred Heart in 1933, worked as teacher, in formation, and in administration. He is now headquartered in Rome, Italy.

Debate Team . . .

During the year, the team attended tournaments throughout southern Louisiana and Mississippi. A highlight of the year was the state tournament. This tournament, open only to the best people in forensics, occurs in the Spring and is the qualifying meet for the National Tournament. Only the top-rated person in each event can go to the Nationals. This past year Steve Cayden and Jesse Fitzgerald placed first and third in oratorical declamation at the Archbishop Shaw Speech Tournament in New Orleans. At the State Speech Tournament in Gulfport, Bruce Ouellette placed first in extemporaneous speaking. Bruce ranked second and Mike Wesselman third in the State in Lincoln-Douglas Debate. Bruce's first place finish in extemporaneous qualified him for the 1981 National Tournament in Salt Lake City, Utah.

Student Council

May 1, 1981, by vote of the student body of St. Stanislaus, Patrick Leech was elected Student Council President for the school year 1981-82. Other officers selected were: 1st Vice-President, Tony Herques; 2nd Vice-President, Stanley Williams; Secretary, Kent Weidie; Treasurer, Eric Nolan.

Acolyte Society

Headed by Brother Ray Kuhn, the Acolyte Society consists of students from all grade levels, and is in its third year of existence. The function of the organization is to provide servers at all masses here at St. Stanislaus. Their reputation for excellence is wide-spread.

Drama Club

ROCKY: Mr. Griffon, why is drama important to the students at SSC?

MR. DAN GRIFFON: Drama is a group endeavor. It requires cooperation and teamwork. This cooperation must extend beyond the cast and includes the audience as well. Drama is a creative and interpretive art, important for art's sake. Our end product is open to public scrutiny. We have a chance to show off what we do here.

ROCKY: Do you think this has been expressed?

MR. GRIFFON: Yes.

ROCKY: How has the support of the Drama Club been here at SSC?

MR. GRIFFON: This year some 50 students auditioned for parts in the school play. There are about 20 regular active members in the club. Our plays are well attended and the faculty, student body seem to appreciate them.

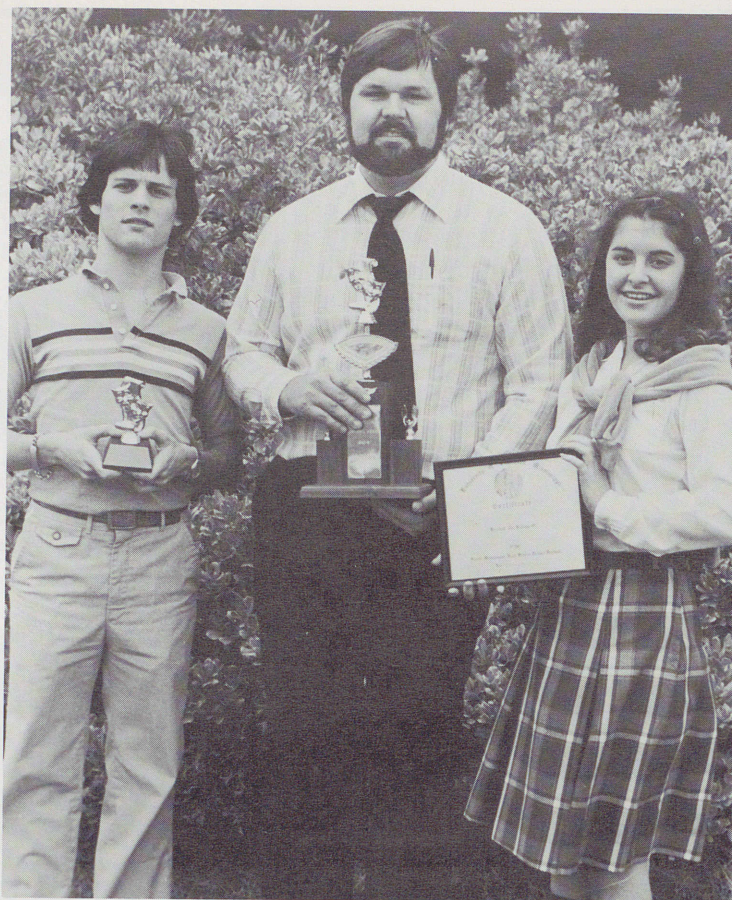

ROCKY: What achievements has the Drama Club made this year?

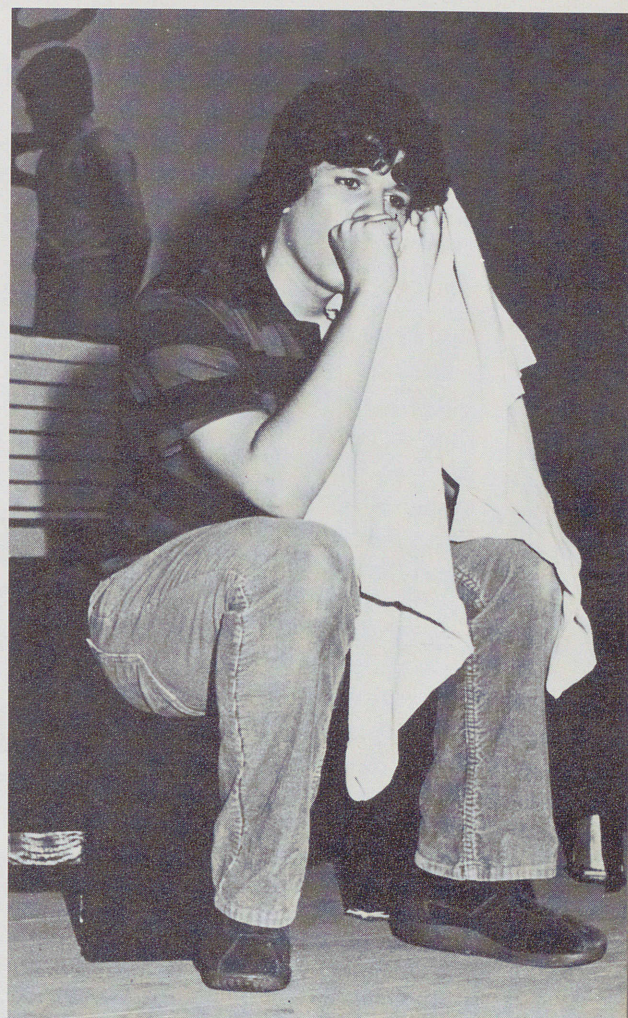

MR. GRIFFON: We have participated in two Drama Festivals on the state level competing successfully against schools from the Coast to Jackson. Several of our members have been recognized with special awards by the judges at these festivals.

ROCKY: What can we expect in the future?

MR. GRIFFON: I would like to see drama become a course selection in the regular curriculum.

Perhaps it could be proposed as an English elective along with speech or debate. We will continue to participate in the State Drama Festival as long as this is beneficial to our program, and of course we will continue to produce a play for the school each spring.

Reflections Staff

ROCKY: Long hours, fuzzy photos, missing pictures, wrong layouts, and roaches all add up to the efforts expended by this year's Reflections staff. John, what occurs to you as the most difficult task in producing a yearbook? The layout, the copy, the articles? What?

JOHN GALLAHGER: Yep!

OPPOSITE: The Reflections staff stopped off for a photo after a seminar at William Carey College. TOP: Mo Clavarie and Mr. Jennings confer on the details of the Senior Section. LEFT: Nolan Marchand scans the contact sheets for pictures. ABOVE: Greg Quartano repeats the efforts of the many hours spent on contact sheets.

Radio Club

ROCKY: Brother Eduardo, how long has there been a Radio Club at St. Stanislaus?

BROTHER EDUARDO: Rocky, there has been a Radio Club here at SSC for just about five years now.

ROCKY: How many members are in the Club?

BROTHER: Five. Four Eighth graders, and one Freshman. However, the membership is open to all grade levels. I guess since I'm the Eighth grade Dorm Prefect my students tend to give the Radio Club more attention than any other grade level.

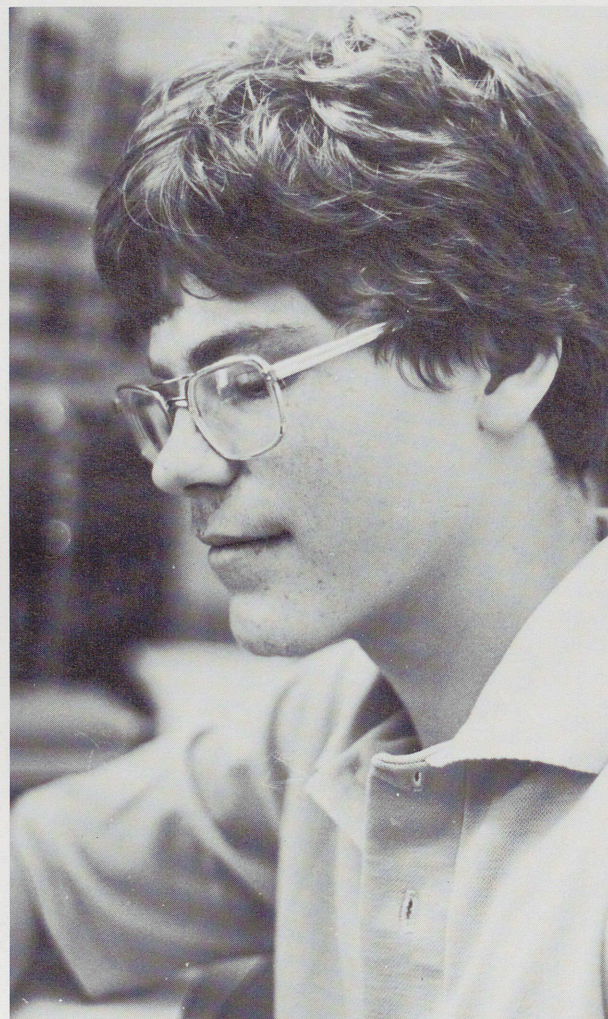

ROCKY: What has been the main goal of the Radio Club?

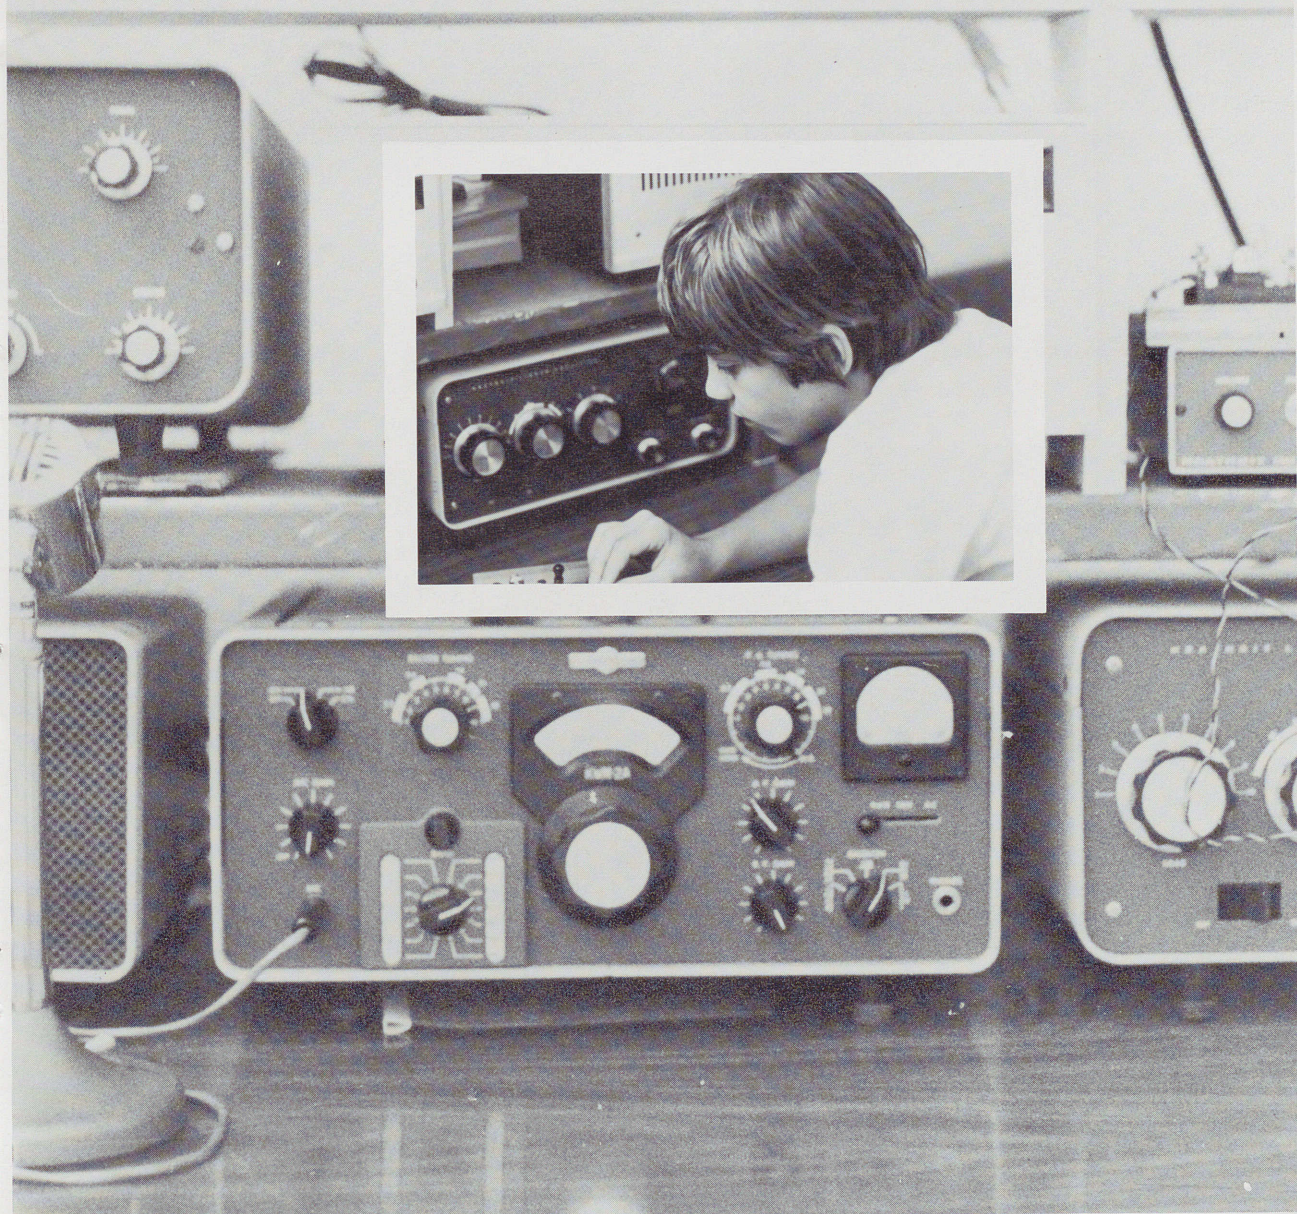

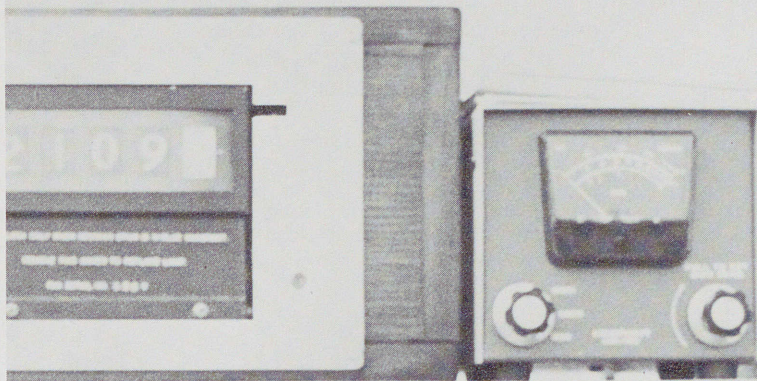

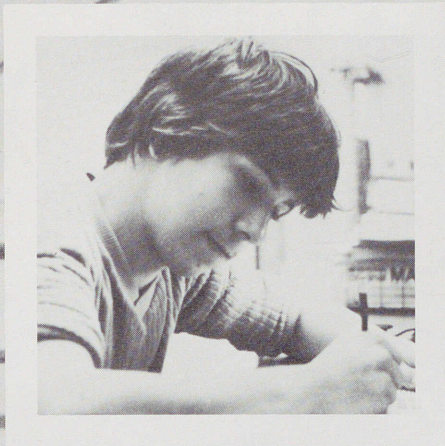

BROTHER: Our main goal has been to involve students in radio procedure and operation, but some other targets have been to help the members to earn their own F.C.C. licenses, to set up stations at the students' homes and participation in contests. Right now two members are going for a general license.

SENIORS

When listing the achievements of this one individual, one must call to mind the fact that he first had to overcome a language barrier. Juan Carlos Betanzos, a boarding student from Mexico City, was a member of the SSC family for six years. During that time he was a member of the National Honor Society for three years, LWAS — two years, French Honor Society — two years, Project Do — one year, and class officer — two years. He lettered in Varsity Track for three years, and his performances on the football field earned him a scholarship to Louisiana State University. Juan holds the school record for a field goal, putting it through the uprights from 49 yards out. Asked about his outlook on life, Juan simply stated, "I plan to give it my best shot."

If you had to find an all around person in the Senior class you wouldn't have to look any farther than Andrew Haas. Andrew was the leading pitcher and MVP for the Varsity team and also played defensive back for the football team. In his first three years of high school, he also played in the Rockachaw Marching Band. During his Senior year he was active as a class officer and in Project Do. He is also a member of the National Honor Society. Andrew is also the recipient of the President's Cup, the highest honor bestowed upon a graduating senior at St. Stanislaus. No matter what the future holds for Andrew, with interests as versatile as his talents, he will succeed.

Justin Martzell, Senior of the Month for February, is quite a guy. Known best for his antics around campus, Justin was also in the Drama Club's presentations "You're a Good Man, Charlie Brown," and "Fool's Paradise." Justin placed second in the State Drama Festival for "Fool's Paradise" and all the students were impressed with his portrayal of Linus in "You're a Good Man, Charlie Brown." Justin, not only theatrically inclined, is very musical. He was a band member for three years. To highlight his career at St. Stanislaus, he did all of the artwork for the yearbook, and was a Project Do member. For the future, Justin plans to major in Creative Arts, but will leave himself open to other fields, for the time being.

Brian Logan was a most deserving choice for Senior of the Month. His athletic ability has been surpassed by few. He lettered in Baseball, Basketball, and Football for three years. Quite an achievement! And meanwhile . . . he was also a member of the National Honor Society, the Math and Science Tournament Team (where he placed in the top 10% in the state), and Captain of the Prep Quiz Bowl Team.

For these and his many other achievements, Brian was awarded a scholarship to Tulane University in New Orleans, and a scholarship to Spring Hill College in Mobile, Alabama. Brian will attend Tulane and major in Engineering.

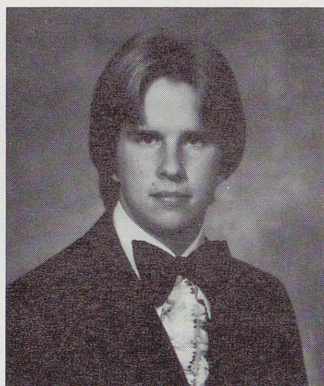

Leadership, scholarship, athletic ability . . . these are just a few of the characteristics attributed to the Senior of the Month awards. Mike Hourin exhibited all of the attributes throughout the school year.

Mike combined leadership (Student Council President) with scholarship (Honor Roll student). In addition to his achievements in school, he also performed well on the gridiron, where he was starting fullback for the Rockachaws. Mike also ran Varsity Track. Mike was rewarded for his efforts by receiving an appointment to the United States Air Force Academy in Colorado.

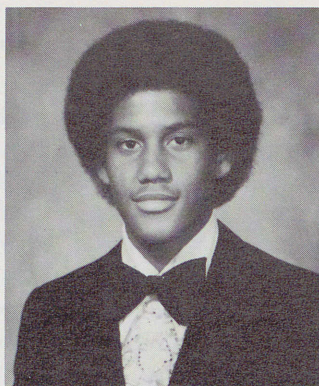

Scott Weidie . . . was selected as the very first Senior to be honored as Senior of the Month for 1980-81. Very active on campus, Scott was a member of the National Honor Society, the Drama Club, the Speech and Debate Team, and the Spanish Honor Society. Scott appeared in both drama productions this year and won his division in the Speech and Debate competition.

He was also a member of the Prep Quiz Bowl team, where he was a stand out. Scott's plans for the future . . . college with a major in Geology or perhaps Marine Biology.

Senior's Soliloquy . . .

Life is so precious, yet it is too often taken for granted. We, as young adults, rarely stop and take the time to give thanks for the abundance of natural gifts that God has given us, or for the material needs that our parents provide for us every day. It is not until we are denied these things that we then realize their importance. We should appreciate our talents and possessions now, for tomorrow they may be gone.

Pat Leech . . . a personable individual, whose main interests are music, jogging, canoeing and snake hunting. Pat hails from New Orleans, Louisiana, and has been a boarder at St. Stanislaus for three years. He has two brothers here at SSC with him, Kenny and Bobby. And if either follow his footsteps, SSC is indeed lucky. Pat is involved in both Football and Track, having lettered in each this year. Upon graduation, Pat plans to attend Fordham University, majoring in Psychology.

Why the spotlight on this one individual? Well, Pat represents the change which can be wrought in a person while here at SSC by the Brothers of the Sacred Heart. As Pat himself said, "When I first came to SSC, I didn't think I would make it, but now it's a gas." Make it, he did. In fact, he was recently elected Student Council President by the student body.

While performing feats on the baseball diamond or football gridiron, Joe also maintained a 3.0 average in his studies. Intensely interested in living life, Joe is an avid hunter and fisher. Upon graduation, Joe will follow in the footsteps of his father and grandfather. He will attend the University of Mississippi where he will study law.

An excellent student, a fine athlete, a terrific guy ... Stanley Williams is liked and respected by both his peers and teachers. Stanley, a boarder at SSC for the past four years, lettered as a sophomore nose-guard in football, has participated as a discus man in track and is now active in weightlifting. Besides being a competitor, "Stush" as his close friends call him, has earned a 3.8 quality point average for the first semester of the current year in the accelerated section of his class. He is a member of the Student Council and is active in the Accolyte Society. Stush and his older brother, Adam, are the proud owners of a new Mazda RX-7 which conveys them home to Gulfport on the weekends or to various friend's houses for holidays. Stanley Williams is a truly exemplary Stanislaus man and an inspiration to all.

Footnote . . .

Harold Heine's interests run to wheels, weightlifting and studies. "Harry" is an Alpha Honor Roll student in the accelerated section of his class, where he enjoys working on his vintage, burgundy Mustang and the cars of his friends. Harry is also a serious weightlifter and bodybuilder, and has participated in the school's football and track programs for several past seasons. He enjoys his weekends and the turning of a fair haired lass's head occasionally. A real man, a gentleman and serious student, Harold Heine represents the best at St. Stanislaus.

The only freshman photographer to be on the yearbook staff, Jim Grady, was responsible for much of the photographs and dark room work of the 1980-81 Reflections. Jim has been a boarder at St. Stanislaus for 3 years which as he says, "I enjoy because I have time to pursue my interests as well as study." He enjoys sailing, fishing, and skiing. Jim's main interest, however, is photography, in which he is extremely active. In addition to his many interests, Jim is an Honor student, was a member of the Junior Varsity football squad, and is interested in running track, when time permits. An outstanding student and athletic, Jim Grady represents a true Rock-a-Chaw.

BRO. JOSEPH'S DORM

"When, in the course of human events," . . . If any one phrase could be used to define dormitory life under Brother Joseph's guidance, it would be this phrase. Not only does one gain maturity and responsibility through the insight and wisdom of this man, but also a two-year self-study in human events. Social interaction, study habits, religious life . . . these are but several of the varied areas covered while living in Brother Joseph's dorm.

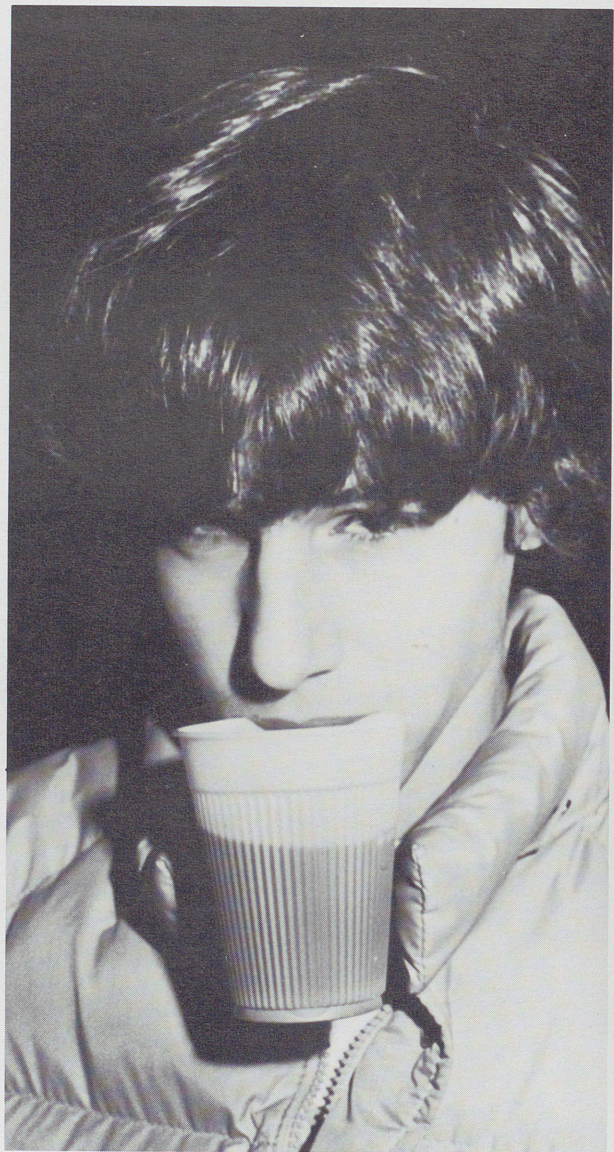

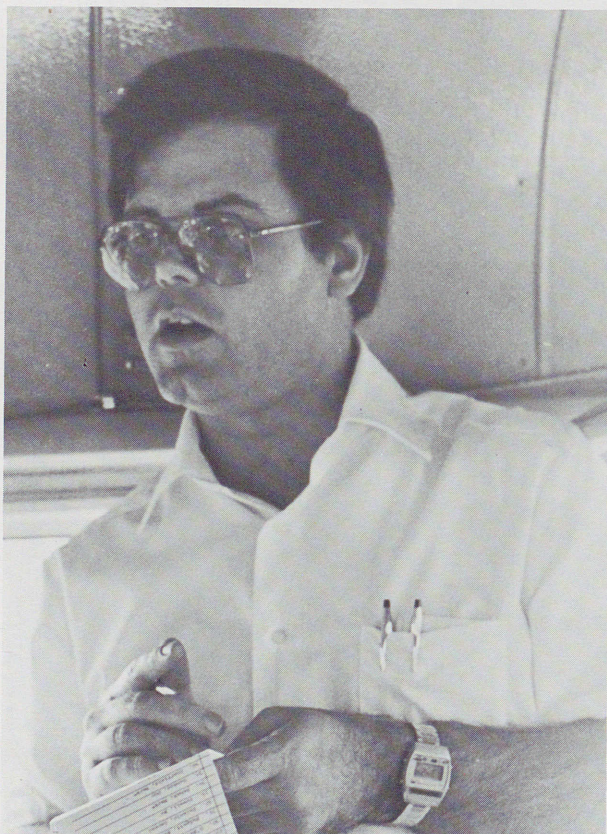

OPPOSITE TOP: Pat Leech munches during break.
 OPPOSITE BOTTOM: Nock Lemunier, Jim Jacobi and Jeff Lemmon relax on the stairs during break. LEFT: Bill Berry strains on his neck exercises. BOTTOM: Frank "Chip" Labruzzo in flight. BELOW: Marc Meyer catches up on his current events during his I.S.

BRO. RAY'S DORM

(ROCKY visits Brother Ray's dorm and provides a commentary.) ROCKY: "Along with freedom comes responsibility." Brother Ray drilled that phrase into the members of the sophomore dorm over and over again throughout the 1980-81 school year and as promised each individual's privileges grew along with his ability to be responsible for them. The freedom to break away from the structured dorm life was always within reach of everyone. Brother Ray gave everyone a chance to succeed and in the event that one failed on his first attempt, Brother continually gave him another chance to prove his ability to be trusted. A lot was accomplished during the year, a lot of differences settled and good times had. But overall everyone had an enjoyable year.

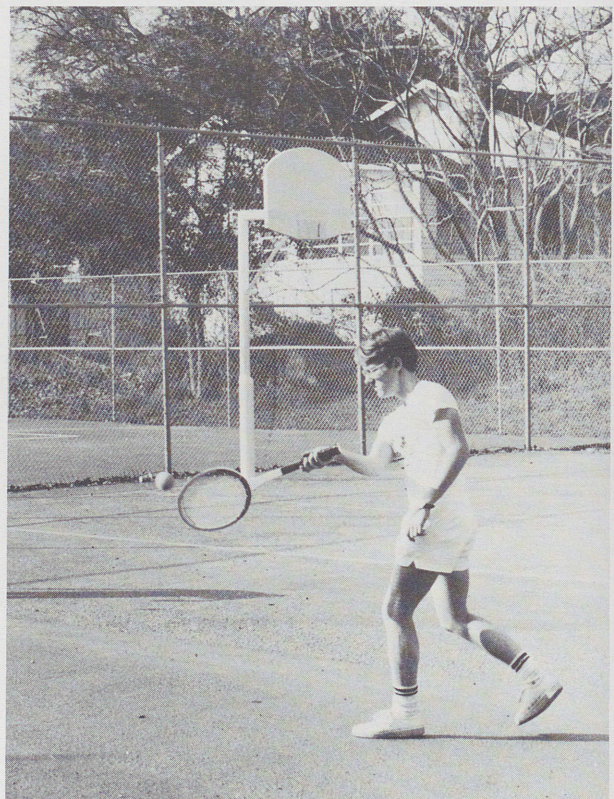

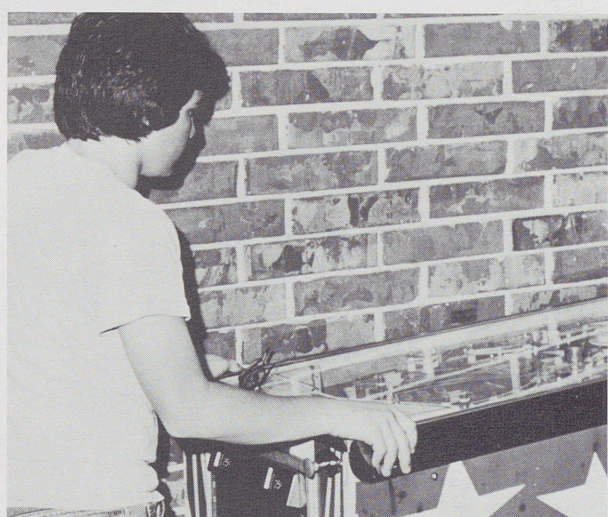

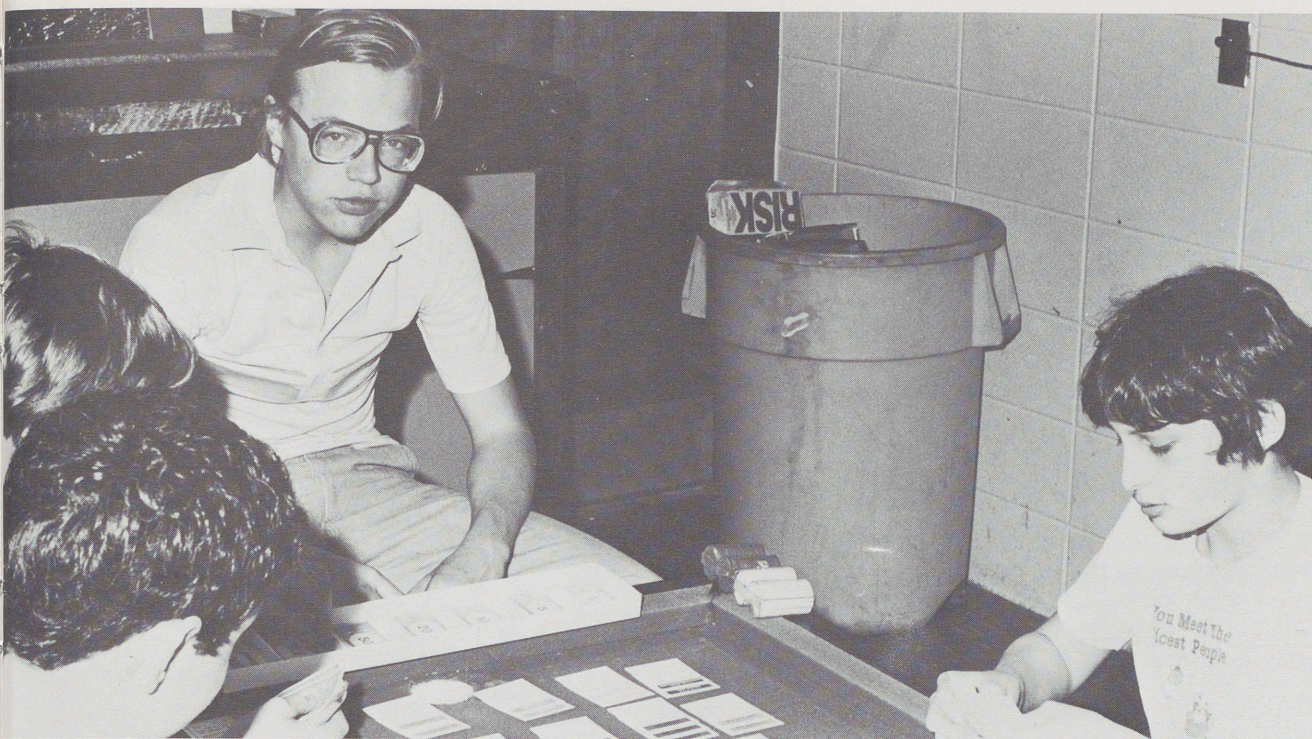

TOP: Bro. Ray referee's an A-B game. ABOVE: A group of dorm members play football? LEFT: John Jones and David Kibler ham it up for the camera. OPPOSITE PAGE TOP: John Killeen quarterback's a football game. OPPOSITE PAGE BOTTOM RIGHT: Will Hollier expresses his opinion of the koolaid. OPPOSITE PAGE BOTTOM LEFT: Bro. William checks roll on the bus to one of the many outings.

BRO. RAYMOND'S DORM

ROCKY, aside: Making the transition from a public school to a boarding school is very difficult and this is why the Freshmen Dorm is extremely important. Most of the Freshmen boarders at SSC are here for their first year. Brother Raymond's task is to assist in this transition. His wisdom and guidance are unexcelled. His boys know that Brother will be there to help when they need it.

OPPOSITE FAR LEFT: Peter Phillips joins in a basketball game with a few juniors. OPPOSITE TOP: Tony Bowman and Mark Martnolich compete in a game of Space Invaders. LEFT: David Schmitt plays catcher as Bro. Raymond referees a baseball game. OPPOSITE BOTTOM: Charles Morgan brushes up on his tennis. ABOVE: Emeterio Ruiz tries his luck with pinball. TOP: George Smith, Eric Werner and Troy Lyons play a brisk game of Monopoly.

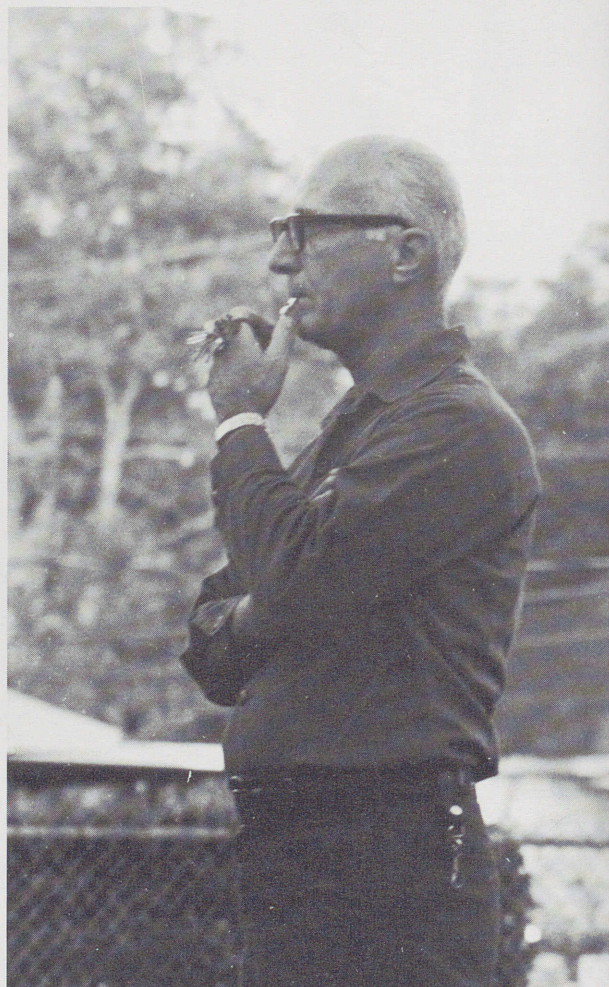

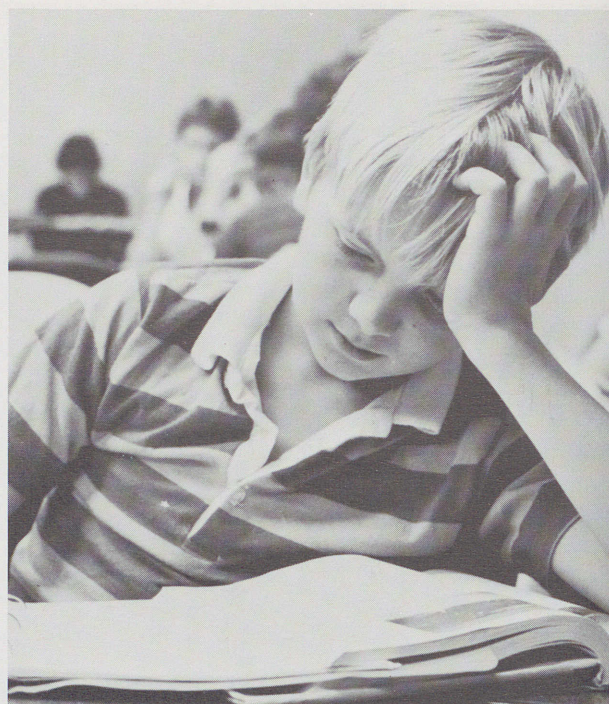

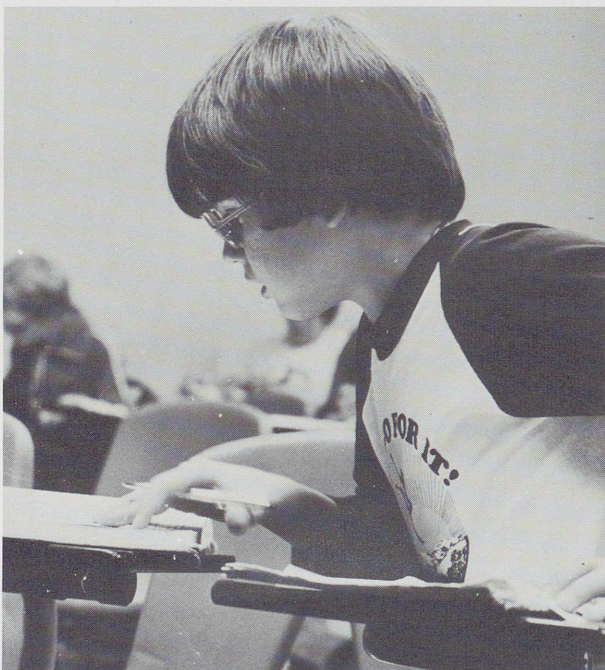

OPPOSITE TOP: Ciro Pennino jumps to block Brantley Broome. OPPOSITE BOTTOM: Gary Tujague, Duane Landry and Carlos Certucha enjoy a friendly game of soccer after school as Brother Edward referees. TOP: Brother Edward referees a basketball game as Harry Roth and Ciro Pennino battle for the ball. RIGHT: Steve Cayden prepares to study. ABOVE: John Waller finishes drying his clothes in the school laundry, a task enjoyed by many boarders.

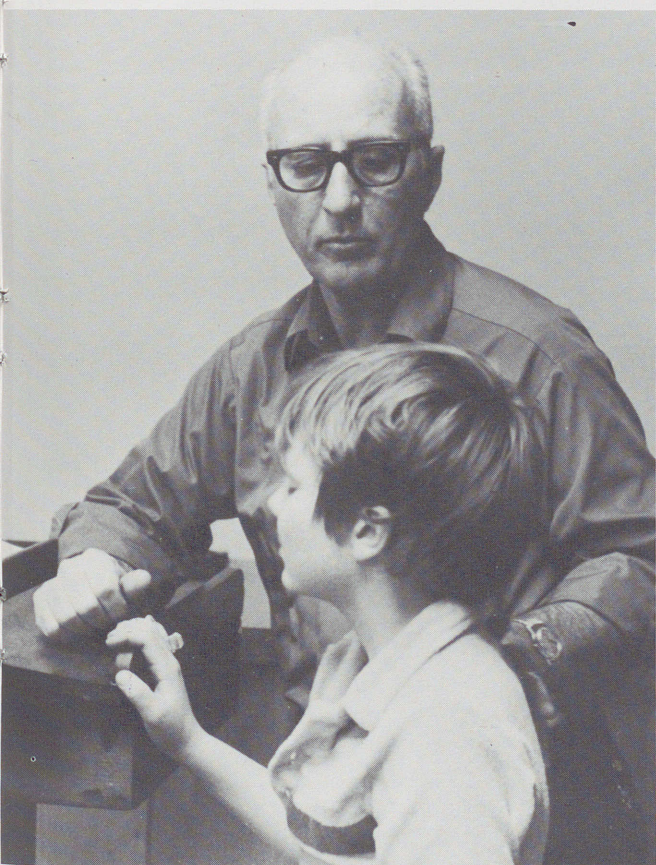

BRO. EDUARDO'S DORM

Rocky, interviewing Lon Baxter, allows Lon to perform solo: "Life in the dorm is o.k. You don't have your parents telling you what to do. After school you can go play sports, go eat in the Mall, or do what ever you want to. In the dorm you have lots of friends. In the dorm you have lots of free time. I listen to my radio, make stuff, or do what ever I want. You meet lots of different people too. Some Mexicans, Chinese, Japanese, and some from Panama. Sometimes we have study periods in the dorm, that's fun. After study period, we go to the gym. In the morning before school they wake us up by turning on the radio in our speakers in our room. This is my second year and boarding is pretty good. You have room checks every day. At the end of the year they have a character cup. I hope I win it.

OPPOSITE TOP: Brandon Segrave draws back to pass. OPPOSITE BOTTOM: Brother Neri assists one of his charges in Study Hall. TOP RIGHT: Jimmy Klingman's concentration is laudable. TOP LEFT: Johnny Labruzzo seems a bit disgusted with the whole game. BOTTOM RIGHT: Brother Neri stands ready with his whistle. BOTTOM LEFT: Todd Single's determination pays off during test week.

BRO. NERI'S DORM

(ROCKY interviews the youngest boarder)

ROCKY: Johnny, what is it like being away from home for the first time?

JOHN LABRUZZO: You know, I miss my mom and dad. It's really lonely some times.

ROCKY: Does having your brothers here help?

JOHN: Yeah, it gives you someone to talk to when you get down.

ROCKY: What's it like having Brother Neri as a prefect?

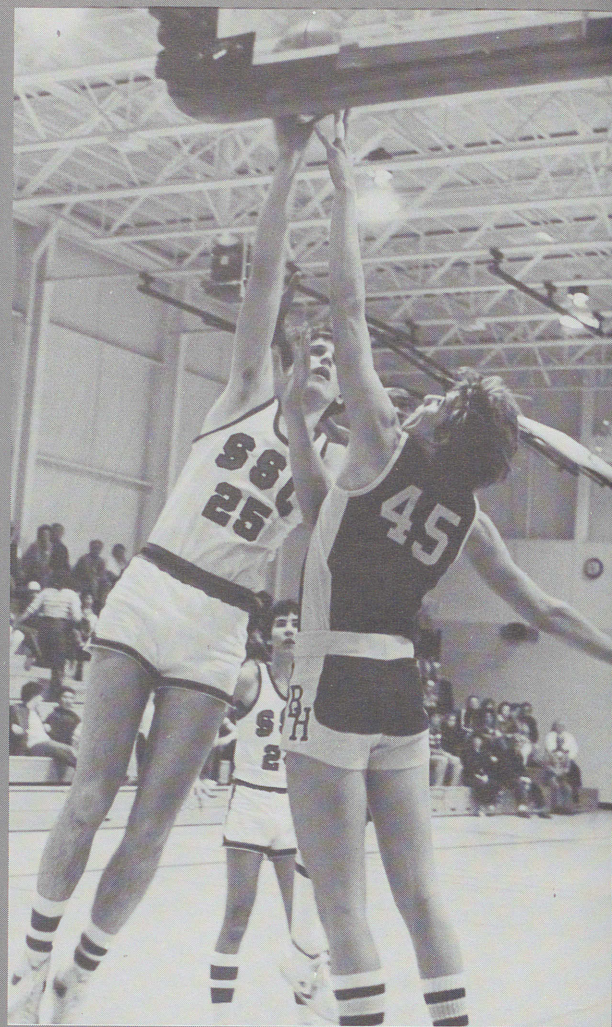

JOHN: The discipline is harder than you are used to at home, but I guess it would have to be.

ROCKY: When you first got here was it like you expected.

JOHN: Yeah, for the first ten hours, then I got lonely. It's not all fun at a boarding school, you have to do a lot of work, too.

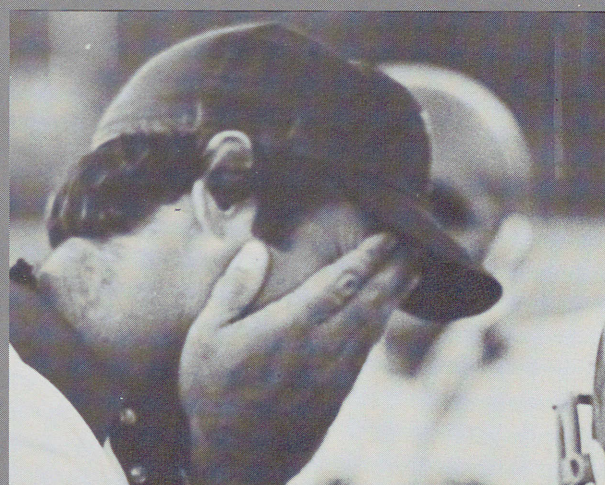

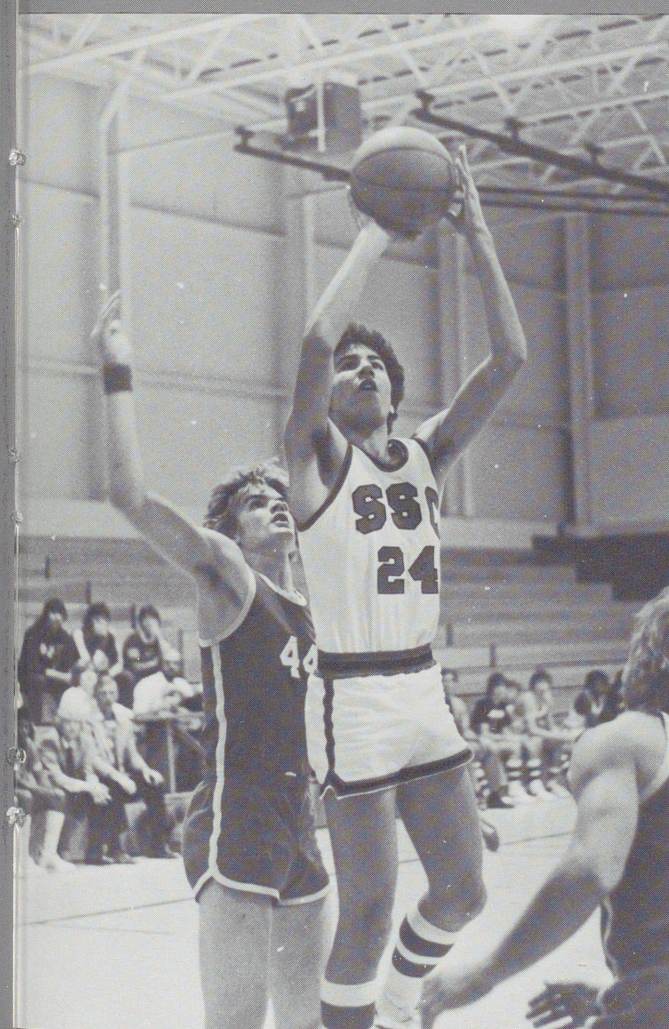

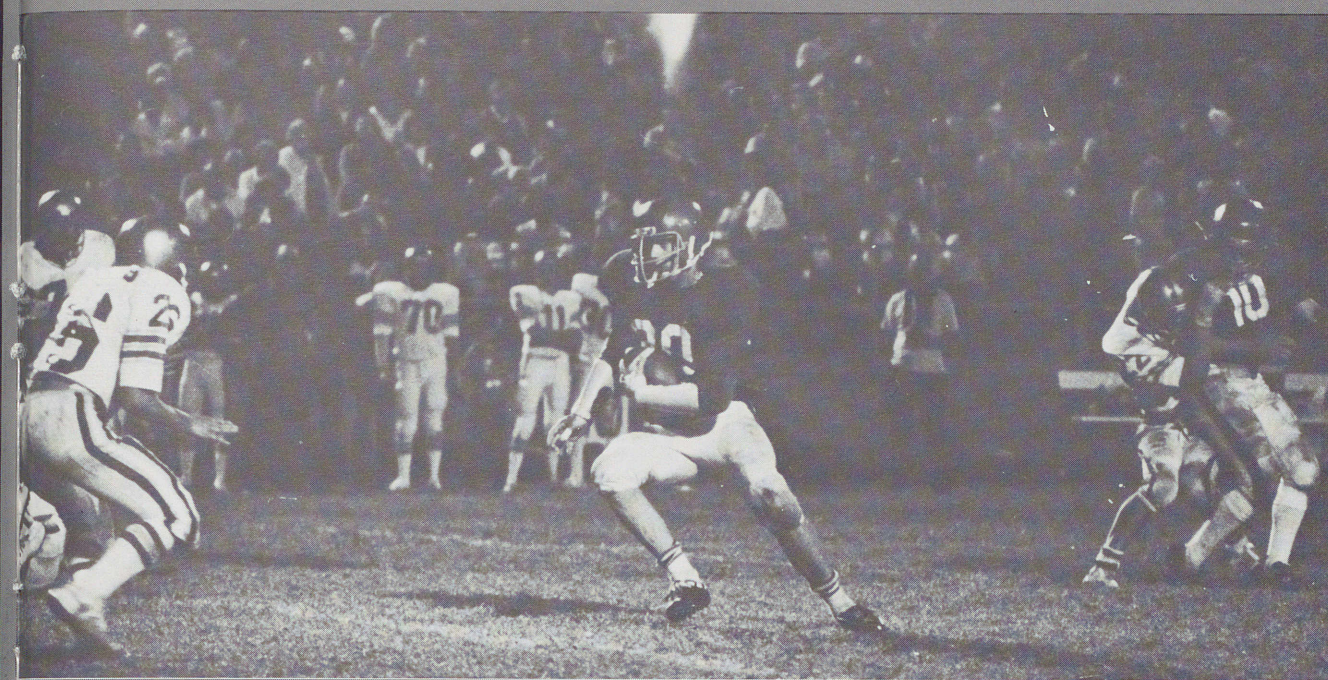

ROCKY: What do you miss most about home?

JOHN: The little things like when you get hungry, you can't go to the kitchen and get an apple or something, you know.

SPORTS

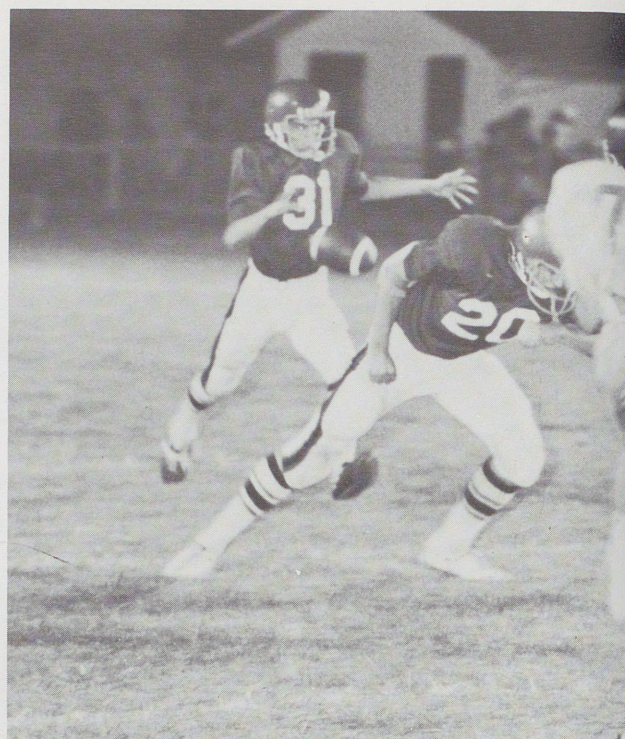

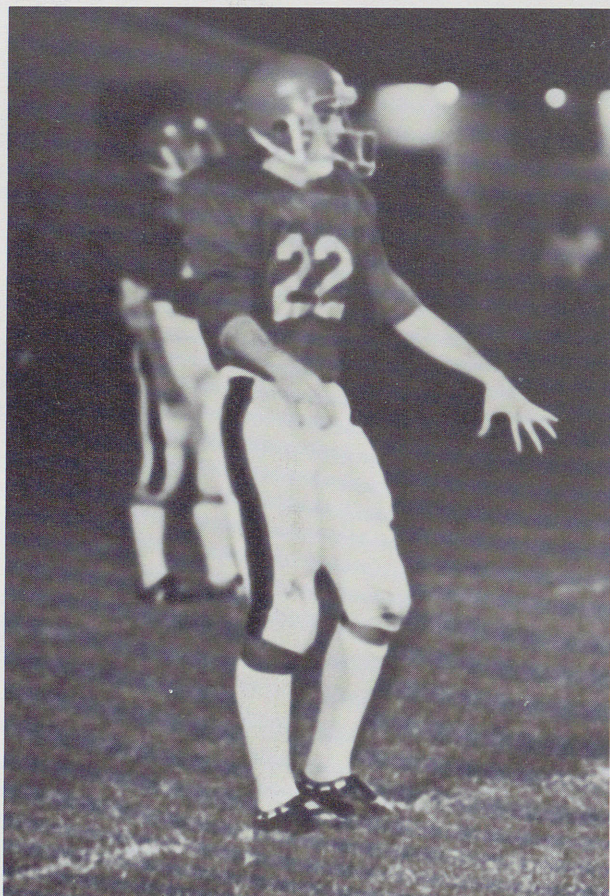

TOP: With no blockers left in front of him Dave Boos prepares to bull his way to the goal line. LEFT: Billy Waits sets his eyes on the hoop to put the Rocks up by two. ABOVE: Coach McNeil takes time out to relieve the agony that goes along with his coaching job. OPPOSITE LEFT: Linne Cabell and Cynthia Morse cheer on the Rocks. OPPOSITE RIGHT: Joe Saia puts his 6'9 frame to work for this hook shot. OPPOSITE BOTTOM: The offense takes a break and discuss upcoming strategy with Coach Powell.

Rocks Bury Opponents With Graveyard Defense

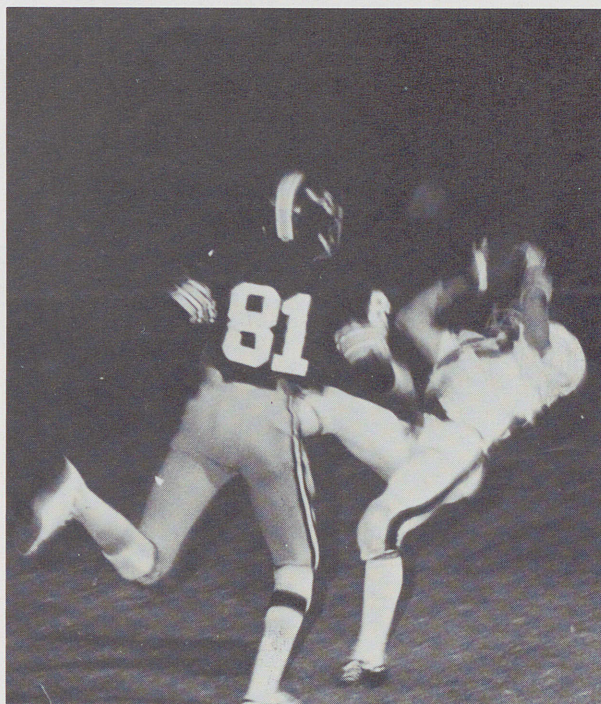

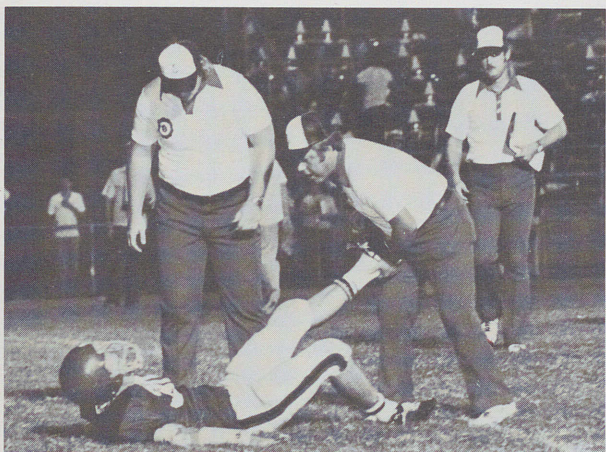

ROCKY: The Rock's 7-3-1 record has been attributed largely to the excellent defensive play during this season. The well known "Graveyard" defense led by George Corcoran, Mark Lichtenstein, and Lee Klein pulled the Rocks through several tough games. Offensively, the Rock-a-chaws were led by quarterback Joe Gex and the running of Mike Hourin, Sean Logan, and Andy Melvin. The kicking of Jo Betanzos also contributed to the offensive effort.

BOTTOM RIGHT: Juan Betanzos tries to run through D'lberville's secondary.

Coaches Speak Out

ROCKY: What, if any, factor had, in your opinion, the greatest influence on this year's varsity squad.

COACH McNEIL: Barry Jones, a good mental attitude, and knowing that we wouldn't get outplayed.

ROCKY: Who do you feel contributed most to the varsity squad this year?

COACH POWELL: I don't think there was any one individual, it's a team. Everyone does his part.

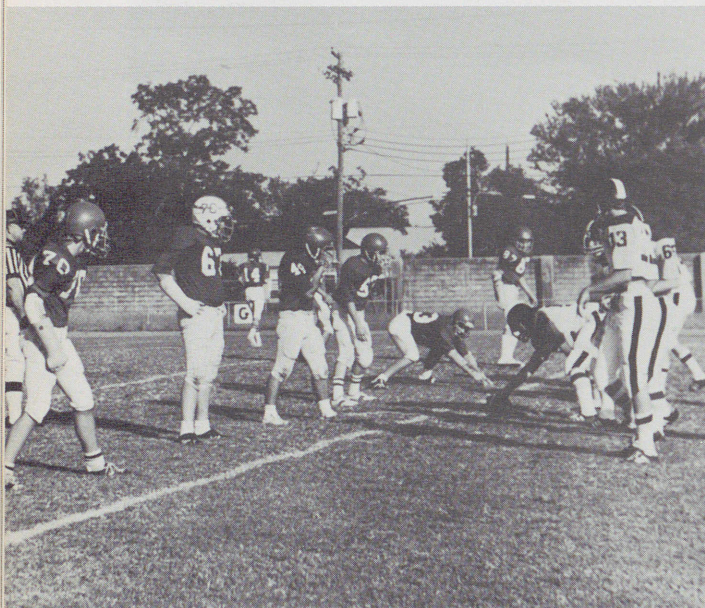

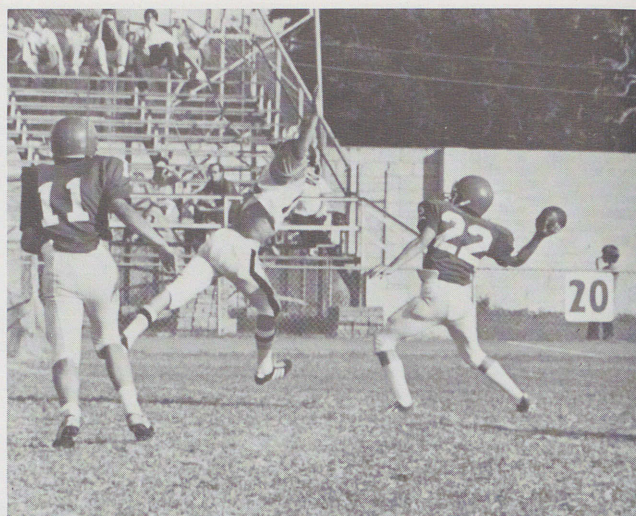

ROCKY: In what areas do you feel we need expansion or improvement?

COACH MYERS: We definitely need more involvement by the students and faculty.

BELOW: The Freshman defense lines up against D'lberville. LEFT MIDDLE: Marty Sahuque and Ken Fakier team up to tackle an offensive back.

MIDDLE BOTTOM: Ron Stefani and Casey Wittmann corner a D'lberville back. BOTTOM: The 1980-81 Junior High RockaChaw football team. BOTTOM RIGHT: Darrin Scarborough makes a flying tackle. TOP LEFT. Ken Fakier, Darrin Scarborough, and Chris Darling double

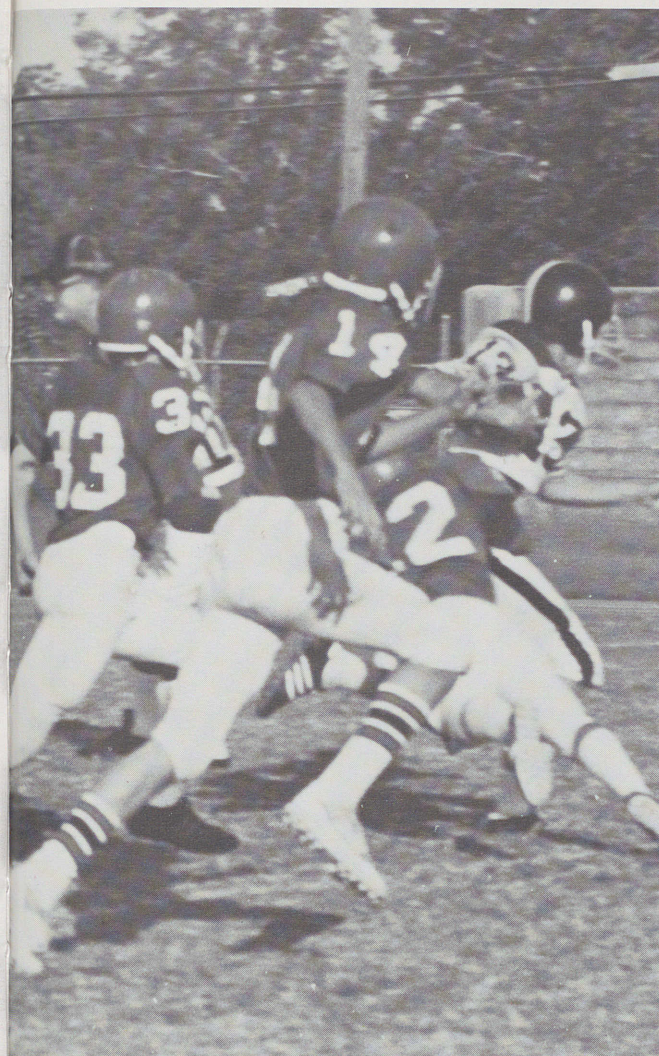

up on the quarterback.

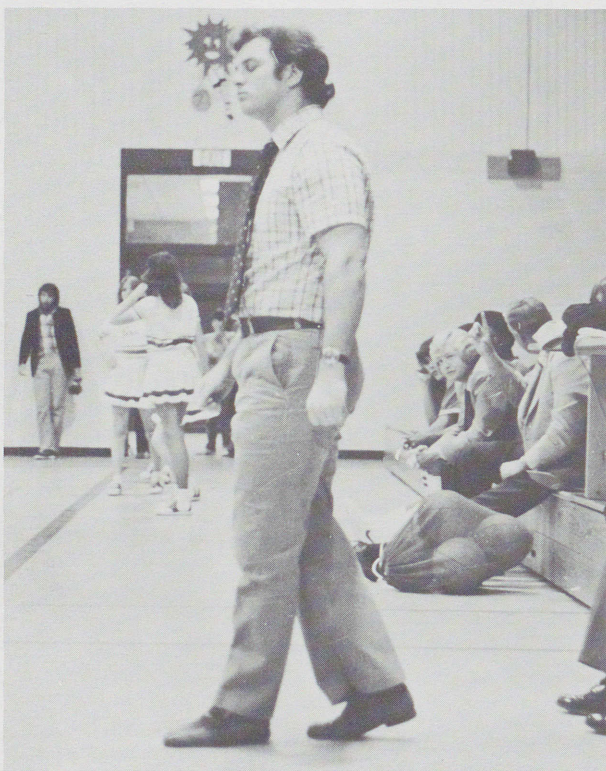

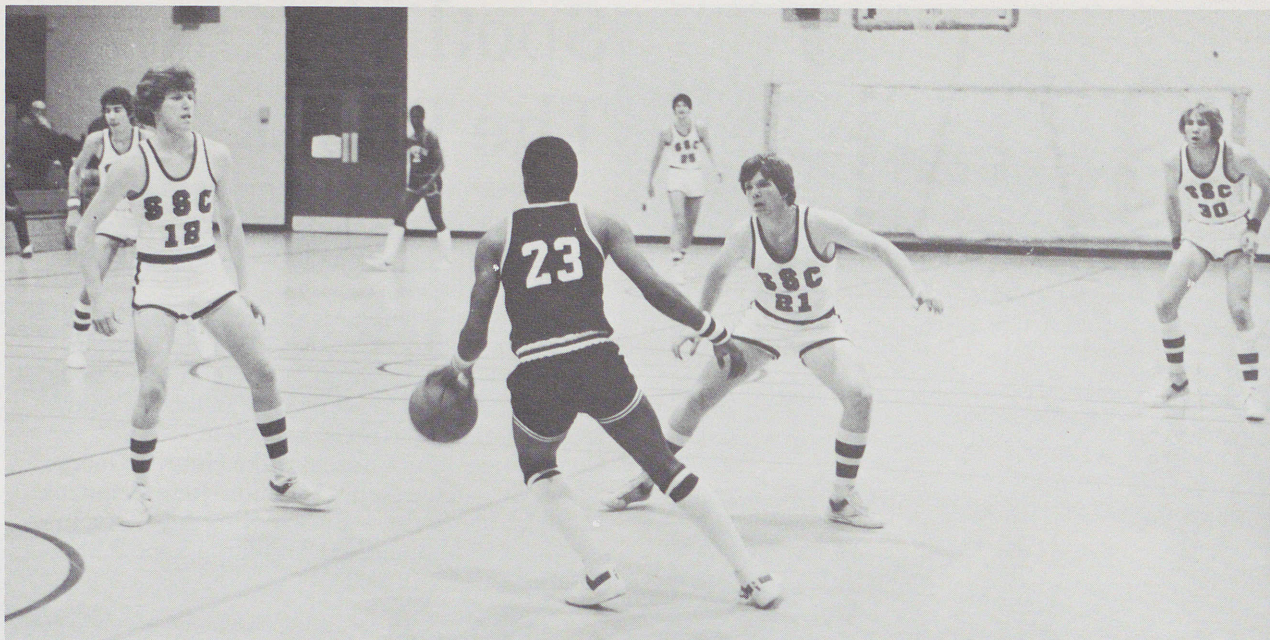

Spotlight On The Rocks

In addition to an outstanding won-loss record this year, several Rock-a-chaws were singled out for individual awards:

Athletic Scholarships Awarded: Juan Betanzos — L.S.U., Lee Klein — U.S.M., Geroge Corcoran, Mark Lichtenstein, Joby Church and Dave Boos — P.R.C. Additional Honors: Juan Betanzos, Mark Lichtenstein, Dave Boos, Lee Klein — All Conference. Joby Church, Mike Hourin, George Corcoran — Honorable Mention. Juan Betanzos, Mark Lichtenstein — Burger-King All-Stars. Juan Betanzos — National Hall of Fame Recognition Citation.

OPPOSITE PAGE TOP: Brain Logan takes to the air for an easy two. OPPOSITE BOTTOM: The 1980-81 Rocks: kneeling — A. Landry, B. Logan, M. Meyer, D. McDonnell, M. McKeogh. Standing — Coach S. North, S. Corr, M. St. John, J. Saia, R. Brown, R. Corr, B. Waits. ABOVE: Rock-a-chaw defense tightens up against East Central. TOP RIGHT: Rodney Corr takes a flying jump shot. TOP LEFT: Coach North watches from the bench.

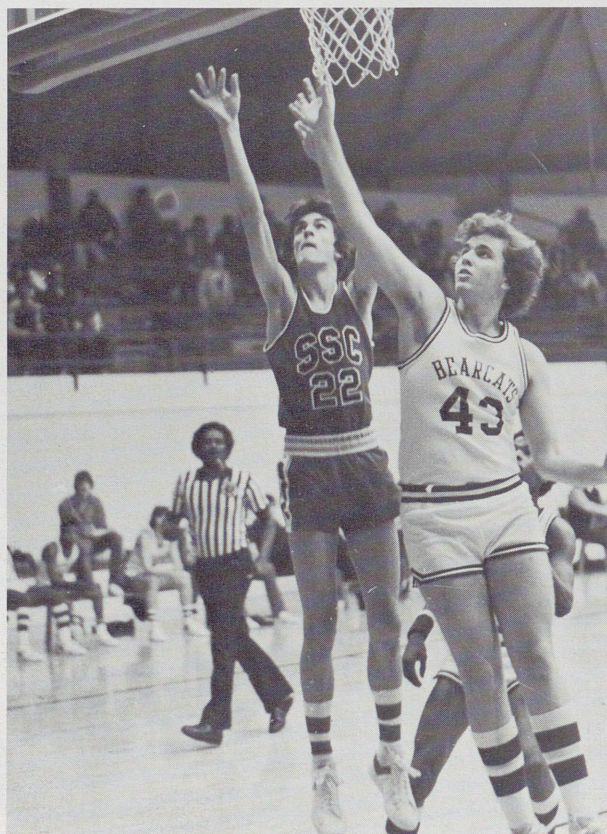

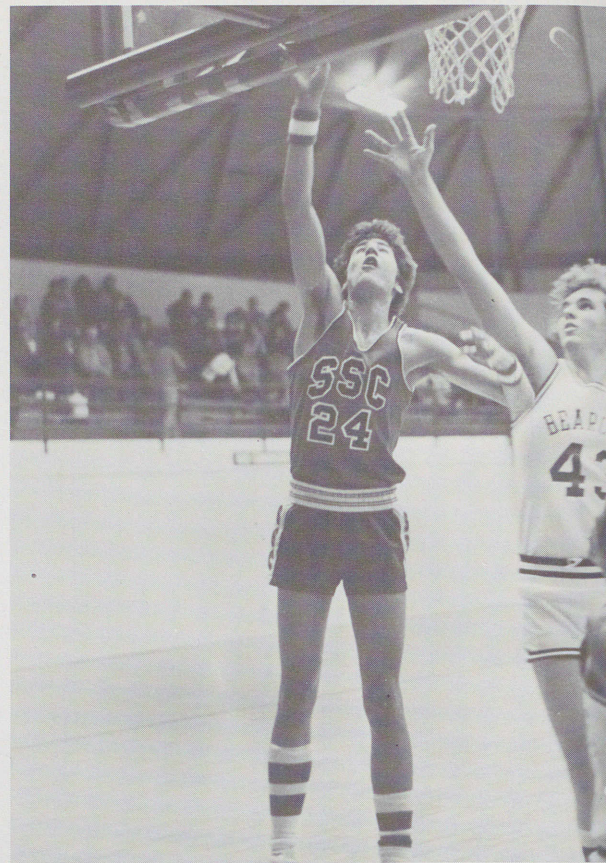

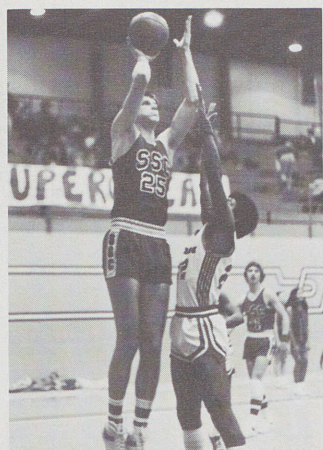

Pascagoula River Co-Champs!

ROCKY: This year the SSC Rockachaw basketball squad completed their season with a 23-3 win-loss record, and co-championship of the Pascagoula River Conference. Although Coach North was unavailable for comment, we feel sure that the success of the team can be attributed to his excellent coaching, good basic basketball. Joe Saia added the needed height, Rodney Corr the points, Dave McDonnell, Brian Logan and Marc Meyer, the ball handling. All in all, a well-balanced offense and defense.

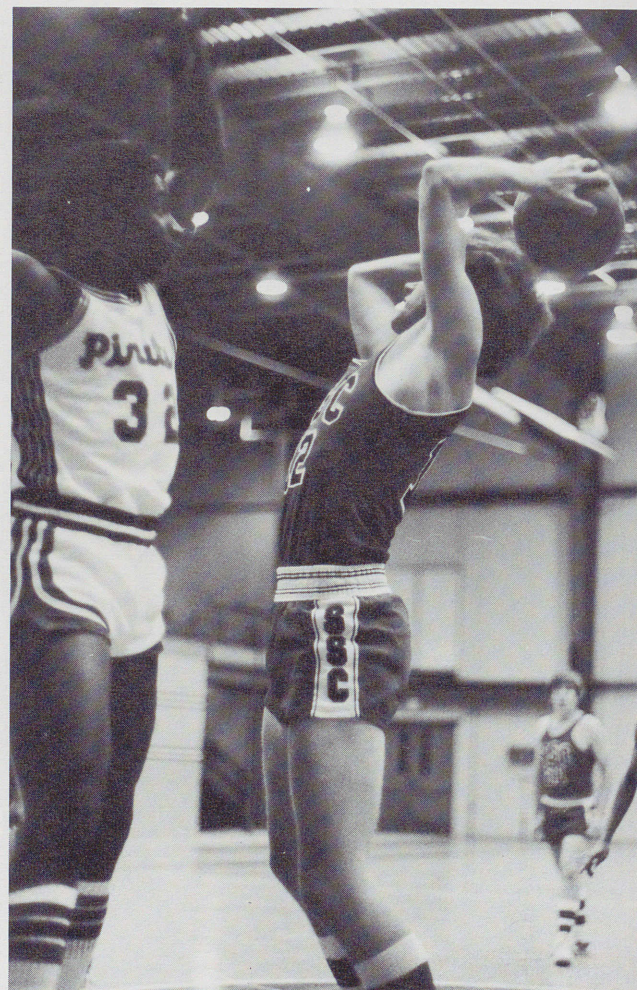

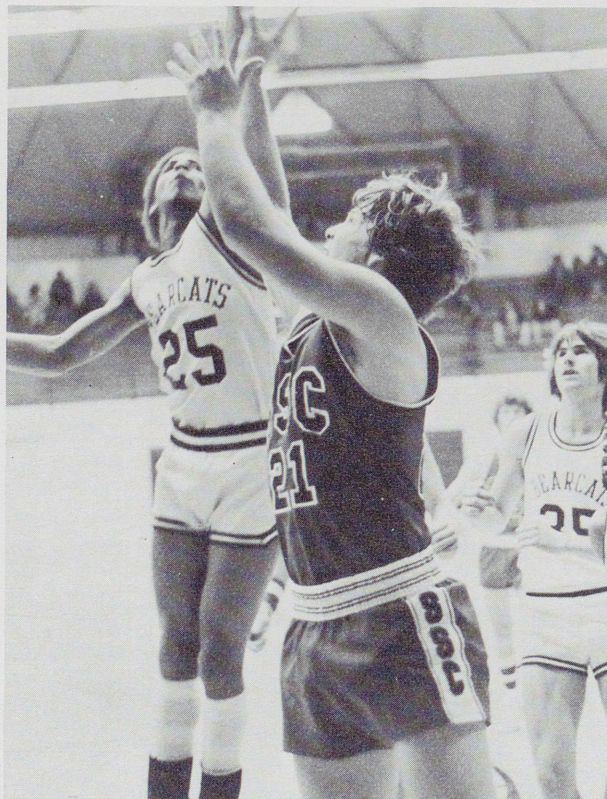

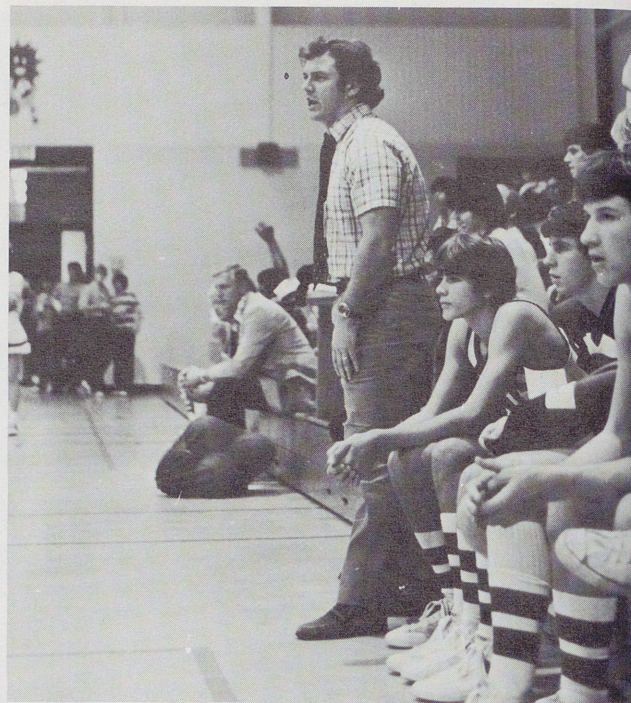

RIGHT: Billy Waits taps in two for the Rocks. BOTTOM LEFT: Marco St. John goes up with a Long Beach player for the rebound. BOTTOM RIGHT: JV player Shawn Henderson takes a shot against St. John Eagles. OPPOSITE: Joe Saia (All-Conference, All-District, Honorable Mention All-American) dunks the ball. OPPOSITE INSET LEFT: Saia with a one-handed jump shot. OPPOSITE INSET RIGHT: Rodney Corr slaps away a rebound.

Track

ROCKY: The 1980-81 Track team had a great season ending with an ironic loss to Bay High in the Conference Meet. Juan Carlos Betanzos, easily the best athlete on the squad, was disqualified in the last heat for wearing a thin gold chain, an infraction of the rules. Be that as it may, we still know we were the best in conference for the fifth year in a row. Shown below are the members of the squad, First Row: John Killeen, Mark Tubre, John Jones, Pat Leech, Hunt Vegas. Second Row: Andy Melvin, Sean Logan, Lucius Martin, Marc Meyer, Juan Carlos Betanzos, Mark Pilie. Third Row: Mark Rittiner, Steve Stant, Jeff Kergosien, Al Brignac.

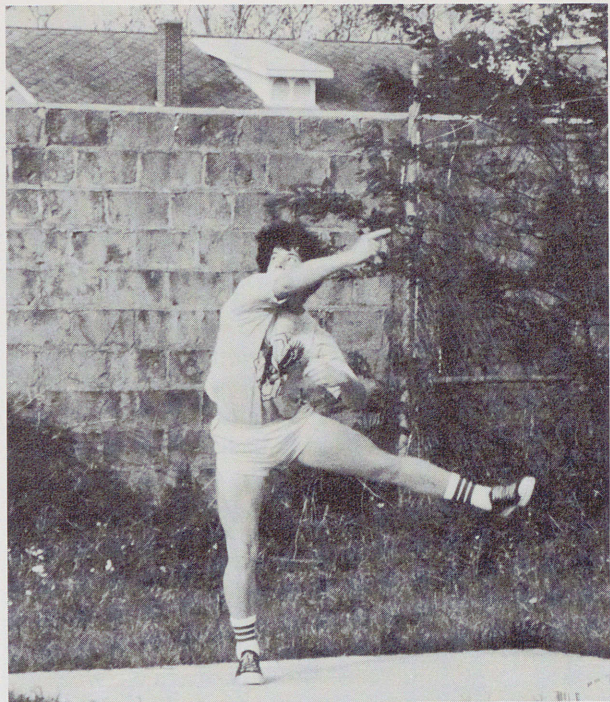

OPPOSITE TOP: Pat Leech, 2 mile runner, set the school record this year in that event. TOP: Mark Pilie, Geoffrey Kergosien, and Juan Carlos Betanzos sprint the 100-yard dash. LEFT: Steve Stant puts the shot in a tri-team meet. ABOVE: Pat Kergosien showed great form in the hurdles.

OPPOSITE TOP LEFT: John Dunham strikes the classic Greek discus pose. OPPOSITE TOP RIGHT: Tom Allen's unique release form insured him a place in the record book, if for a short while only. OPPOSITE BOTTOM LEFT: Jack Kent clears the bar with ease. OPPOSITE BOTTOM RIGHT: Al Brignac strains to gain height on the Triple Jump. RIGHT: Ron Stefaniai watches as Joby Church releases the shot. BELOW: Jerry Kelly strains to maintain his lead. BOTTOM: The pass off between Darren Scarborough and Todd Thriffiley is caught on film.

Baseball

ROCKY: Coach Weems, what are the batting averages of the leading hitters?

COACH WEEMS: Stephen Favre ended the season with .352, Andrew Haas with a .319 and Dennis Scardino .305.

ROCKY: What are the pitchers' win/loss record?

COACH: Andrew Haas 10-3, Brian Logan 2-2, and Gus Aime 3-3.

ROCKY: Coach, who leads in stolen bases?

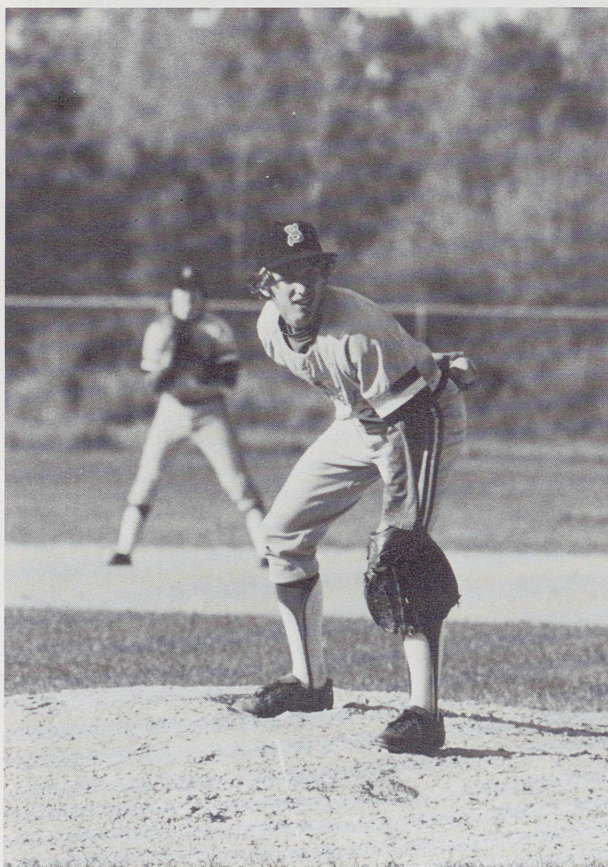

COACH: Brian Logan stole 13 bases this year. He's a fast player.

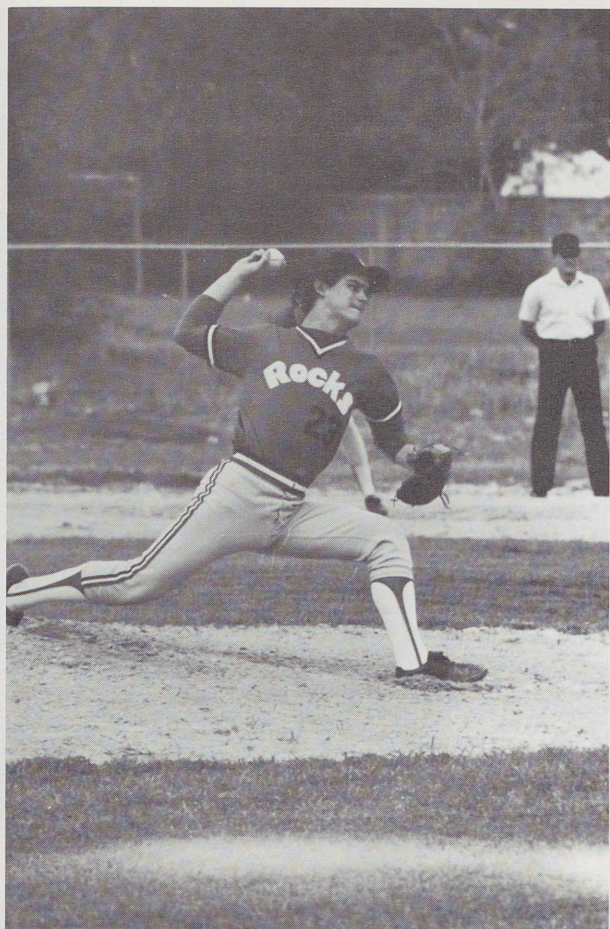

ROCKY: Coach, compared to past teams, how would you rank this team?

COACH: Very balanced, and the most fun to coach. Very few internal problems, good team spirit.

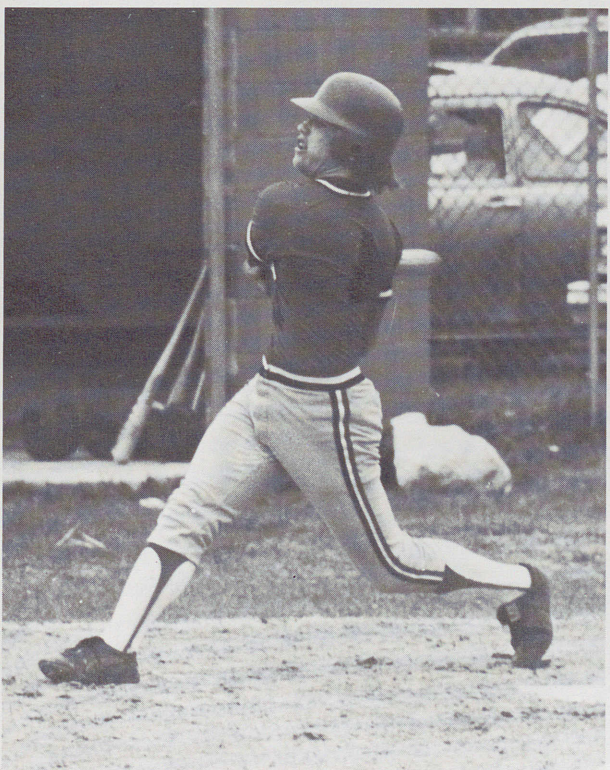

ROCKY: What aspect of the game do you see as our strong point and where are we weak?

COACH: Haas is the best pitcher in the conference, Gex is the best catcher in the world, a good hitting lineup, and a heads-up defensive team. Our chief weakness is a lack of back-up people. Only carrying 14 players.

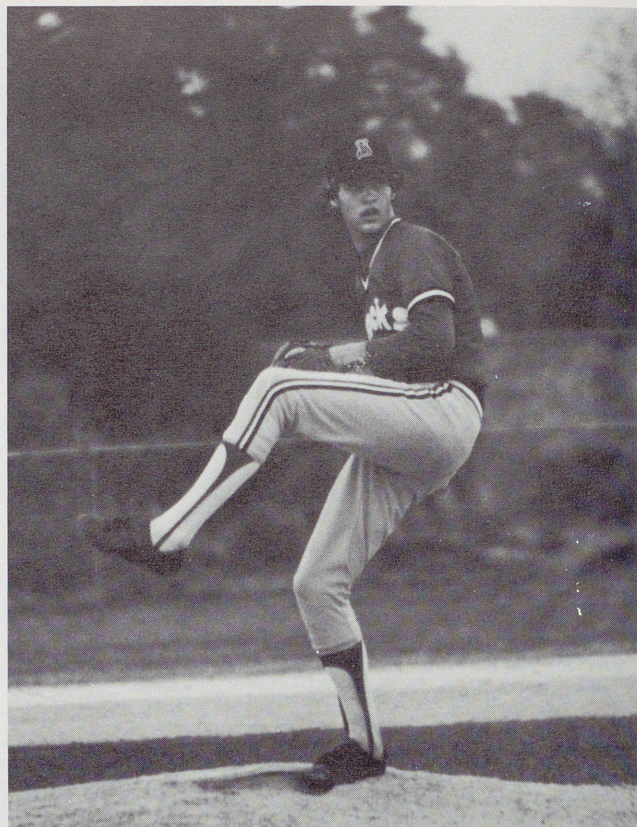

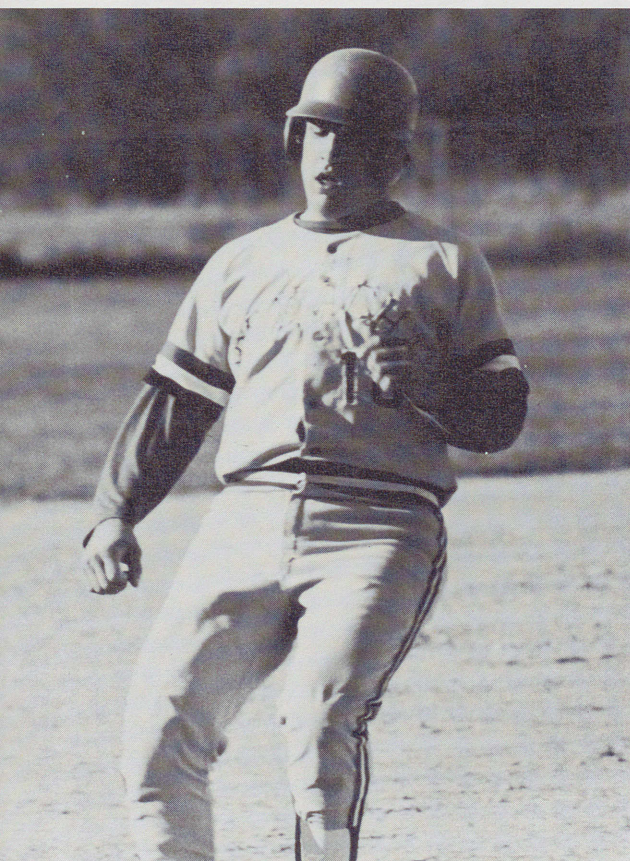

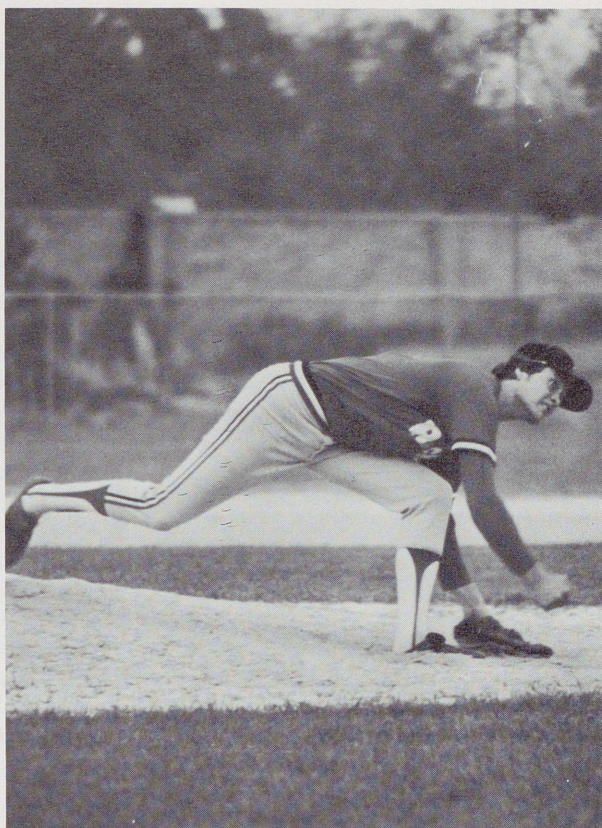

OPPOSITE TOP: Dennis Scardino hands Bruce Cabell his cap after a sensational catch by Bruce. OPPOSITE BOTTOM LEFT: Brian Logan studies the situation carefully before pitching. OPPOSITE BOTTOM RIGHT: Joe Gex, catcher par excellent. LEFT: Gus Aime cocks back on the pitch. BOTTOM LEFT: Sean Logan takes full swing for a double. BOTTOM RIGHT: Brother Anton, coaching first base, gives support to the batter. BELOW: "The Sermon on the Mount" as conducted by Coach Fred Weems.

Tennis, Anyone?

ROCKY: Brother Pascal, how well did the tennis team perform this year?

BROTHER PASCAL: Although our record of eight wins and two losses is good we were not happy with it. This was the first time in nine years that we have lost two matches in one season. Most of the players are young and we look forward to greater things next year. The loss of so many good players at graduation and Rowe Crowder moving to California left us with very little experience. We salvaged the season by Dave McDonnell's winning the Conference singles and Dennis Stieffel and Mike Collins' winning the Conference Doubles title.

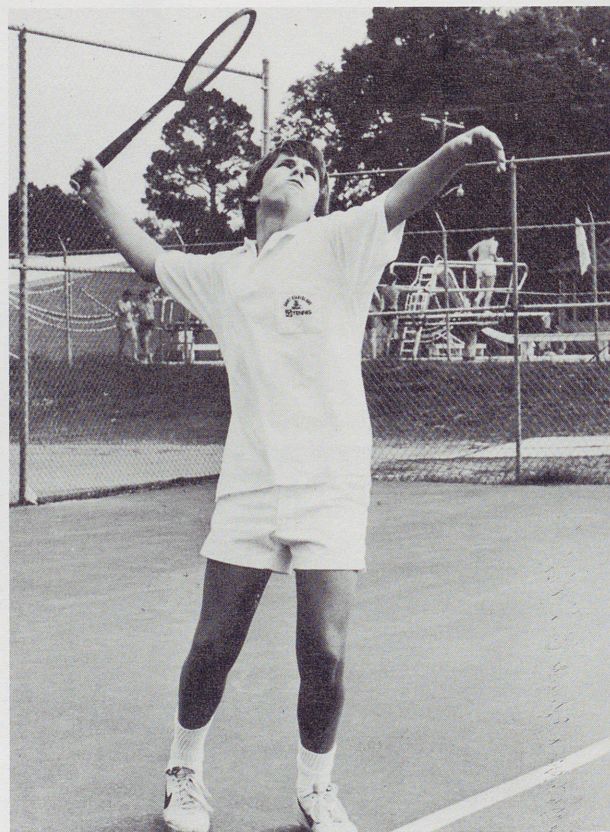

Service being what it is today, the following team members were caught in action: OPPOSITE TOP: Peter Watts, Eighth grade. OPPOSITE BOTTOM LEFT: Robert Boulet, Eighth grade. OPPOSITE BOTTOM RIGHT: Brennen Collins, Senior. TOP LEFT: Pat O'Neil, Eighth grade. BOTTOM LEFT: Dennis Steiffel, Senior. ABOVE: Steve Boulet, Junior.

SENIOR SKI PARTY

ROCKY: Brother Joseph, how long have you been throwing a party for the resident Seniors?
 BROTHER JOSEPH: Since 1975, we have held the Senior Ski party at the ski lodge on the Jordan River.

ROCKY: Why do you give the ski party?
 BROTHER: We usually have the party during Senior Exam week to give the Seniors a break from their studies and also to let them have one last fling while they are still students at SSC.

ROCKY: Well, it certainly sounds great to me.

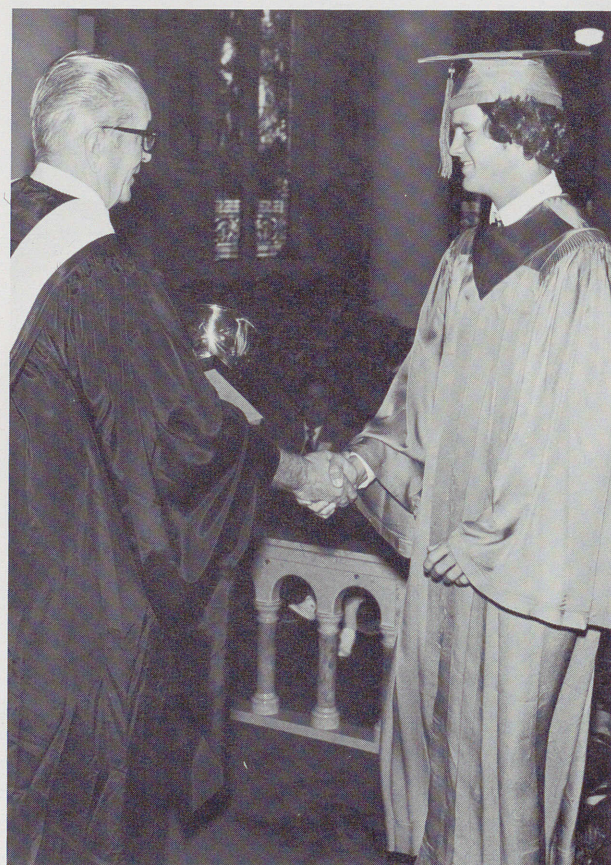

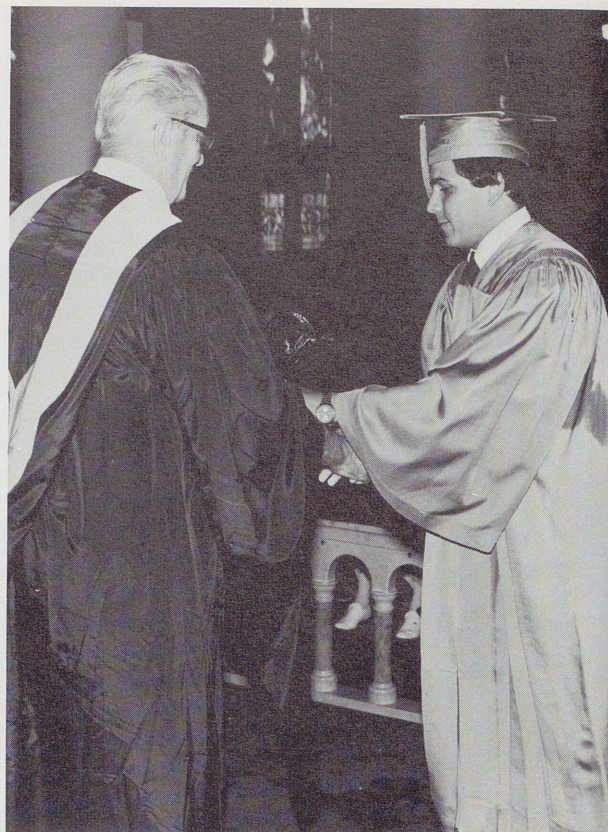

OPPOSITE TOP: Brother Joseph Donavan, S.C., Senior Prefect, gives Tom Sharkey a dry-dock lesson in skiing. OPPOSITE CENTER: Juan Betanzos, Chip Labruzzo, and Jose DeDianous team up for an impromptu football game. OPPOSITE BOTTOM: Boiled crabs were one item on the menu. TOP LEFT: Pete Schmedtje cuts a fine rooster tail. TOP RIGHT: David Corso shows the top form which won him the Louisiana Championship. LEFT: Chip Labruzzo strains on the ski rope. ABOVE: Chip and David try to make friends with 75 ROMEO, Brother Noel's beagle.

Graduation . . . the Ultimate Goal

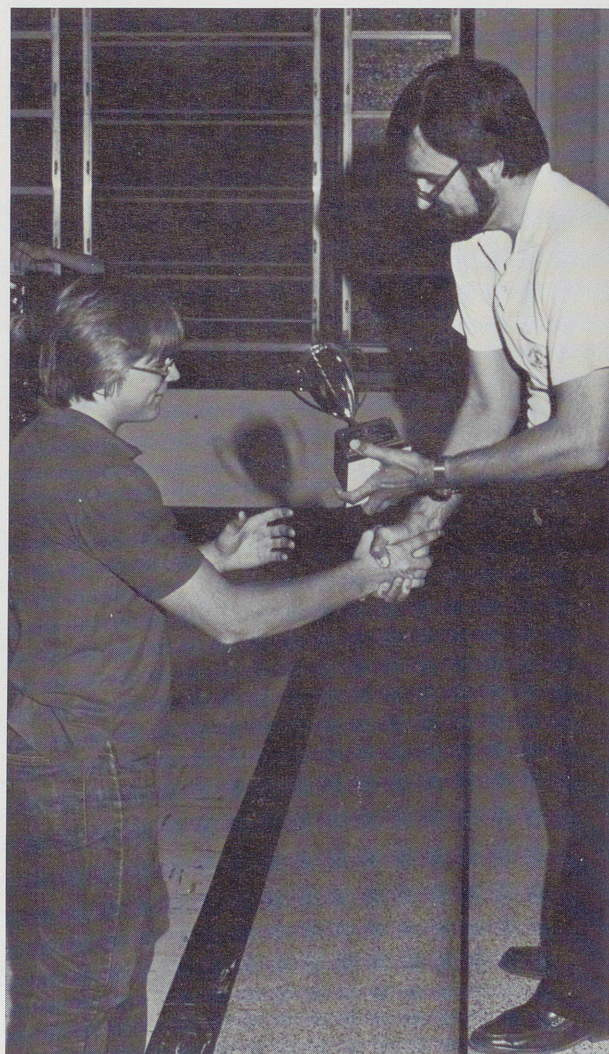

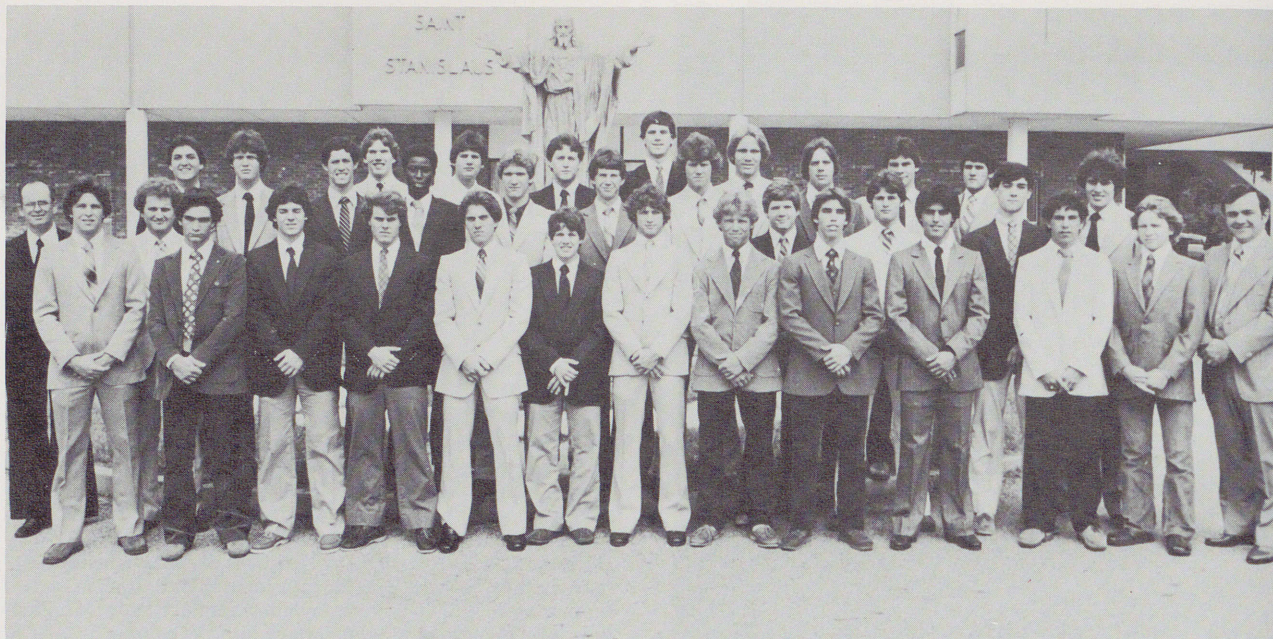

ROCKY: Finally, when it seems like forever, the day is here. Graduation, such a magic word. For some, a fearful word, for others, a word of relief. For all, however happy the day, a touch of sadness. A day when we part company and even the most hardboiled boarder has to admit that there is a twinge of regret at having to leave the campus of St. Stanislaus for the last time.

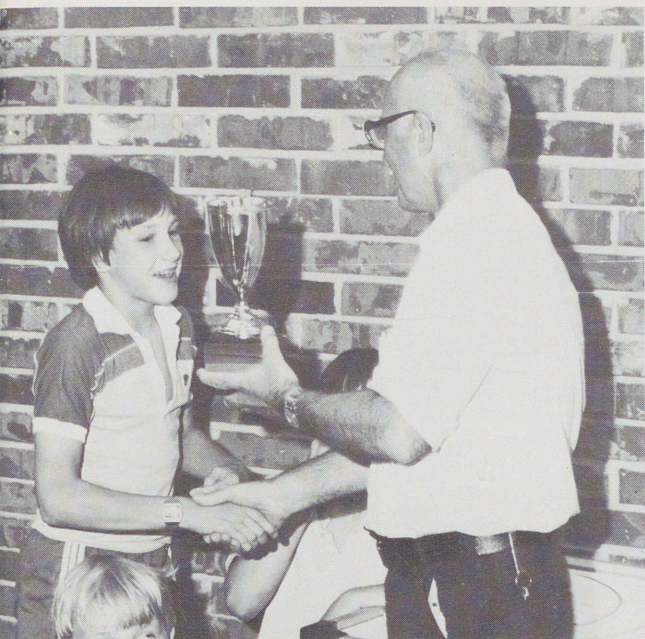

OPPOSITE TOP: José Dedianous, recipient of the Character Cup for a Resident Student. OPPOSITE BOTTOM LEFT: Brother Mark Thornton, S.C., presents Bradley DeGeorge with the Character Cup for a Day Student. OPPOSITE BOTTOM RIGHT: Andrew Haas receives the highest award presented at graduation, the President's Award. LEFT: Nicholas Gachassin, receives the Character Cup for a Resident Eighth Grader from Brother Mark. BELOW: Award winners for the Class of '81: First Row: Andy Boudreaux (Salutatorian), Jose DeDianous (Character Cup), David McDonnell (Mathematics), Brian Logan (Student-Athlete, American Legion), Paul Nelson (Conduct Award), Lloyd Benoit (Business), Geoffrey Kergosien (Valedictorian, Science, Humanities). Second Row: Brother Paul Mulligan, S.C., principal, Andrew Haas (President's Award, Social Studies), Scott Weidie (Chamber of Commerce), Ben Benvenuti (Alumni Award), Bradley DeGeorge (Character Cup), Tom Sharkey (Character Award).

OPPOSITE TOP: Brother Neri, S.C., presents the Character Cup to Samuel Morse. OPPOSITE BOTTOM: The pure enjoyment of the moment is seen here on the faces of the Class of '81. TOP: The scholarship winners of the Class of '81. ABOVE: Brother Raymond, S.C., congratulates Emilio Marino for winning the Character Cup for a Freshman. RIGHT: Stanley Williams, recipient of the Sophomore Cup receives his award from Brother Ray Kuhn, S.C., Dorm Prefect.

OVATIONS . . .

ROCKY: Applause, applause, this is what it's all about. The grand finale of a great school year. This is where everyone finds out who has set, in the estimation of the faculty and prefects, the highest standards or achieved the goals set by the school. It is also here that our graduating Seniors receive the honors due to them from the various colleges and Universities.

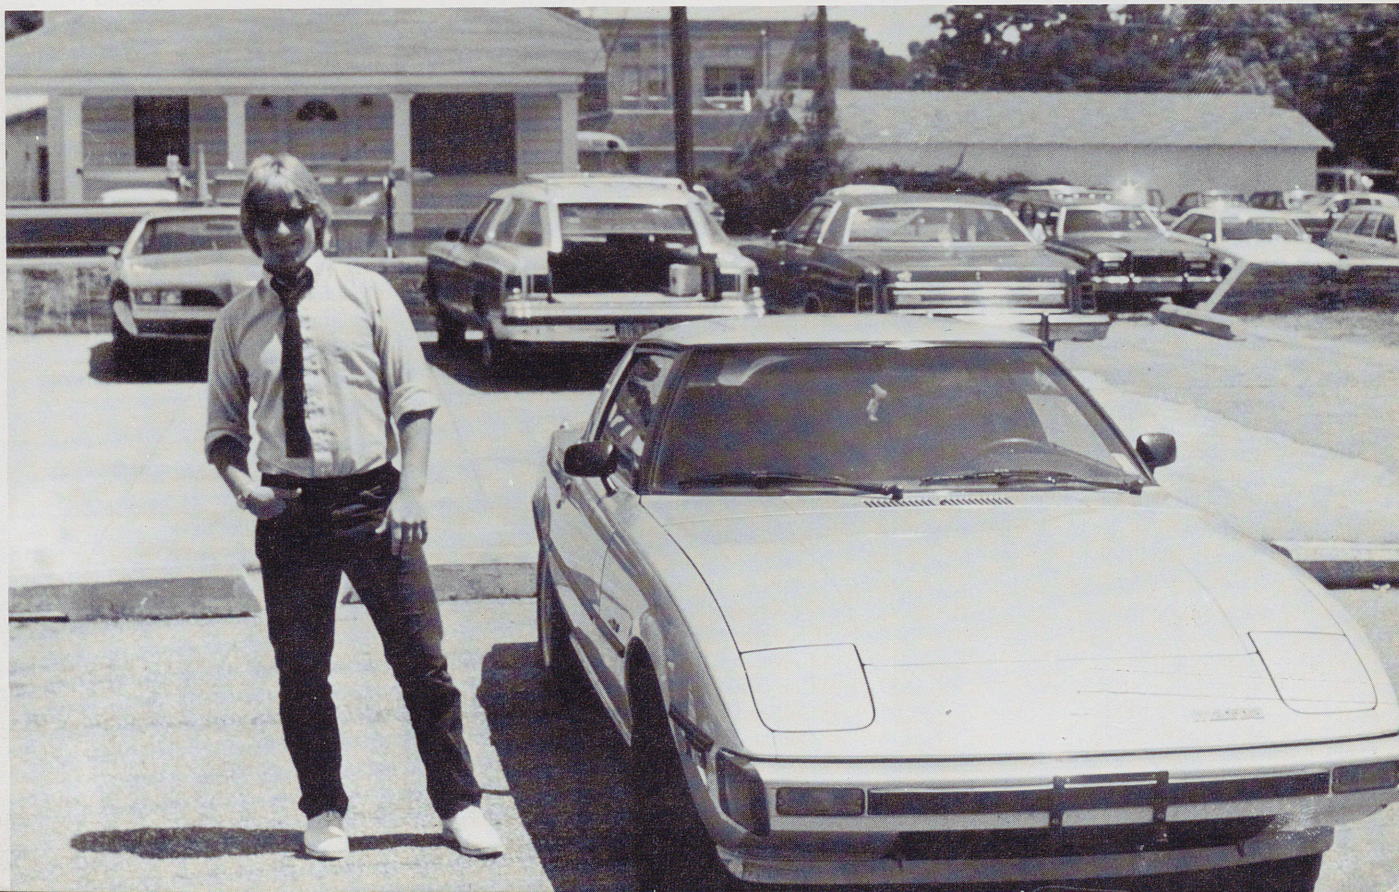

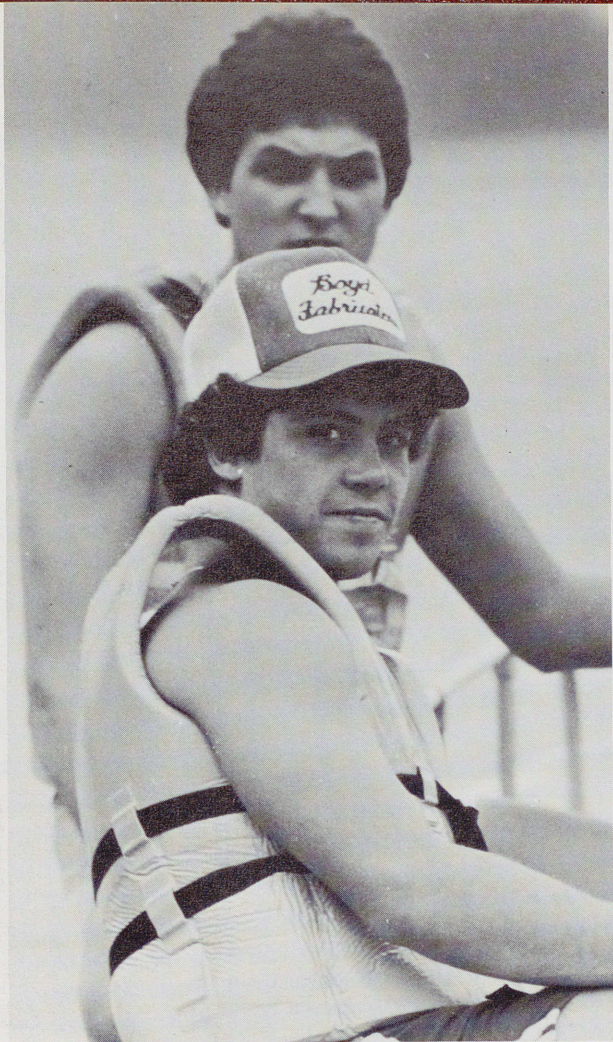

The Finale

ROCKY: The final curtain is brought down, the flats are removed, costumes are packed, the buses are loaded (above), the summer circuit begins. For some, it means work, (right, Coach Ron Engel, Summer Camp), for others, play (opposite top left: Clay Simon and Craig Reed prepare to ski). Some will savor the school day memories (opposite top right: Mark Seuzeneau receives his award). Some will simply blow the summer off, (opposite bottom: Adam Williams and his RX-7).

Author, Author!

When the cry of Author is heard in stage plays generally one man will approach center stage. However with a publication such as this, many individuals would have to come forward. This is no individual effort. It is the effort of many persons with the assistance and cooperation of many others. To list them here would prove to be time-consuming and tedious. Suffice to say, it couldn't have been done without them. Therefore, we the Reflections Staff of '81 gratefully say, thank you.
